

Menoufia University
Faculty of Arts

Vision

The Faculty of Arts, Menoufia University, aspires to be a pioneer in the fields of humanities by providing educational, research and community services for accomplishing sustainable development goals at the local and international levels.

Mission

The Faculty of Arts, one of the faculties of Menoufia University, is entrusted with preparing graduates capable of development and keeping up with the labor market with their cognitive, professional, creative, and technical excellence in the fields of human sciences. This is to be attained through a group of distinguished programs, and the founding of other distinguished ones, that meet educational, research, and societal ambitions in accordance with sustainable development trends.

Strategic objectives

1. Developing new, distinctive programs that meet the aspirations of society, in accordance with sustainable development horizons.
2. Qualifying graduate technically and professionally to suit the local and international labor market.
3. Developing the Faculty's infrastructure and refining the skills of those in charge of the educational system in a way that enhances the philosophy and trends of hybrid education.
4. Enhancing lifelong learning opportunities for students and graduates to meet the sustainable development goals.
5. Activating joint research plans between the Faculty and local and international community institutions.
6. Activating the Professional Ethics Code to ensure human rights, equality, and promoting a culture of peace, citizenship, and respect for cultural diversity.
7. Increasing the Faculty's internal resources by opening new fruitful channels with external institutions and providing research consultations and training.
