Curriculum Vitae(CV)

Name: Mabrouk Mahmoud Mohamed Ghonaim
Professor of Medical Microbiology & Immunology
Head of Department of Medical Microbiology & Immunology
Faculty of Medicine, Menoufiya University
Shebin El-Kom, Egypt

Telephone.

+20 0482751082

+20 1120706196

+20 1020620176

E-Mail: Ghonm5000@yahoo.com

Biographical Background:

- Sex: Male
- Date of Birth: November 1st, 1959
- Place of Birth: Shouda, Menoufiya, Egypt
- Citizenship: Egyptian
- Marital Status: Married (3 Girls and 2 Sons)

I. EDUCATION:

***M.B.B.Ch(1983): Faculty of Medicine, Cairo University (Egypt)**

***Post-graduate Courses (1987):** Physiology, Biochemistry, Pharmacology, Pathology, Clinical Pathology, Bacteriology, Genetics, Embryology, Public Health and Statistics, Faculty of Medicine, Cairo University.

*** Ms.C. Pediatrics (1988): Faculty of Medicine, Cairo University, Entitled:Growth Assessment of Egyptian Thalassemic Children.**

***Post-graduate Courses (1988-1989):** Pharmacology and Microbiology, Faculty of Medicine, Menoufiya University.

- ***Ms.C. Medical Microbiology (1990): Faculty of Medicine, Menoufiya University,**
Entitled: Meningococcal Carriers in Menoufiya School Children.
- ***MD. Medical Microbiology and Immunology (1994): Faculty of Medicine, Menoufiya University & DREW University of Medicine and Science&UCLA , Los Angeles, CA, USA, Entitled:Role of Natural Killer (NK)Cells in Hepatocellular Carcinoma.**

II. HONORS AND SPECIAL RECOGNITION:

- * Certificate of Appreciation from His **Excellency** the director of Taif University, 2013 for scientific publication.
- * Certificate of Appreciation from His **Excellency** the director of Taif University, 2015 for scientific publication.
- * Certificate of Appreciation from the Dean of the Faculty of Applied Medical Sciences, Taif University, 2017.

III. MEMBERSHIP:

- * Egyptian Society of Medical Microbiology (ESMM).
- * Egyptian Society of Immunologists (ESI).
- * American Society of Clinical Immunology.
- * Infection Control Committee, Menoufiya University Hospitals.
- * Infection Control Committee, National Liver Institute, Menoufiya University.
- * Medical & Scientific Research Ethics Committee, Faculty of Medicine, Menoufiya University.
- * Member of the Egyptian board of Medical Microbiology and Infection Control (The Egyptian Board).

IV. TEACHING COURSES:

2012-2017: Professor & Head of The Clinical Laboratories Department, Applied Medical Sciences, Taif University (Lectures & Seminars in Medical Microbiology, Immunology & Infection Control, Molecular Diagnosis, Laboratory Administration, and Total Quality Management) for Students.

البيانات الأساسية:

تاريخ الميلاد: 1959/11/1
الوظيفة: أستاذ الميكروبيولوجيا الطبية و المناعة - كلية الطب - جامعة المنوفية.
الحالة الاجتماعية: متزوج (5 أطفال)
الجنسية: مصري.
الديانة: مسلم.
محل الميلاد: ساحل الجواهر - الشهداء - المنوفية
العنوان الدائم: جمهورية مصر العربية - المنوفية - الشهداء - سرسنا - شارع جسر المشروع.

المؤهلات العلمية:

- 1- بكالوريوس الطب و الجراحة بتقدير عام جيد جدا مع مرتبة الشرف نوفمبر 1983 كلية الطب - جامعة القاهرة.
- 2- ماجستير طب الأطفال بتقدير جيد جدا نوفمبر 1987 كلية الطب - جامعة القاهرة.
- 3- ماجستير الميكروبيولوجيا الطبية و المناعة بتقدير جيد جدا ابريل 1990 كلية الطب - جامعة المنوفية.
- 4- دكتوراه الميكروبيولوجيا الطبية و المناعة ابريل 1994 كلية الطب - جامعة المنوفية بالاشتراك مع جامعتي درو (DREW) وكاليفورنيا لوس أنجلوس (UCLA) لوس أنجلوس كاليفورنيا لولايات المتحدة الأمريكية.

التدرج الوظيفي و الوظائف الإدارية:

- 1984-1985 طبيب امتياز بمستشفيات جامعة القاهرة.
1985-1987 طبيب مقيم أطفال بمستشفى الساحل التعليمي.
1988-1990 معيد بقسم الميكروبيولوجيا الطبية و المناعة - كلية الطب -جامعة المنوفية.
1990-1992 محاضر بقسم الميكروبيولوجيا الطبية و المناعة - كلية الطب -جامعة المنوفية.
1992-1994 بعثة الى أمريكا لاعداد رسالة الدكتوراه (جامعتى درو و كاليفورنيا لوس أنجيلوس UCLA).
1994 - 1999 أستاذ مساعد(الميكروبيولوجيا الطبية و المناعة) كلية الطب -جامعة المنوفية.
1999-2005 أستاذ مشارك (الميكروبيولوجيا الطبية و المناعة) كلية الطب- جامعة المنوفية.
2005-الآن أستاذ بقسم الميكروبيولوجيا الطبية و المناعة - كلية الطب- جامعة المنوفية.
2005-2007 مشرف على قسم الميكروبيولوجيا الطبية و المناعة -معهد الكبد القومي- مصر.
2005-2007 عضو المجلس العلمى للميكروبيولوجيا الطبية و مكافحة العدوى-الزمالة المصرية.
2007-2009 رئيس قسم المختبرات الطبية بالكلية الصحية للبنين بالطائف.
2009 -2016 رئيس قسم المختبرات الطبية بكلية العلوم الطبية التطبيقية جامعة الطائف.

التقدير و التكريم

- 1-شهادة تقدير من عمادة كلية العلوم الطبية التطبيقية بجامعة الطائف للمشاركة الفعالة فى إنجاز دورة المختبرات و التحاليل الطبية فى الفترة من 26 /5/1432 حتى 26 /6/1432 هـ.
2-شهادة تقدير من عمادة كلية العلوم الطبية التطبيقية بجامعة الطائف للمشاركة الفعالة فى إنجاز اليوم العالمى لمرض نقص المناعة المكتسبة لعام 2012 يوم 18 /1/1434 هـ.
3-شهادة تقدير من عمادة كلية العلوم الطبية التطبيقية بجامعة الطائف للمشاركة فى الإشراف على الطلاب المشاركين للملتقى التحضيرى للمؤتمر العلمى الرابع 2012 لطلاب و طالبات جامعة الطائف للعام الدراسى 1433/1434 يوم 1 /4/1434 هـ.
4-شهادة تقدير من معالى مدير جامعة الطائف للحصول على جائزة النشر العلمى للعام 1432/1434 هـ.
5- شهادة تقدير من معالى مدير جامعة الطائف للحصول على جائزة النشر العلمى للعام 1435/1436 هـ.
6- شهادة تقدير من عمادة كلية العلوم الطبية التطبيقية بجامعة الطائف بمناسبة انتهاء عملى بالكلية 1437 هـ.

الخبرة العملية:

- 1- التدريس و إلقاء المحاضرات فى البكتريولوجيا و علم الفيروسات و المناعة لطلاب كلية الطب و الدراسات العليا (دبلوم - ماجستير - دكتوراه) و التدريب العملى لهم.
2- الإلمام بالخبرات المعملية الأساسية فى الميكروبيولوجيا الطبية و الإلمام بالخبرات المعملية الخاصة بالمناعة و البكتريولوجيا الإكلينيكية.
3- المشاركة فى الإشراف على رسائل الماجستير و الدكتوراه بقسم الميكروبيولوجيا الطبية و المناعة.
4-المشاركة فى وضع الأسئلة و الإمتحانات لطلاب كلية الطب و الدراسات العليا و الزمالة المصرية.
3- المشاركة فى التدريس و التدريب لطلاب الكلية الصحية للبنين بالطائف.

الدورات التدريبية و ورش العمل:

- 1- المشاركة فى دورة الأمان فى المعامل الطبية و المنعقدة بقسم علوم المختبرات و التقنية الإكلينيكية بكلية العلوم الطبية التطبيقية بالطائف خلال الفترة من 2-6 يونية 2012.
2- المشاركة فى الدورة التدريبية لطلاب السنة النهائية بكلية العلوم الطبية التطبيقية بتربة و المنعقدة بقسم علوم المختبرات و التقنية الإكلينيكية بكلية العلوم الطبية التطبيقية بالطائف خلال الفترة من 12-17 رجب 1433.
3- حضور اللقاء العلمى الأسبوعى الذى ينظمه قسم المختبرات الطبية بكلية العلوم الطبية التطبيقية بجامعة الطائف.
4- المشاركة فى تنظيم اللقاء العلمى المنعقد بكلية العلوم الطبية التطبيقية بجامعة الطائف بمناسبة اليوم العالمى للإيدز يوم 1 ديسمبر 2012.
5- المشاركة فى تنظيم اليوم العلمى التحضيرى للمؤتمر العلمى الرابع لطلاب و طالبات التعليم العالى و المنعقد بكلية العلوم الطبية التطبيقية بجامعة الطائف يوم 11 فبراير 2013.
6- ندوة عن الوقاية من الوخذ بالإبر و الأشياء الحادة و انتقال الميكروبات بواسطة الدم بمستشفى الملك عبد العزيز التخصصى يوم 10 إبريل 2013.
7- المشاركة فى تنظيم اللقاء العلمى المنعقد بكلية العلوم الطبية التطبيقية بجامعة الطائف بمناسبة اليوم العالمى للأشعة يوم 8 نوفمبر 2013.
8- المشاركة فى تنظيم اللقاء العلمى المنعقد بكلية العلوم الطبية التطبيقية بجامعة الطائف بمناسبة اليوم العالمى للتمريض يوم 28 نوفمبر 2013.
9- المشاركة فى تنظيم اللقاء العلمى المنعقد بكلية العلوم الطبية التطبيقية بجامعة الطائف بمناسبة اليوم العالمى للإيدز يوم 1 ديسمبر 2013.

- 10- المشاركة في تنظيم اليوم العلمي التحضيري للمؤتمر العلمي الخامس لطلاب و طالبات التعليم العالي و المنعقد بكلية العلوم الطبية التطبيقية بجامعة الطائف يوم 8 ديسمبر 2013.
- 11- الاشراف على ابحاث الطلاب بقسم المختبر الطبي و المشاركة في مناقشة الأبحاث المقدمة و بحث 1&2.
- 12- الاشراف على ابحاث الطلاب الطبية بقسم المختبر الطبي و المشاركة في مناقشة الأبحاث المقدمة للمؤتمر الطلابي بالعلماء الخامس بالمملكة العربية السعودية.
- 13- الاشراف على تقييم الأبحاث المقدمة من طلاب كلية العلوم الطبية التطبيقية أثناء المؤتمر التحضيري للمؤتمر الطلابي الخامس بالمملكة العربية السعودية ودية.
- 14- الاشراف على تقييم الأبحاث التي تم تصعيدها للمؤتمر الطلابي السادس بالرياض بالمملكة العربية السعودية.
- 15- الاشراف على تقييم الأبحاث المقدمة من طلاب كلية العلوم الطبية التطبيقية أثناء المؤتمر التحضيري للمؤتمر الطلابي السادس بالمملكة العربية السعودية ودية. لاشرافك في تقييم الأبحاث التي تم تصعيدها للمؤتمر الطلابي السادس بالرياض بالمملكة العربية السعودية.
- 16- إعطاء محاضر للطلاب بالنادي الطلابي بجامعة الطائف الفترة 22-23 فبراير 2016 عن
- a) Hospital quality management course
- b) Infection control awareness course

- 17- الاشراف على تنظيم حملة التوعية عن حمى الضنك بكلية العلوم الطبية التطبيقية و جومول- السحيلي - الطائف الفترة من 7-8 ديسمبر 2016
- 18- تنظيم فعالية عن عمر ضالدر بكلية العلوم الطبية التطبيقية بتاريخ 22/3/2017
- 19- المشاركة في تنظيم عمال الدورة التدريبية بناسبة يوم المالد نال عالمو المنعقد بمسشفى الملك عبد العزيز التخصصي بالطائف خلال الفترة من 4-6 ابريل 2017.
- عضوية اللجان في كلية العلوم الطبية التطبيقية – جامعة الطائف**
- 1- عضوية لجنة الإعداد للمؤتمر الطلابي الأول والثاني والثالث الرابع (2012-2016).
- 2- عضوية اللجنة التدريسية بالابتعاث (2014-2015).
- إعداد الخطط الدراسية بكلية العلوم الطبية التطبيقية – جامعة الطائف**
- 1- إعداد الخطة الدراسية لقسم المختبر الطبي بكلية العلوم الطبية التطبيقية بالطائف بتكليف من عميد الكلية.
- 2- إعداد الخطة الدراسية لبرنامج التجسير لقسم المختبرات الطبية بكلية العلوم الطبية التطبيقية بالطائف بتكليف من عميد الكلية.
- 3- الإشراف في وضع و مراجعة الخطط الدراسية بكلية العلوم الطبية التطبيقية بتربة بتكليف من عميد الكلية و وكيل الجامعة للتطوير و الجودة.
- 4- وضع توصيف المقررات و عمل الكورسات الخاصة لبرنامج التجسير لقسم المختبرات الطبية بكلية العلوم الطبية التطبيقية بالطائف بتكليف من عميد الكلية و وكيل الجامعة للتطوير و الجودة.
- 5- الإشراف في وضع توصيف المقررات و عمل الكورسات الخاصة بقسم المختبرات الطبية بكلية العلوم الطبية التطبيقية بالطائف.
- 6- الإشراف في وضع خطة الدراسات العليا لدرجة الماجستير في المختبرات الطبية (تخصص علم الدم و المناعة) و الإشراف في وضع توصيف المقررات لها بقسم المختبرات الطبية بكلية العلوم الطبية التطبيقية بالطائف.

تحكيم أبحاث للمجلات العلمية:

تحكيم عدد كبير من الأبحاث للنشر بالمجلات العلمية في مجال التخصص.

تحكيم أبحاث لترقية أعضاء هيئة التدريس و مشاريع بحثية:

أولاً- تحكيم أبحاث لترقية أعضاء هيئة التدريس بالمملكة العربية السعودية:

تحكيم الأبحاث المقدمة من كل من الدكتور/ عبدالله بن أحمد عبدالرحمن الغامديو الدكتور/ عصام بن إبراهيم أحمد أزهر و الدكتور/ هاني بن زكريا يحيى عصفور بجامعة الملك عبد العزيز بجدة

ثانياً- تحكيم مشاريع بحثية بجامعة الملك عبد العزيز بجدة و جامعة أم القرى و جامعة بيشة و مدينة الملك عبد العزيز للعلوم و التقنية بالمملكة العربية السعودية

Curriculum Vitae

Personal information:

Name: Asmaa Shaaban Mohammed Sleem

Date of Birth: 1/10/1985

Place of birth: Shebin El Kom town, Menoufia Governorate, Egypt

Gender : female

Religion: Muslim

Nationality: Egyptian

Address : El may town, Menoufia Governorate Egypt

Telephone: Home: (Egypt): +20482044331

Mobile: (Egypt) +201141662500

Marital status: Married

Permanent Address:Department of Medical Microbiology and Immunology, Faculty of medicine, Menoufia University,Egypt

E-mail : sasmaashaaban@yahoo.com

Languages:

Arabic: Mother tongue

English: Excellent

Education and Qualifications:

- **November 2008: M,B,B,ch.Degree** in medicine from Faculty of medicine, Menoufia University, Egypt.
- **April 2009 – September 2010: General Practitioner** in Ministry Health Hospitals in Menoufia Governorate.
- **September 2010 – October 2014 : Demonstrator** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.
- **October 2014:Master degree** in Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.
- **October 2014–January 2019: Assistant Lecturer** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt, conducting Medical Microbiology and Immunology tutorials, and practical sections for undergraduates.
- **January 2019: Medical doctorate (M.D) degree** in Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.
- **January 2019 till now: Lecturer** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt,

conducting Medical Microbiology and Immunology Lectures and tutorials for undergraduates and postgraduates.

Grades and Year:

Graduation Year: 2008

Graduation Grade: Excellent with honors

Master degree Year:2014

Master degree Grade: Very good

Medical doctorate (M.D) degree: 2019

Current Degree:

Medical doctorate (M.D) degree of Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.

Master Degree Thesis Title (2014)

Prevalence of Multi-Drug Resistant Bacteria Isolated from Patients with Burn Infection at Menoufia University Hospitals

M.D. Degree Thesis Title (2019)

Comparison between Different Methods of *H. pylori* Detection in Gastric Biopsy with Determination of Some Virulence Genes

Current Job:

Lecturer of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.

Undergraduates activities:

Coordinating and conducting Medical Microbiology (Bacteriology, Virology, Mycology) and Immunology lectures, tutorials, and practical sections for undergraduates of:

- **Faculty of Medicine, Menoufia University, Egypt.**

Postgraduates activities:

- Coordinating and conducting **Medical Microbiology**(Bacteriology, Virology, Mycology) and **Immunology** lectures, tutorials, and practical sections for **M.D, M.Sc& diploma postgraduates (Academic and Clinical).**

List of Attended Conferences:

- 1- **Title :Quality of Health Services in University Hospitals(2013)**
20th scientific annual conference of Menoufia Faculty of Medicine
- 2- **Title : Nosocomial Infections (2014)**
21stscientific annual conference of Menoufia Faculty of Medicine
- 3- **Title :What is beyond the accreditation?(2015)**
22ndInternationalCongress of Faculty of Medicine - Menoufia University
- 4- **Title : Stem Cells & Organ Transplantation (2016)**
23rdAnnual conference of Faculty of Medicine - Menoufia University
- 5- **Title : Fight Against Cancer (2017)**
24thAnnual conference of Faculty of Medicine - Menoufia University
- 6- **25th Annual conference of Faculty of Medicine - Menoufia University(2018)**
- 7-**26th Annual conference of Faculty of Medicine - Menoufia University(2019)**

Courses and Certificates:

- Computer skills (IT – Windows - Word – Excel – Access -PowerPoint - Internet) at Center for Information Systems and Technology of Menoufia University, Egypt.
- Effective Communication Skills course at Institute of skills development to Menoufia university teaching members, Menoufia University, Egypt.

- Student evaluation and Examination techniques course at Institute of skills development to Menoufia university teaching members Menoufia University, Egypt.
- Effective Presentation Skills course at Institute of skills development to Menoufia university teaching members, Menoufia University, Egypt.
- Quality standards in teaching course at Institute of skills development to Menoufia university teaching members, Menoufia University, Egypt.
- International Publishing of Research course at Institute of skills development to Menoufia university teaching members, Menoufia University, Egypt.
- Conference Organization course at Institute of skills development to Menoufia university teaching members, Menoufia University, Egypt.
- Humans management in universities and institutions of higher education Course (Modern Human Resource Management) at Institute of skills development to Menoufia university teaching members, Menoufia University, Egypt.
- Decision-making and problem-solving course at Institute of skills development to Menoufia university teaching members, Menoufia University, Egypt.
- Strategic Planning course at Institute of skills development to Menoufia university teaching members, Menoufia University, Egypt.
- Problem based learning (PBL) Course for under and postgraduates at Medical Education & Human Resources Development Center, Faculty of Medicine, Menoufia University, Egypt.
- (OSCE & OSPE) Course for under and postgraduates at Medical Education & Human Resources Development Center, Faculty of Medicine, Menoufia University, Egypt.

- Essential teaching skills for under and postgraduates at Medical Education & Human Resources Development Center, Faculty of Medicine, Menoufia University, Egypt.
- A-B-C Assessment Skills (for Written , Oral, Clinical and Practical exams) for under and postgraduates at Medical Education & Human Resources Development Center, Faculty of Medicine, Menoufia University, Egypt.

Professional experience:

- Working in clinical Microbiology laboratory.
- Working in infection control unit in Menoufia University Hospitals
- Working in Clinical Pathology laboratories.

Memberships:

- The Egyptian Society of Medical Microbiology (ESMM)
- Infection Control Committee of Menoufia University Hospitals, Egypt.

Referrers:

- **Prof. Dr. Mabrouk Mahmoud Ghonaim**, Professor and Head of Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University.
- **Prof. Dr. Amal Fathalla Makled**, Professor of Medical Microbiology and Immunology Department, Faculty of Medicine, Menoufia University, Egypt.

- **Prof. Dr. Ahmed Bakr Mahmoud**, Professor of Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.
- **Prof. Dr. Naiera Ahmed Eissa**, Professor of Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.
- **Prof. Dr. Nahed Abdel Ghaney El Raghey**, Professor of Medical Microbiology and Immunology Department, Faculty of Medicine, Menoufia University, Egypt.
- **Prof. Dr. Wafaa Ahmed Zahran**, Professor of Medical Microbiology and Immunology and Dean of Faculty of Pharmacy, Menoufia University, Egypt.

Awards

Appreciation certificate from Menoufia University Hospitals for excellence and superiority in Professional diploma of infection prevention and control

Languages

- **Arabic:** Mother language
- **English:** Good command

Education

- **March 2019: Medical doctorate (M.D) degree** in Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.
- **March 2015: Master degree in Medical Microbiology and Immunology** with grade very good, Faculty of Medicine, Menoufia University, Egypt.
- **July 2018: Professional diploma degree in infection prevention and control** with grade excellent, Faculty of Medicine, Menoufia University, Egypt.
- **November 2009: Bachelor of Medicine and Surgery (M,B,B,ch.) Degree** with grade excellent with honors, Faculty of medicine, Menoufia University, Egypt.

Employment

- **April 2019 till now: Lecturer** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt, conducting Medical Microbiology and Immunology Lectures and tutorials for undergraduates and postgraduates.
- **April 2015– April 2019: Assistant Lecturer** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt, conducting Medical Microbiology and Immunology tutorials, and practical sections for undergraduates.
- **September 2011 – April 2015: Demonstrator** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.
- **April 2011 – September 2011: General Practitioner** in Ministry Health Hospitals in Menoufia Governorate.
- **March 2010 - February 2011: Housemanship rotation** in Menoufia University Hospitals including Medicine, Pediatrics, Obs.&Gynae. , Surgery, Anesthesia, Emergency, ENT and cardiology.

Recent occupation

- Lecturer of Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University (from April 2019 till Now).
- Member of infection control team in Menoufia University Hospitals.
- Laboratory physician in infection control laboratory in Menoufia University Hospitals.
- Department coordinator for quality assurance Faculty of Medicine, Menoufia University.
- Laboratory physician in Nile Labs in ShebinElkom branch, Menoufia Governorate.

Teaching experience

For undergraduates:

Coordinating and conducting **Medical Microbiology** (**Bacteriology, Virology, Mycology**) and **Immunology** lectures, tutorials, and practical sections at Faculty of Medicine, Menoufia University.

For postgraduates:

Teaching a course of **Medical Microbiology and Immunology** at faculty of Medicine, Menoufia University (diplomes, masters and MD students) for both academic and clinical specialties

Research experience & publications

- **Title of thesis of master degree (2015):** Study of Interleukin-22 in patients with liver cirrhosis in Menoufia University Hospitals.
- **Title of thesis of M.D. degree (2019):** Association between systemic lupus erythematosus and polymorphisms in interleukin-1 β and cytotoxic T lymphocyte associated antigen-4 (CTLA-4) genes.
- I was the corresponding author of original article titled: Study of Interleukin-22 in patients with liver cirrhosis in Menoufia University Hospitals & published in Menoufia Medical Journal, 2015.

El-Hendawy GR, Labib AZ, Nouh MA & Dawoud AM. Study of interleukin-22 in patients with liver cirrhosis in Menoufia University Hospitals, Egypt. Menoufia Med J 2015; 28:685–692.

- I was the corresponding author of original article titled: Polymorphisms of Interleukin-1 β and Cytotoxic T lymphocyte Associated Antigen-4 Genes in Systemic Lupus Erythematosus & published in Egyptian Journal of Medical Microbiology, 2019.

Younes HM, Ghonaim MM, Elkhyat AH, Labeeb AA, El-Hefnawy SM and Dawoud AM. Polymorphisms of Interleukin-1 β and Cytotoxic T lymphocyte Associated Antigen-4 Genes in Systemic Lupus Erythematosus. Egyptian Journal of Medical Microbiology 2019; 28(1).

List of attended conferences

- **Stem Cells & Organ Transplantation (2016)**
23rd Annual conference of Faculty of Medicine - Menoufia University
- **Multidisciplinary Medicine Era III New Horizons (2016)**
31st Annual of Congress of Faculty of Medicine, Tanta University, Egypt, 2016
- **Art of antibiotic usage (2016)**
1st Annual Clinical Pathology Conference, Banha Children Hospital, 2016
- **Nosocomial infections (2014)**
21st Annual Conference of Faculty of Medicine, Menoufia University, that was held at Sheraton Montazah, Alexandria, 2014
- **Infection preventionists: Ready for Disasters(2014)**
22nd Annual Conference of the Egyptian Society for Infection Control (APIC) and 5th Conference of the Eastern Mediterranean Regional Network for Infection Control (EMRNIC), 2014
- **Quality of Medical Education (2012)**
19th scientific annual conference of Faculty of Medicine, Menoufia University, 2012

Courses and Certificates

- **World day of AIDS (prevention of blood borne diseases):** held by infection control committee of university hospitals in cooperation with WHO, (2019).

- **Computer skills (IT – Windows - Word – Excel – Access - PowerPoint - Internet)** at Center for Information Systems and Technology of Menoufia University, Egypt, (2019).
- **Strategic Planning course** at International Faculty and Leadership Development Center, Menoufia University, Egypt, (2019).
- **Test of English Language Proficiency for Post Graduate Studies (T-ELPP) course** at Unit of Service for Research Consultancy and Languages, Faculty of Arts, Menoufia University, Egypt, (2018).
- **USMLE Orientation course** at Medical Education & Human Resources Development Center, Faculty of Medicine, Menoufia University, Egypt, (2018).
- **Lifelong Learning course** at International Faculty and Leadership Development Center, Menoufia University, Egypt, (2018).
- **Crisis and Disaster Management course** at International Faculty and Leadership Development Center, Menoufia University, Egypt, (2018).
- **University and Community course** at International Faculty and Leadership Development Center, Menoufia University, Egypt, (2018).
- **Managing Time and Meetings course** at International Faculty and Leadership Development Center, Menoufia University, Egypt, (2018).
- **Decision Making and Problem Solving course** at International Faculty and Leadership Development Center, Menoufia University, Egypt, (2018).
- **World Day of Hand Hygiene:** celebration held by Egyptian Society of Infection Control and The Arab Institute for Continuing Professional Development (AICPD), (2018).
- **Infection Control; Reality and Vision:** 5th Annual Meeting of Shebin El Koum Teaching Hospital, Menoufia Governorate, Egypt, (2018).

- **Problem based learning (PBL) for Under and Postgraduates course** at Medical Education & Human Resources Development Center, Faculty of Medicine, Menoufia University, Egypt, (2017).
- **Basics of Molecular Biologyworkshop** organized by central lab, Faculty of Medicine, Menoufia University, Egypt, (2016).
- **Infection Control in Intensive Care Unit training course** at Elaraby Hospital Training center, MenoufiaGovernorate, Egypt, (2016).
- **Exams and Students Evaluation Systemscourse** at International Faculty and Leadership Development Center, Menoufia University, Egypt, (2015).
- **Infection control is the organizational competitive edge workshop**, organized by The Arab Institute for Continuing Professional Development (AICPD), (2014).
- **Financial and Legal Aspects in University Environment course** at International Faculty and Leadership Development Center, Menoufia University, Egypt, (2014).
- **University Code of Ethics course** at International Faculty and Leadership Development Center, Menoufia University, Egypt, (2014).
- **Competing for Research Funds course** at International Faculty and Leadership Development Center, Menoufia University, Egypt, (2014).
- **International Publishing of scientific Research course** atInternational Faculty and Leadership Development Center, Menoufia University, Egypt, (2014).
- **Effective Presentation Skills course** at International Faculty and Leadership Development Center, Menoufia University, Egypt, (2014).

Skills

General skills

- Using new teaching methods depending on interaction

- Good experience in dealing with E-Learning
- Good experience in using effective power point
- Sticking to quality standards for achieving ILOs.
- Fluent in English(T-ELPP) course
- Good command in dealing with Microsoft Office, windows(IT – Windows - Word – Excel – Access -PowerPoint - Internet).
- Driving license

Practical skills

- Good knowledge about diagnosis of many hospital-acquired infections
- Good performance of different phenotypic tests
- Good experience in dealing with conventional and Real Time PCR instruments

Personal characters

- Work in groups
- Good communication skills
- Work under stress
- Leadership
- Scientific and creative thinking in solving problems

Membership of committees

- A member of The Egyptian Syndicate of Medicine.
- A member of quality assurance and accreditation unit of Faculty of Medicine, Menoufia University.
- A member of infection control committee in Menoufia University Hospitals
- A member of postgraduate examination control, faculty of medicine, Menoufia University.

Education and Qualifications:

- **November 1987: M,B,B,CH. degree** in medicine from Faculty of Medicine, Alexandria University, Egypt.
- **11/12/1989—13/10/1990: Demonstrator** of Medical Microbiology and Immunology, Institute of Medical Research, Alexandria University, Egypt.
- **14/10/1990—21/9/1993: Demonstrator** of Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.
- **1993: Master degree** in Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.
- **22/9/1993—30/10/1999: Assistant Lecturer** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt, conducting

Medical Microbiology and Immunology tutorials, and practical sections for undergraduates.

- **April 1999: Medical doctorate (M.D) degree** in Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.
- **31/10/1999—29/1/2005: Lecturer** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt, conducting Medical Microbiology and Immunology Lectures and tutorials for undergraduates and postgraduates.
- **30/1/2005—29/4/2017: Assistant professor** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.
- **30/4/2017-Till Now: Professor** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.
- **17/11/2016-Till -----: Head** of Medical Microbiology and Immunology Department, Faculty of Medicine, Menoufia University, Egypt.
- **-----: Professor** of Medical Microbiology and Immunology Department, Faculty of Medicine, Menoufia University, Egypt.

Grades and Year:

Graduation Year: 1987.

Graduation Grade: Excellent with honors.

Master degree Year: 1993.

Master degree Grade: very good.

Medical doctorate (M.D) degree: 1999.

Current Degree:

Medical doctorate (M.D) degree of Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.

Master Degree Thesis Title (1993)

Urinary tract infection associated with pregnancy

M.D. Degree Thesis Title (1999)

Study of urinary tract infection in diabetic patients

List of Publications:

- 1. Surveillance of Aminoglycosides Resistance among *Proteus mirabilis* Isolates from Different Units in Jeddah Hospitals, Saudi Arabia**
- 2. Fungal Rhinosinusitis of the Immunocompetent Host: Correlation study between Computed Tomography Scan, Mycological and Histopathology**
- 3. Seroprevalence of human parvovirus B19 IgG in children with hematological disorders and healthy children**

- 4. Detection of A2142G and A2143G Substitutions among Clarithromycin-resistant *Helicobacter pylori* Strains Isolated from Egyptian Patients**
- 5. Interleukins-10 and 18 Genes Polymorphisms in Hepatitis B Virus Infected Saudi Patients**
- 6. Multidrug-Resistant *Enterobacteriaceae* Nosocomial Uropathogens at Menoufia University Hospitals: Phenotypic Characterization and Detection of Resistance Genes Using Real-time PCR**
- 7. Prevalence of Aerobic Gram-Negative Bacilli in Lower Respiratory Tract Infections in Menoufia Governorate, Egypt**
- 8. Molecular and Serological Assessment of Chronic Parvovirus B19 among Chronic Hemolytic Anemia Children**
- 9. Prevalence of Carbapenem-Resistance among Extended Spectrum Beta Lactamase-Producing *E. coli* at Menoufia University Hospitals: Comparison of Phenotypic and Molecular Characterization Methods**
- 10. Comparison of Reverse Transcription-PCR and Viral Culture for detection of Respiratory Syncytial Virus in young children: Relation to epidemiological and clinical findings**
- 11. Biofilm Formation and Antimicrobial Resistance Pattern of Uropathogenic *E. coli*: Comparison of Phenotypic and Molecular Methods**
- 12. Evaluation of Midkine and Golgi protein 73 as a Diagnostic Biomarkers in Hepatocellular Carcinoma Patients**
- 13. Interleukin 18 and Vascular Endothelial Growth Factor as Predictors for End Stage Renal Disease**
- 14. Phenotypic and Molecular Characterization of clinical *Acinetobacter* Isolates from Menoufia University Hospitals**
- 15. Vaginal Colonization by *Escherichia coli* in Pregnant Women at King Abdulaziz University Hospital, Jeddah, Saudi Arabia**
- 16. Different Detection Methods of Virulent *Helicobacter pylori* in Gastric Biopsies**
- 17. Tumor Necrosis Factor-Related Apoptosis Inducing Ligand in Systemic Lupus Erythematosus Patients; Potential Role in Disease Activity, Neutropenia and Renal Impairment**

Current Job:

Professor of Medical Microbiology and Immunology at Faculty of Medicine,
Menoufia University, Egypt.

Undergraduates activities:

- I. Coordinating and conducting **Medical Microbiology (Bacteriology, Virology, Mycology and Immunology)** lectures, tutorials, and practical sections for **undergraduates** of :

- 1- **Faculty of Medicine**, Menoufia University, Egypt.
- 2- **Faculty of Nursing**, Menoufia University, Egypt.
- 3- **Faculty of Applied Health Sciences**, Menoufia University, Egypt.

- II. **Sharing and Participate in the writing of the following books to the third year students of the Faculty of Medicine**

- | | |
|--|----|
| Medical Microbiology & Immunology (volume 1 and 2) | A. |
| Practical Microbiology and immunology (volume 1 and 2) | B. |
| Log. Book (volume 1 and 2) | C. |

- I. **Sharing and Participate in the writing of the following books to the first year students of the Faculty of Medicine**

- | | |
|--|----|
| Foundation of Medical Microbiology & Immunology | A. |
| Practical Microbiology and immunology | B. |
| Log. Book | C. |
| D. Modules of blood & lymphatics and Musculoskeletal | |

Postgraduates activities:

1. Coordinating and conducting **Medical Microbiology (Bacteriology, Virology, and Mycology and Immunology)** lectures, tutorials, and practical sections for **M.D, M.Sc & diploma postgraduates (Academic and Clinical)**.
2. **Supervision** of some **M.D and M.Sc thesis** in Medical Microbiology and Immunology field.
3. **Sharing and Participate in the writing of Medical Microbiology & Immunology (volume 1 and 2) books** for postgraduates students

List of M.Sc. and M.D. Thesis supervised by me:

A-) M.D. Thesis:

1. **Comparison between Different Methods of *H pylori* Detection in Gastric Biopsy with Determination of Some Virulence Genes**
 - Submitted for fulfillment of the MD degree in Medical Microbiology and Immunology.
 - Presented by Asmaa Shabaan

2. **Role of Some Cancer Stem Cell Markers in Hepatitis C Virus-Associated Liver Disease**
 - Submitted for fulfillment of the MD degree in Medical Microbiology and Immunology.
 - Presented by: Hala Ahmed El Refai Khalil
3. **Phenotypic and Molecular Characterization of Clinical and Environmental *Acinetobacter* spp. Isolated from Menoufia University Hospitals**
 - Submitted for fulfillment of the MD degree in Medical Microbiology and Immunology.
 - **Presented By: Soma ElsayedDarwishAjlan**
4. **Study on the role of tumor necrosis factor related apoptosis induced ligand (TRAIL) in Systemic lupus erythromatosus patients.**
 - Submitted for partial fulfillment of the MD degree in Medical Microbiology and Immunology.
 - Presented by Elham Abdel Salam Mohamed Negm
5. **The role of circulating CD4⁺CD25⁺ FOXP-3⁺regulatory T cells and FOXP-3rs3761548gene polymorphism in occurrence of allograft rejection in liver transplant patients.**
 - Submitted for partial fulfillment of the MD degree in Medical Microbiology and Immunology.
 - Presented by RadwaHussienAbd El sattar Salem

B-) M.Sc. Thesis:

- 1- **Seroprevalence of human parvovirus B19 IgG in children with hematological disorders and healthy children**
 - Submitted for Fulfillment of Master Degree in Microbiology and Immunology
 - **Presented by:** SehamAnwr El ShorbagyEissa (M.B.B.Ch)
- 2- ***Klebsiella Pneumoniae*in Patients with Acute Exacerbation of Chronic Obstructive Pulmonary Disease in Menoufia University Hospitals**
 - Submitted for Fulfillment of Master Degree in Microbiology and Immunology
 - **Presented by:** Hager BelalGalalKhallaf
- 3- **Multidrug- Resistant Gram Negative Organisms in Ventilator- associated Pneumonia and Antibiotic Synergy Profile for *Pseudomonas aeruginosa***
 - Submitted for fulfillment of the Master degree in Medical Microbiology and Immunology
 - **Presented By:**Shimaa Mohammed Elshorbagy
- 4- **Evaluation of Serum Interleukin 18 and Vascular Endothelial Growth Factor levels in Diabetic and Hepatic Patients with Hemodialysis**

- Submitted for fulfillment of M.Sc. degree in Medical Microbiology and Immunology
- Presented By: Sara Ibrahim Mostafa El Shohady

5- Evaluation of Midkine and Golgi protein 73 as diagnostic biomarkers in patients with hepatocellular carcinoma.

- Submitted for Fulfillment of M.Sc. Degree in Microbiology and Immunology
- **Presented by:**Ebtehal Mohamed El-Sayed Galbt (M.B.B.Ch)

6- FimH adhesion among Enterobacter spp isolates and its relation to biofilm formation and antimicrobial resistance pattern.

- Submitted for Fulfillment of M.Sc. Degree in Microbiology and Immunology
- **Presented by:**Elham Ayman HossamEldeen (M.B.B.Ch)

7. Study of toll-like receptor 7 expression in patients with chronic hepatitis C Infection

- Submitted for Fulfillment of M.Sc. Degree in Microbiology and Immunology
- **Presented by:** Asmaa Eid Mahmoud Mohammed

8. Activity of Fosfomycin against Extended-Spectrum-Beta-Lactamase Produced by Enterobacteriaceae isolates from Menoufia University Hospitals

- Submitted for Fulfillment of M.Sc. Degree in Microbiology and Immunology
- **Presented by:***Mostafa Mahmoud AmeinSharweed.* Faculty of Science – Microbiology Department

Menoufia University

9. Rate of Carriage of *Streptococcus agalactiae* among Pregnant Women and Role of Some Virulence Genes

- Submitted for Fulfillment of M.Sc. Degree in Microbiology and Immunology
- **Presented by:**Sara Gamal Hegazy

10. Value of Triggering Receptor Expressed on Myeloid Cells-1(TREM-1) as a Marker in Neonatal Sepsis

- Submitted for fulfillment of M.Sc. degree in Medical Microbiology and Immunology
- Presented by Al-Shimaa El-Sayed Youssef

List of M.Sc. and M.D. Thesis discussed by me:

A-) M.Sc. Thesis:

1. **Vaginal Colonization by *Escherichia coli* in Pregnant Women at King Abdulaziz University Hospital, Jeddah, Saudi Arabia.** Presented by **Taghreed Yasir Saleh Jamal**. A thesis submitted for partial fulfillment of Master Degree in Medical Microbiology Department of Medical Microbiology and Parasitology Faculty of Medicine King Abdulaziz University, Jeddah, Saudi Arabia 1436 H – 2015G
2. **Study of bacteremia in diabetic patients.** Presented by **Eman Helmy El-Batanony**. A thesis submitted for fulfillment of Master Degree in Medical Microbiology Department of Medical Microbiology and Immunology. Faculty of Medicine Menoufia University - 2015
3. **Role of Interleukin-33 in Rheumatoid Arthritis patients from Menoufia University Hospitals.** Presented by **Alaa Fouad Abdel-Atty Gomah**. A thesis submitted for fulfillment of Master Degree in Medical Microbiology Department of Medical Microbiology and Immunology. Faculty of Medicine Menoufia University - 2016
4. **Study of interleukin-18 during Antiviral Therapy of Hepatitis C patients with sofosbuvir, ribavirin and interferon in Menoufia Hospitals** Presented by **Asmaa Tawfik**. A thesis submitted for fulfillment of Master Degree in Medical Microbiology Department of Medical Microbiology and Immunology. Faculty of Medicine Menoufia University - 2017
5. **Evaluation of antibiofilm efficacy of silver nanoparticles clinically isolated methicillin resistant *Staphylococci*.** Presented by **Dina Shafeek Shokry Abo Shahba**. A thesis submitted for fulfillment of Master Degree in Medical Microbiology Department of Medical Microbiology and Immunology. Faculty of Medicine Tanta University – 2017
6. **Percentage of CD4+ and CD8+ cells in venous blood of *Helicobacter pylori* chronic ulcerative gastritis patients before and after eradication of infection.** Presented by **Dareen Mohamed Ramadan**. A thesis submitted for fulfillment of Master Degree in Medical Microbiology Department of Medical Microbiology and Immunology. Faculty of Medicine Tanta University – 2017
7. **Evaluation of CD27 expression on antigen-specific CD4+T cells as an immunological marker for diagnosis of active tuberculosis and monitoring *Mycobacterium tuberculosis* activity** Presented by **Mona Abd El-Aziz Elsayed Gadalla**. A thesis submitted for fulfillment of Master Degree in Medical Microbiology Department of Medical Microbiology and Immunology. Faculty of Medicine Tanta University – 2017
8. **Diagnostic and Prognostic Value of Procalcitonin Level as a Biochemical Marker in Differentiation between Patients with Septic and Aseptic Meningitis** Presented by **Amany Ahmed Fouad Mohamed Abd Allah**. A thesis submitted for fulfillment of Master Degree in Medical Microbiology Department

of Medical Microbiology and Immunology.Faculty of MedicineMenoufia University – 2018

9. **FimH adhesion among Enterobacter spp isolates and its relation to biofilm formation and antimicrobial resistance pattern.**Presented by:Elham Ayman HossamEldeenA thesis submitted for fulfillment of Master Degreein Medical MicrobiologyDepartment of Medical Microbiology and Immunology.Faculty of MedicineMenoufia University – 2019
10. **Phenotypic and Molecular Characterization of Aminoglycoside Resistance in Clinical *Escherichia coli* Isolates from Patients at Menoufia University Hospitals**Presented Shymaa Salah Abd-Aziz AlkadyA thesis submitted for fulfillment of Master Degreein Medical MicrobiologyDepartment of Medical Microbiology and Immunology.Faculty of MedicineMenoufia University – 2019

B-) M.D. Thesis:

1. **Phenotypic and Molecular Characterization of Clinical and Environmental *Acinetobacter spp.* Isolated from Menoufia University Hospitals.** Presented By: **Soma ElsayedDarwishAjlal.** A thesis Submitted for fulfillment of the MD degree in Medical Microbiology and Immunology. Department of Medical Microbiology and Immunology.Faculty of Medicine. Menoufia University – 2017
2. **MOLECULAR INVESTIGATION OF QUINOLONES ANTIBIOTIC INCONCERT WITH ANTIOXIDANT COMPOUNDS AS ANOVEL THERAPEUTICAL STRATEGY .**Presented By: **SaadiyaAbd El-Razek Ibrahim El-Nahas.**Thesis Submitted for Fulfillment of the Requirements for the Degree of Ph.D in Genetic Engineering and BiotechnologyMolecular Microbiology. Department of Molecular Biology. Genetic Engineering and Biotechnology Research Institute Sadat City. **2017**
3. **Study on the role of tumor necrosis factor related apoptosis induced ligand (TRAIL) in Systemic lupus erythromatosus patients. .**Presented By: Elham Abdel Salam Mohamed NegmA thesis Submitted for fulfillment of the MD degree in Medical Microbiology and Immunology. Department of Medical Microbiology and Immunology. Faculty of Medicine. Menoufia University – **2018**

List of Attended Conferences:

| ملاحظات | التاريخ | العنوان | الجهة | |
|------------------------------------|--------------|--|--|---|
| Attended and actively participated | 8-9 May 2014 | 21 st Annual conference of Faculty of Medicine, Menoufia University | Faculty of Medicine, Menoufia University, Egypt. | 1 |

| | | | | |
|---|-----------------------------------|---|---|----------|
| | | "Nosocomial Infections" | | |
| Attended and actively participated | 28 – 29 April, 2015 | 22nd International Congress of Faculty of Medicine - Menoufia University "What is beyond the accreditation?" | Faculty of Medicine, Menoufia University, Egypt. | 2 |
| Attended | 1-4 March 2016 | The 31st Annual Congress of the Faculty of Medicine Tanta University | Faculty of Medicine Tanta University | 3 |
| Attended | 12 – 16 April 2016 | The 23rd Annual Congress of the Faculty of Medicine, Menoufia University, "Stem Cell & Organ Transplantation" | Faculty of Medicine, Menoufia University, Egypt. | 4 |
| Attended | 16th April 2016 | The 22nd Conference of the Egyptian Society for Medical Microbiology (ESMM Clinical Microbiology and Infections | Egyptian Society for Medical Microbiology (ESMM) | 5 |
| Attended and Active Participated | 2-9-16/1/ 2017 | Evaluation and assessment of Examination. Faculty of Medicine, Menoufia University | Medical Education and Human Resorses Development | 6 |
| Attended | 15 – 18 March 2017 | 4th Annual Congress of the 2nd Faculty of Medicine, Menoufia University, Egypt. "Fight gainst Cancer" | Faculty of Medicine, Menoufia University, Egypt. | 7 |
| Attended and actively participated | July, 2017 | "Problem based learning (PBL)" | Medical Education & Human Resources Development Center, Faculty of Medicine, Menoufia University | 8 |

| | | | | |
|---|------------------------------|---|--|----|
| Attended and actively participated | August 2017 | Essential teaching skills in medical education | Medical Education & Human Resources Development Center, Faculty of Medicine, Menoufia University | 9 |
| Attended and actively participated as Chairperson | October 27-30, 2017 | The 25 th international conference of the Egyptian society for infection control Educate, Support, Implement and Commit | Egyptian society for infection control | |
| Attended and actively participated | , 29 October 2017 | Safe surgery: A Journey from Clinic to Home | Egyptian society for infection control | |
| Attended and actively participated as Chairperson | Aug. 11th - 12th , 2018 | Pharmaceutical Sciences conference { Drug Development : From benchside to bedside} | Faculty of Pharmacy, Menoufia University, Egypt. | 13 |
| Attended and actively participated | November. 19th - 12th , 2018 | he 26th international conference of the Egyptian society for infection control {Let's Partner to prevent infections} | Egyptian society for infection control | 14 |

| عدد الساعات | تاريخ الانتهاء | تاريخ البداية | اسم البرنامج | م |
|-------------|----------------|---------------|--|---|
| 15 | 2015/8/10 | 2015/8/9 | تنظيم المؤتمرات العلمية | 1 |
| 15 | 2016/8/19 | 2016/8/18 | ادارة الفريق البحثي | 2 |
| 15 | 2017/3/6 | 2017/3/5 | مشروعات البحوث التنافسية المحلية والعالمية | 3 |
| 15 | 2017/5/3 | 2017/5/2 | الجامعة والمجتمع | 4 |
| 15 | 2017/4/19 | 2017/4/18 | اتخاذ القرارات وحل المشكلات | 5 |
| 15 | 2017/4/24 | 2017/4/23 | استخدام قواعد البيانات العالمية | 6 |

Professional experience:

- **Working** in clinical Microbiology laboratory.
- **Working** in infection control unit in Menoufia University Hospitals.
- **Working** in Clinical Pathology laboratories.

Memberships:

- The Egyptian Syndicate of Medicine.
- The Egyptian Society of Medical Microbiology (ESMM)
- Infection Control Committee of Menoufia University Hospitals, Egypt.

Courses and Certificates:

1-Computer skills (IT – Windows - Word – Excel – Access - PowerPoint - Internet) at Center for Information Systems and Technology of Menoufia University, Egypt.

2-Effective Communication Skills course at Institute of skills Development to Menoufia University teaching members, Menoufia University, Egypt.

3-Student evaluation and Examination techniques course at Institute of skills development to Menoufia University teaching members Menoufia University, Egypt.

4- Effective Presentation Skills course at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt.

5- Quality standards in teaching course at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt.

6- International Publishing of Research course at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt.

7- Conference Organization course at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt.

Curriculum vitae

Personal information:

Name: Asmaa Mohammed Mohammed Elbrolosy.

Date of Birth: 25-1-1982.

Place of birth: Elbagour town, Menoufia Governorate, Egypt.

Gender: female.

Religion: Muslim.

Nationality: Egyptian.

Address: Marina Str, Elbagour town, Menoufia Governorate Egypt.

Telephone: Home: (Egypt): +0483885213-0483887216.

Mobile: (Egypt) +01061316055- 01090497229.

Marital status: Married.

Permanent Address:

Department of Medical Microbiology and Immunology
Faculty of medicine -Menoufia University- Shepin El-Kom – Egypt.

E-mail: asmaaelbrolosy@yahoo.com

Languages:

Arabic: Mother tongue.

English: Excellent.

Education and Qualifications:

- **November 2004: M,B,B,CH. degree** in medicine from Faculty of Medicine, Menoufia University, Egypt.
- **March 2005 - February 2006: Houseman ship rotation** in Menoufia University Hospitals including Medicine, Pediatrics, Obs.& Gynae., Surgery, Anesthesia, Emergency and Dermatology.
- **April 2006 – September 2006: General Practitioner** in Elbagour Hospital in Menoufia Governorate.
- **September 2006 – October 2009: Demonstrator** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.
- **October 2009: Master degree** in Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.
- **March 2010 – December 2014: Assistant Lecturer** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt, conducting Medical Microbiology and Immunology tutorials, and practical sections for undergraduates.
- **January 2015: Medical doctorate (M.D) degree** in Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.
- **January 2015 till now: Lecturer** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt, conducting Medical Microbiology and Immunology Lectures and tutorials for undergraduates and postgraduates.

Grades and Year:

Graduation Year: 2004.

Graduation Grade: Excellent with honors.

Master degree Year: 2009.

Master degree Grade: very good.

Medical doctorate (M.D) degree: 2015.

Current Degree:

Medical doctorate (M.D) degree of Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.

Master Degree Thesis Title (2009)

Bacterial Biofilm as a cause of Persistent Infection in Chronic Rhinosinusitis Patients at Menoufia University Hospitals

M.D. Degree Thesis Title (2015)

Detection of *Klebsiella pneumoniae* Carbapenemase and Metallo- β -lactamases among Clinical Isolates of *Klebsiella pneumoniae* and *Pseudomonas aeruginosa* from Hospitalized Patients at Menoufia University Hospitals

List of Publications:

Nahla A. Melake MD*, Ahmed B. Mahmoud MD*, Nahed A. Elraghy MD*, Azza Z. Labib MD*, Dina M. Hassan MD** and Asmaa M. Elbrolosy (2015): Detection of *Klebsiella pneumoniae* carbapenemases and Metallo β -lactamases among *Klebsiella pneumoniae* isolates from hospitalized patients at Menoufia University Hospitals, Egypt. *Menoufia medical journal* (accepted).

Current Job:

Lecturer of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.

Undergraduates activities:

Coordinating and conducting **Medical Microbiology (Bacteriology, Virology, Mycology and Immunology)** lectures, tutorials, and practical sections for **undergraduates** of :

- 1- **Faculty of Medicine**, Menoufia University, Egypt.
- 2- **Faculty of Nursing**, Menoufia University, Egypt.
- 3- **Faculty of Applied Health Sciences**, Menoufia University, Egypt.

Postgraduates activities:

- Coordinating and conducting **Medical Microbiology (Bacteriology, Virology, and Mycology and Immunology)** lectures, tutorials, and practical sections for **M.D, M.Sc & diploma postgraduates (Academic and Clinical)**.
- **Supervision** of some **M.D and M.Sc thesis** in Medical Microbiology and Immunology field.

List of M.Sc. and M.D. Thesis supervised by me:

A-) M.D. Thesis:

1- Medical Immunology & Genetics

Title: Evaluation of the role of tumor necrosis factor related apoptosis induced ligand (TRAIL) receptor and mRNA in patients with systemic lupus erythromatosus

Presented by: Elham Abdel Salam Negm for fulfillment of the MD degree in Medical Microbiology and Immunology.

B-) M.Sc. Thesis:

1-Medical Bacteriology

Title: Multidrug- Resistant Gram Negative Organisms in Ventilator-associated Pneumonia and Antibiotic Synergy Profile for *Pseudomonas aeruginosa*

Presented by Shimaa Mohammed Elshorbagy for fulfillment of the Master Degree in Medical Microbiology and Immunology.

List of Attended Conferences:

- 1- **Title: Antimicrobial Resistance: A Growing Health Issue (2015)**
21st Conference of the Egyptian Society for Medical Microbiology (ESMM).
- 2- **Title: What is beyond the accreditation? (2015)**

22nd International Congress of Faculty of Medicine - Menoufia University.

3- **Title: The^{9th} Annual seminar on infective Endocarditis**
Cardiovascular Department Cairo University.

Professional experience:

- **Working** in clinical Microbiology laboratory.
- **Working** in infection control unit in Menoufia University Hospitals.
- **Working** in Clinical Pathology laboratories.

Memberships:

- The Egyptian Syndicate of Medicine.
- The Egyptian Society of Medical Microbiology (ESMM)
- Infection Control Committee of Menoufia University Hospitals, Egypt.

Courses and Certificates:

1- Computer skills (IT – Windows - Word – Excel – Access - PowerPoint - Internet) at Center for Information Systems and Technology of Menoufia University, Egypt.

Master Degree Thesis Title (2012)

Prevalence and antibiotic sensitivity pattern of *Pseudomonas aeruginosa* isolated from different inpatient units of Menoufia University Hospitals

M.D. Degree Thesis Title (2016)

**Respiratory Syncytial Virus infection in young children attending
Pediatric Department of Menoufia University Hospital**

List of Publications

1-Prevalence and antibiotic sensitivity pattern of *Pseudomonas aeruginosa* isolated from different inpatient units of Menoufia University
Hospitals

Ahmed B MahmoudMD*, Wafaa A. Zahran MD*, Ghada R. El-Hendawy MD*,Azza L Zagloul ,RashaG.Mostafa, M. B., B. ch***

2- Respiratory syncytial virus infection in young children attending
Pediatric Department of MenoufiaUniversity Hospital (2016)

Wafaa A. Zahran MD*, Amal F.Makled MD*, Ahmed A. Salama MD*, Ghada R. El-Hendawy MD*,Hassan S. Bader MDRashaG.Mostafa, M. B., B. ch* (Accepted)**

3- Phenotypic and Molecular Characterization of AminoglycosiResistance
inClinical *Escherichia coli* Isolates from PatientsMenoufia University
Hospitals:

Mabrouk M GhonaimMD*, Rasha G MostafaMD*, Shymaa S AlkadyM. B., B. ch *.Egyptian Journal of Medical Microbiology2019, 28 (3).

Current Job:

Lecturer of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.

Undergraduates activities:

- Coordinating and conducting **Medical Microbiology (Bacteriology, Virology, Mycology and Immunology)** lectures, tutorials, and practical sections for **undergraduates** of:

1- **Faculty of Medicine**, Menoufia University, Egypt.

2- **Faculty of Nursing**, Menoufia University, Egypt.

3- **Faculty of Applied Health Sciences**, Menoufia University, Egypt.

- **Attendance of Assessment Development courses. 4,10&17 October 2017** by Prof. Gehan Salah, Head of assessment Development Committee . Faculty of medicine, Menoufia university and medical education& human resourses development (MEHRD)

- **Attendance of the training program of USMLE ORIENTATION COURSE , 13 September 2018**, Faculty of medicine, Menoufia university and medical education& human resourses development (MEHRD)

Postgraduates activities:

- working in Control of postgraduate(master degree, second part) for two seasons.**

- Coordinating and conducting **Medical Microbiology(Bacteriology, Virology, and Mycology and Immunology)** lectures,tutorials, and practical sections for **M.D, M.Sc&diplomapostgraduates (Academic and Clinical).**

- **Supervision** of some **M.D and M.Sc thesis** in Medical Microbiology and Immunology field.

List of M.Sc. and M.D. Thesis supervised by me:

M.Sc. Thesis:

1-Medical Bacteriology

a) Title: Phenotypic and Molecular Characterization of Aminoglycoside Resistance in Clinical *Escherichia coli* Isolates from Patients at Menoufia University Hospitals

Presented by Shymaa Salah Abd Al-Aziz Alkady for fulfillment of the Master Degree in Medical Microbiology and Immunology.

b) Title: *Streptococcus agalactiae* among Pregnant women: carriage, antimicrobial susceptibility, and role of some virulence related genes.

Presented by Sara Gamal Hegazy for fulfillment of the Master Degree in Medical Microbiology and Immunology

2- Pediatric medicine

a) Title: Prevalence of nosocomial infections in Neonatal Intensive Care Unit at Menoufiya University Hospital

Presented by Doaa Mohamed Ibrahim El-Ganady for partial fulfillment of Master degree in Pediatrics

M.D Thesis:

1-Medical Bacteriology

a) Title: Characterization of Virulence Genetic Profile and Resistance Phenotypes of Clinical *Klebsiella Pneumoniae* Isolates from Menoufia University Hospitals

Presented by Esraa Elsayed Abd El-Maksoud Elmahdy for partial fulfillment of the MD degree in Medical Microbiology and Immunology

List of Attended Conferences:

1- **Title:** Antimicrobial Resistance: A Growing Health Issue (2015): 21st Conference of the Egyptian Society for Medical Microbiology (ESMM).

2- **Title:** What is beyond the accreditation? (2015): 22nd International Congress of Faculty of Medicine - Menoufia University.

3- **Title:** The 9th Annual seminar on infective Endocarditis: Cardiovascular Department Cairo University.

4- **Title:Art of Antibiotic usage :(2016):** The first annual clinical pathology conference.

5-**Title: stem cell and organ transplantation:(2016): 23rd**International Congress of Faculty of Medicine - Menoufia University.

6-**Title:The 31^{9th} International Congress "Multidisciplinary Medicine Era III. New Horizons" (2016).**Faculty of Medicine – Tanta University, EGYPT.

7- **Title: Fight against cancer? (2017): 24th** annual conference of Faculty of Medicine - Menoufia University.

8- **Title: Infection Control ; Reality andVision (2018): 5th**annual Meeting of Shebin El Koum Teaching Hospital,

9- **Title:The workshop of clinical pathology Department on Aphresis in clinical illness, Faculty of medicine Menoufia University, Egypt, July 2018**

Professional experience:

- **Working** in clinical Microbiology laboratory.
- **Working** in infection control unit in Menoufia University Hospitals.
- **Working** in Clinical Pathology laboratories.

Memberships:

- The Egyptian Syndicate of Medicine.
- The Egyptian Society of Medical Microbiology (ESMM)
- Infection Control Committee of Menoufia University Hospitals, Egypt.

Courses and Certificates:

1-Computer skills (IT – Windows - Word – Excel – Access - PowerPoint - Internet) at Center for Information Systems andTechnology of Menoufia University, Egypt.

2-Effective Communication Skills course at Institute of skillsdevelopment to Menoufia University teaching members, Menoufia University, Egypt.

- 3- **Student evaluation and Examination techniques** course at Institute of skills development to Menoufia University teaching members
Menoufia University, Egypt.
- 4- **Effective Presentation Skills** course at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt.
- 5- **Quality standards in teaching** course at Institute of skills development to Menoufia University teaching members,
Menoufia University, Egypt.
- 6- **International Publishing of Research** course at Institute of skills development to Menoufia University teaching members,
Menoufia University, Egypt.
- 7- **Conference Organization** course at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt.
- 8- **The university and the community:** course at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt.
- 9- **Thinking skills:** course at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt.
- 10- **Problem based learning (PBL):** Medical Education & Human Resources Development Center, Faculty of Medicine, Menoufia University
- 11- **Essential teaching skills in medical education:-** Medical Education & Human Resources Development Center, Faculty of Medicine, Menoufia University
- 12- **Assessment development course in medical education:-** Medical Education & Human Resources Development Center, Faculty of Medicine, Menoufia University.
- 13- **Advanced level of Assessment development course in medical education:-** Medical Education & Human Resources Development Center, Faculty of Medicine, Menoufia University.

Curriculum vitae
Personal information:

Name: EmanHosney Mohammed Salem.

Date of Birth:6-2-1982.

Place of birth: Menouftown, Menoufia Governorate, Egypt.

Gender: female.

Religion: Muslim.

Nationality: Egyptian.

Address:Osman EbnAffanStr, Menouftown, Menoufia Governorate
Egypt.

Telephone: Home: (Egypt): +0483676374-0483670099.

Mobile: (Egypt) +01099682112- 01114703015.

Marital status: Married.

Permanent Address:

Department of Medical Microbiology and Immunology
Faculty of medicine -Menoufia University- Shepin El-Kom– Egypt.

E-mail:emansalem453@yahoo.com

Languages:

Arabic: Mother tongue.

English: Excellent.

Education and Qualifications:

- **November 2004: M,B,B,CH. degree** in medicine from Faculty of Medicine, Menoufia University, Egypt.
- **March 2005 - February 2006: Houseman ship rotation** in Menoufia University Hospitals including Medicine, Pediatrics, Obs.&Gynae. ,Surgery,Anesthesia,Emergency and Dermatology.
- **April 2006 – September 2006: General Practitioner** in Menouf Hospital in Menoufia Governorate.
- **September 2006 – October 2009: Demonstrator** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.
- **October 2009: Master degree** in Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.
- **March 2010 – December 2014: Assistant Lecturer** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt, conducting Medical Microbiology and Immunology tutorials, and practical sections for undergraduates.
- **January 2015: Medical doctorate (M.D) degree** in Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.
- **January 2015 till now: Lecturer** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt, conducting Medical Microbiology and Immunology Lectures and tutorials for undergraduates, postgraduates and integrated students.

Grades and Year:

Graduation Year: 2004.

Graduation Grade: Excellent with honors.

Master degree Year: 2009.

Master degree Grade: very good.

Medical doctorate (M.D) degree: 2015.

Current Degree:

Medical doctorate (M.D) degree of Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.

Master Degree Thesis Title (2009)

Prevalence of antibacterial drug resistant Enterococci causing nosocomial infections in Menoufia University Hospitals

M.D. Degree Thesis Title (2015)

Phenotypic and molecular characterization of *Staphylococcus aureus* and coagulase negative staphylococci isolates from Menoufia University Hospitals

List of Publications:

Nahla A. Melake, Ahmed B. Mahmoud, Naira A. Eissa, Ghada R. Hendawy, Azza Z. Labib, Eman H. Salem (2015): **Detection of intercellular adhesion (*icaA* and *icaD*) operon in *Staphylococcus aureus* and Coagulase Negative Staphylococci and its role in biofilm production , Egypt. Menoufia medical journal (accepted).**

Amal F. Makled, Eman H. Salem and Asmaa M. Elbrolosy (2017): **Biofilm Formation and Antimicrobial Resistance Pattern of Uropathogenic *E. coli*: Comparison of Phenotypic and Molecular Methods (accepted).**

Amal F. Makled, Asmaa M. Elbrolosy, Eman H. Salem, and Elham T. Awad: (2017) **Prevalence of Carbapenem-Resistance among Extended Spectrum Beta Lactamase-Producing *E. coli* at Menoufia University Hospitals: Comparison of Phenotypic and Molecular Characterization Methods**

Amal F. Makled, Eman H. Salem and Mahmoud Mohamed Emara (2017): **IL18 and vascular endothelial growth factor as a predictor of end stage renal disease (accepted).**

Current Job:

Lecturer of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt and one of the infection control team in Menoufia University Hospitals.

Undergraduates activities:

Coordinating and conducting **Medical Microbiology (Bacteriology, Virology, Mycology and Immunology)** lectures, tutorials, and practical sections for **undergraduates** of:

- 1- **Faculty of Medicine**, Menoufia University, Egypt.
- 2- **Faculty of Nursing**, Menoufia University, Egypt.
- 3- **Faculty of Applied Health Sciences**, Menoufia University, Egypt.

Postgraduates activities:

- working in **Control of postgraduate(master degree, second part) for two seasons.**
- Coordinating and conducting **Medical Microbiology(Bacteriology, Virology, and Mycology and Immunology)**lectures,tutorials, and practical sections for **M.D, M.Sc & diplomapostgraduates (Academic and Clinical).**
- **Supervision** of some **M.D and M.Sc thesis** in **MedicalMicrobiology and Immunology** field.

List of M.Sc. and M.D. Thesis supervised by me:

A-) M.D. Thesis:

1- Medical Bcteriology

Title:phenotypic and molecular characterization of clinical and environmental *Acinetobacter* isolates from menoufia university hospitals

Presented by:Soma ElsayedDarwishAglanfor fulfillment of the MD degree in Medical Microbiology and Immunology.

B-) M.Sc. Thesis:

1-Medical Bacteriology

a) Title:Evaluation of Serum IL18 and VEGF in Patients with Hemodialysis

Presented by:Sara Ibrahim Mostafa El Shohadyfor fulfillment of the Master Degree in Medical Microbiology and Immunology.

b)Title: screening of bacterial vaginosis before and after intrauterine device insertion

Presented by AsmaaNabawyBastawsyHasanfor fulfillment of the Master Degree in Obstetrics and Gynecology

c)Title:siderophore as a virulence factor on enterobacter ; hospital and community acquired infection

Presented by Sandy Salah El Sawy for fulfillment of the Master Degree in Medical Microbiology and Immunology.

List of Attended Conferences:

- 1- **Title: Antimicrobial Resistance: A Growing Health Issue (2015):** 21st Conference of the Egyptian Society for Medical Microbiology (ESMM).
- 2- **Title: What is beyond the accreditation? (2015):** 22nd International Congress of Faculty of Medicine - Menoufia University.

- **Professor** of Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University. **From January 2004 till now.**
- **Head of Medical Microbiology and Immunology department**, Faculty of Medicine, Menoufia University. **From September 2004 to September 2007**

Current Degree:

Medical doctorate (M.D) degree of Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University,

Egypt. **Master Degree Thesis Title (1984)**

Bacteriological study on acute bacterial tonsillitis in Gharbia Governorate

M.D. Degree Thesis Title (1992)

Etiology of infantile diarrhea in Menoufia Governorate with special reference to Rota virus

Current Job:

Professor of Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University.

Undergraduates activities:

Coordinating, conducting **Medical Microbiology** (**Bacteriology, Virology and Mycology**) and **Immunology** lectures and practical sections, putting exam questions, sharing in written exam correction and in oral examinations for **undergraduates** of

- **Faculty of Medicine**, Menoufia University, Egypt.

Postgraduate activities:

- Coordinating, conducting **Medical Microbiology**(**Bacteriology, Virology, Mycology**) and **Immunology** lectures and practical sections, putting exam questions, sharing in written exam correction and in oral examinations for **M.D, M.Sc & diploma postgraduates** (**Academic and Clinical**).
- **Supervision** of some **M.D and M.Sc thesis** in **Medical Microbiology and Immunology** field.

List of Recent Attended Conferences (From 2013 till now)

- 1- Title:** Quality of Health Services in University Hospitals (2013)
20th scientific annual conference of Menoufia Faculty of Medicine
- 2- Title:** Molecular Approaches to Medical Microbiology in Egypt (2013)
19th Conference of the Egyptian Society for Medical Microbiology (ESMM)
- 3-Title:** Health Care Infections: Microbial challenges in Different Environments (2014)
20th International Conference of the Egyptian Society for Medical Microbiology (ESMM)
- 4-Title:** Nosocomial Infections (2014)
21stscientific annual conference of Menoufia Faculty of Medicine
- 5- Title:** Antimicrobial Resistance: A Growing Health Issue (2015)
21stConference of the Egyptian Society for Medical Microbiology (ESMM)
- 6-Title:** What is beyond the accreditation? (2015)
22ndInternational Congress of Faculty of Medicine - Menoufia University

List of Recent M.Sc. and M.D. Thesis supervised by me (From 2013 till now)

(A)M.D. Thesis:

1- Title:Molecular and phenotypic characterization of hospital-associated and community-associated isolates of *Enterococcus* species.

Presented by:Eman Abd El- Nabi Elmasry (M.B.B.ch, M.Sc.)
Forfulfillment of the M.D. degree in Microbiologyand Immunology

2-Title: Distribution of Class 1 Integrons among Multi-Drug Resistant E.coli from Menoufia University Hospitals and Commensal E.coli Isolates

Presented by:Shymaa Abd El-Sattar Abd El-Aziz El-Askary (M.B.B.ch, M.Sc.) Forfulfillment of the M.D. degree in Microbiologyand Immunology

3-Title phenotypic and Molecular characterization of Staph aureus and coagulase negative staphylococci isolates From Menoufia University Hospitals

Presented by: Eman Hosny Salem(M.B.B.ch, M.Sc.) Forfulfillment of the M.D. degree in Microbiologyand Immunology

4- Title:Phenotypic and Molecular Characterization of Multidrug-Resistant Enterobacteriaceae Clinical Isolates from Intensive Care Units at Menoufia University Hospitals

Presented by:Sanaa Samir Mohamed Hamam(M.B.B.ch, M.Sc.)
Forfulfillment of the M.D. degree in Microbiologyand Immunology

5-Title:Phenotypic and Molecular Characterization ofClinical and Environmental *Acinetobacter* IsolatesFrom Menoufia University Hospitals

Presented by:Soma Elsayed Ajlan (M.B.B.ch, M.Sc.) Forfulfillment of the M.D. degree in Microbiologyand Immunology

(B) M.Sc. Thesis:

1- Title: prevalence of multidrug resistant bacteria isolated from burn patients in Menoufia University Hospitals

Presented by: Asmaa Shaaban Sleem (M.B.B.Ch) for fulfillment of M.Sc. Degree in Microbiology and Immunology

Memberships:

- The Egyptian Syndicate of Medicine.
- The Egyptian Society of Medical Microbiology (ESMM)

Education and Qualifications:

- **November 2010: M,B,B,ch.Degree** in medicine from Faculty of medicine, Menoufia University, Egypt.
- **March 2011 - February 2012: Housemanship rotation** in Menoufia University Hospitals including Medicine, Pediatrics, Obs.&Gynae. , Surgery, Anesthesia and Rheumatology.
- **April 2012 – August 2012: General Practitioner** in Ministry Health Hospitals in Menoufia Governorate.
- **August 2012 – April 2016: Demonstrator** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.
- **April 2016:Master degree** in Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.

Grades and Year:

Graduation Year: 2010

Graduation Grade: excellent with honors

Master degree Year: 2016

Master degree Grade: Excellent

Current Degree:

Master degree of Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.

Master Degree Thesis Title (2016)

Role of Serum Interleukin 33 In Patients With Chronic Hepatitis C In Menoufia University Hospitals.

Current Job:

Assistant Lecturer of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.

Undergraduates activities:

Coordinating and conducting Medical Microbiology (Bacteriology, Virology, Mycology) and Immunology lectures, tutorials, and practical sections for undergraduates of:

- Faculty of Medicine, Menoufia University, Egypt.

Postgraduates activities:

- Coordinating and conducting Medical Microbiology (Bacteriology, Virology, Mycology) and Immunology lectures, tutorials, and practical sections for **M.D, M.Sc& diploma postgraduates** (Academic and Clinical).

List of Attended Conferences:

- 1- **Title :** Role of stem cells in medical fields (2009)
16th scientific annual conference of Menoufia Faculty of Medicine
- 2- **Title :** Stem Cells & Organ Transplantation (2016)
23rd Annual conference of Faculty of Medicine - Menoufia University
- 3- **Title :** Clinical Microbiology and Infections (2016)
22nd Conference of the Egyptian Society for Medical Microbiology (ESMM)

4- Title : Fight Against Cancer (2017)

24th Annual conference of Faculty of Medicine - Menoufia University

Courses and Certificates:

- University teacher preparation program at Faculty of Education, Menoufia University, Egypt.
- Computer skills (IT – Windows - Word – Excel – Access -PowerPoint - Internet) at Center for Information Systems and Technology of Menoufia University, Egypt.
- Effective Communication Skills course at Institute of skills development to Menoufiauniversity teaching members, Menoufia University, Egypt.
- Student evaluation and Examination techniques course at Institute of skills development to Menoufiauniversity teaching members Menoufia University, Egypt.
- Effective Presentation Skills course at Institute of skills development to Menoufiauniversity teaching members, Menoufia University, Egypt.
- Quality standards in teaching course at Institute of skills development to Menoufiauniversity teaching members, Menoufia University, Egypt.
- International Publishing of Research course at Institute of skills development to Menoufiauniversity teaching members, Menoufia University, Egypt.
- Conference Organization course at Institute of skills development to Menoufiauniversity teaching members, Menoufia University, Egypt.
- Humans management in universities and institutions of higher education Course (Modern Human Resource Management) at Institute

of skills development to Menoufia university teaching members, Menoufia University, Egypt.

- Decision-making and problem-solving course at Institute of skills development to Menoufiauniversity teaching members, Menoufia University, Egypt.
- Strategic Planning course at Institute of skills development to Menoufiauniversity teaching members, Menoufia University, Egypt.
- Problem based learning (PBL) Course for under and postgraduates at Medical Education & Human Resources Development Center, Faculty of Medicine, Menoufia University, Egypt.
- Development of Assessment Methods (for Written , Oral, Clinical and Practical exams) for under and postgraduates at Medical Education & Human Resources Development Center, Faculty of Medicine, Menoufia University, Egypt.

Professional experience:

- Working in clinical Microbiology laboratory.
- Working in infection control unit in Menoufia University Hospitals
- Working in Clinical Pathology laboratories.

CURRICULUM VITAE

1-PERSONAL INFORMATION :

- Name: Aza zaghlol labeeb

- Date of Birth: 1 - 1 - 1973

- Sex: Female

- Citizenship: Egyptian

Moslem **-Religion:**

- Marital Status: Married

- Current Job: Assistant professor of Microbiology and
Immunology-
Faculty of Medicine – Menoufiya University –
Egypt

- Telephone Number: * Home: (002)22947810

* Mobile: 002-0106399899

* Fax: Faculty :(002) 048-2326810

- Address: * Home: 32 Amar Ibn Yasr street,
Heliopolies apartment (7) Cairo, Egypt.

*Work: Department of Microbiology and
Immunology,

Faculty of Medicine, Menoufiya University.

Shebin El Kom, Menoufiya, Egypt

* E-Mail: mhodmaghraby@yahoo.com

2-ACADMIC Qualifications:

| | | | |
|------------------------|---|------|---|
| M.B., B.Ch. | General Surgery And Internal Medicine | 1996 | Faculty of Medicine, Menoufiya University, Egypt |
| M.Sc. | Basic Medical Science (Microbiology and Immunology). | 2003 | Microbiology and Immunology Dept, Faculty of Medicine, Menoufiya University, Egypt |
| Ph.D. | Basic Medical Science (Microbiology and Immunology). | 2008 | Microbiology and Immunology Dept, Faculty of Medicine, Menoufiya University, Egypt |

The Title of the Master thesis:

Role of Interleukin 8 , complement C3 and C4 in diagnosis of
spontaneous bacterial peritonitis in patients with liver disease
-During clinical part of thesis , I had good experience in working on
ELISA technique.

The Title of the Ph.D thesis:

Evaluation of phenotypic and genotypic methods in staphylococcus
aureus typing
- During clinical part of thesis, I had good experience in working on PCR
technique and on PFGE

3-SCIENTIFIC TRAINING:

- Attending training program in preparing assistant lecturers & lecturers to teach, October (2001), Faculty of Education, Menoufiya University, Egypt.
- Attending Training program in Computer & Internet, 36 hours from 9-18 October (2001), Menoufiya University, Egypt
- Attending the Faculty & Leadership Development Project (FLDP) course. Six courses for promotion to lecturers in Micobiology, in FLDP centre in Menoufiya University
- Attending the Faculty & Leadership Development Project (FLDP) course. Six courses for promotion to assistant professor in Micobiology, in FLDP centre in Menoufiya University
- Attending the Faculty & Leadership Development Project (FLDP) course. Six courses for promotion to Professor in Micobiology, in FLDP centre in Menoufiya University
 - Essential teaching skills in medical education training course by Medical Education and Human Recourses Development Centre, Menoufia University
 - Assessment development course level A by Medical Education and Human Recourses Development Centre, Menoufia University
 - Assessment development course level C by Medical Education and Human Recourses Development Centre, Menoufia University
- Integrated teaching and curriculum by Medical Education and Human Recourses Development Centre, Menoufia University

4-LANGUAGE & COMPUTER EDUCATION:

- Arabic: Mother Tongue
- English: Fluent both spoken and written.
TOEFL (Test of English as a Foreign Language)

5-PROFESSIONAL AND TEACHING EXPERIENCE:

| | | |
|---|--------------------------|---|
| Demonstrator of Microbiology and Immunology | October 1999 –march 2003 | Faculty of Medicine- Menoufiya University. |
| Assistant Lecturer of Microbiology and Immunology | march 2003 - march 2008 | Faculty of Medicine Menoufiya University. |
| Lecturer of Microbiology and Immunology | march 2008 –March 2014 | Faculty of Medicine Menoufiya University. |
| Assistant professor of Microbiology and Immunology | 2014 till know | Faculty of Medicine Menoufiya University |

6-Teaching and Scientific Experiences :

1-Teaching and supervision of practical course of Microbiology and immunology for Undergraduate Medical Students (3rd year) .

Menoufiya university

2-Teaching lectures of General & Special Microbiology and Immunology Courses.

for Undergraduate Medical Students (3rd year) . Menoufiya university

3-Participate in teaching lectures of Microbiology and Immunology Courses.
to undergraduate students (1st year) ,Faculty of medicine, Menoufiya university.

4-Participate in teaching laboratory courses of Microbiology to postgraduate students, Faculty of medicine, Menoufiya university.

5-Participate in teaching lectures of special of Microbiology to postgraduate students, Faculty of medicine, Menoufiya university.

6- Participate in written and oral exams for undergraduate Medical Students (3rd year and first year) . Menoufiya university

7-coordinator of first year modules new integrated teaching program

8-Microbiology department Coordinator in Faculty of medicine Quality Unit

7-Research Experience:

- Supervising master students in Microbiology and immunology
- Supervising M.D students in Microbiology and immunology

8-Puplication

1-Early Diagnosis of Neonatal Sepsis: A Molecular Approach and Detection of Diagnostic Markers versus Conventional Blood Culture
International journal of microbiology research Vol. 4 (1): 77-85, 2013

2-Epidemiological and Microbiological Study of Infectious Bloody Diarrhea in Children: Molecular Identification of diarrheagenic *Escherichia coli*
New Egyptian journal of microbiology Vol.35, May, 2013, p.45-57
:

3-Prevalence of multidrug-resistant *Pseudomonas aeruginosa* in patients with nosocomial infections at a university hospital in Egypt , with special reference to typing methods
February, 2013, p.1-13 Journal of Virology & Microbiology Vol. 2013 ,

4-Molecular and phenotypic Characterization of Hospital and Community-Associated Isolates of *Enterococcus* Species
Menoufia Medical Journal (2013)

5-Antimicrobial susceptibility patterns and prevalence of extended β -lactamases -producing *Klebsiella* species in spectrum
Menoufia University Hospital
New Egyptian journal of microbiology Vol.33, September, 2012, p.93-100

6-Detection and significance of blood Neutrophil CD64 expression as a diagnostic marker in bacterial meningitis in children
(2),2012, p.35-40 The Egyptian journal of Immunology Vol.19

7-*Malassezia* species isolated from lesional and non-lesional skin in
Menoufia Medical **patients with pityriasis versicolor.**
Journal (MMJ) (2013)

8-Bacterial etiology of early onset and late onset sepsis in Menoufia University Hospital: Trends in antimicrobial susceptibility patterns
Egyptian J. of medical microbiology Vol. (22)1, 2013, p. 36-44

9-The Effect of Chlorhexidine versus Alcohol Povidone-Iodine on Infection among Critically Occurrence of Central Venous Catheter Ill Patients

9(9) Nature and science journal 2011;

10-Role of hidden infection in idiopathic epistaxis : Bacteriological study to re-evaluate management of idiopathic epistaxis in children.
p.22-30 Vol. (26) 1, 2010, Egypt. J. Otolaryngology

11-Comparative Study for Detection of Carbapenemase Producers among Non- Fermenting Gram Negative Uropathogens with Special Regards to Risk Factors and Fosfomycin Susceptibility
Journal of Clinical and Diagnostic Research, 2019, Feb.

12- New Delhi Metallo-Beta-Lactamase-Producing *Acinetobacter* Isolates among Late-Onset VAP Patients; Multidrug-Resistant Pathogen and Poor Outcomes
Infection and Drug Resistance 2019 –Feb.

13-Toll-Like Receptor 7 Single Nucleotide Polymorphism associated Hepatitis C Virus Infection, Correlation with HCV Outcome with Egyptian Journal of Medical Microbiology January 2019 Vol. 28 No.1 Page 95-101

**14- Validity of Combined Serodiagnostic assays, Galactomannan, Mannan antigens and Panfungal PCR in Diagnosis of invasive fungal infection
British Microbiology Research Journal.**

**15- Enterococcal Biofilm in Colonization and Disease , Correlation with Virulence Determinants and Vancomycin Resistance
Egyptian Journal of Medical Microbiology
October 2018 Vol. 27, No.4 Page 71-79**

**16- Detection of *Klebsiella pneumoniae* carbapenemases isolates from *Klebsiella pneumoniae* amon and metallo-b-lactamases Hospitals, Egypt hospitalized patients at Menoufia University
Menoufia Medical Journal 2016, 29:801–81**

**17- Detection of intercellular adhesion *icaAD* genes in *Staphylococcus aureus* and coagulase-negative staphylococci and their role in biofilm production
Menoufia Medical Journal 2016, 29:801–81**

**18- Relation Between *Helicobacter pylori* CagA gene Status and Antibiotic Resistance Pattern in Peptic Ulcer Patients.
Egyptian Journal of Medical Microbiology April 2019**

9-Memberships:

- Egyptian Society of Medical Microbiology.
- Egyptian Society of Infection Control.
- Head of infection control unit Menoufiya university hospital (till 2015)

10-Scientific meetings attended:

- 1- The 10th International Conference of the Egyptian Society of Medical Microbiology, Cairo 2002. (participation)
- 2-The Eleventh international Conference of the Egyptian Society of Medical Microbiology (ESMM),2003.
- 3 - The 17 th international conference of the Egyptian Society of Medical Microbiology in collaboration with Microbiology & Immunology Dept., Faculty of Medicine . Cairo University.2009
- 4- The 13 th annual conference of the Egyptian society of infection control titled "An Egyptian campaign for the appropriate use of antimicrobials" on 28 – 29 September, 2004.
- 5- The 9 th annual conference of Menofiya faculty of medicine 2002 (participation)
- 6- The 15 th annual conference of Menofiya faculty of medicine 2008
- 7- The 16th annual conference of Menofiya faculty of medicine 2009 (participation)
- 8-Cell culture training course Al-azhar university . faculty of medicine (2006)
- 9- The 20th Conference of the Egyptian Society for Medical Microbiology (ESMM)
Microbial challenges in different environment 27-28 February 2014
- 10-The 24th Conference of the Egyptian Society for Medical Microbiology (ESMM)
Nosocomial infections; The challenges of emerging infections31 March 2018
- 11-The 26th Annual Conference of the Egyptian Society for Infection Control
"Let's partner to prevent infections"17-19 November 2018
- 12-Flow cytometry Lab skills and clinical applications workshop17 July 2018

Curriculum Vitae

Personal information:

Name: Mona Salah El-SayedSabal

Date of Birth: 18/8/1988

Place of birth: Ashmoun town, Menoufia Governorate, Egypt

Gender: Female

Religion: Muslim

Nationality: Egyptian

Address : KafrZalabiaStr, Ashmoun town, Menoufia Governorate Egypt

Telephone: Home: (Egypt): +20483441064

Mobile: (Egypt) +201007608598

Marital status: Married

Permanent Address:Department of Medical Microbiology and Immunology, Faculty of medicine, Menoufia University,Egypt

National ID Number: 28808181700524

E-mail:mona.ahmed201585@yahoo.com

Languages:

Arabic: Mother tongue

English: Excellent

Education and Qualifications:

- **November 2011: M,B,B,ch.Degree** in medicine from Faculty of medicine, Menoufia University, Egypt.
- **March 2012 - February 2013: Housemanship rotation** in Menoufia University Hospitals including Medicine, Pediatrics, Obs.&Gynae. , Surgery, Anesthesia and Rheumatology.
- **April 2013 – September 2013: General Practitioner** in Ministry Health Hospitals in Menoufia Governorate.
- **September 2013 – June 2017 :Demonstrator** of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.
- **June 2017:Master degree** in Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.

Grades and Year:

Graduation Year: 2011

Graduation Grade: excellent with honors

Master degree Year:2017

Master degree Grade: Excellent

Current Degree:

Master degree ofMedical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.

Master Degree Thesis Title (2017)

Prevalence of Multidrug-resistant Bacteria Isolated from Surgical Site Infections at Menoufia University Hospital.

Current Job:

- **Assistant Lecturer of Medical Microbiology and Immunology** at Faculty of Medicine, Menoufia University, Egypt.
- Laboratory physician in infection control laboratory in Menoufia University Hospitals.
- Department coordinator for quality assurance Faculty of Medicine, Menoufia University.
-

Teaching experience

Undergraduates activities:

Coordinating and conducting Medical Microbiology (**Bacteriology, Virology, Mycology**) and Immunology lectures, tutorials, and practical sections forundergraduates of:

- **Faculty of Medicine, Menoufia University, Egypt.**

Postgraduates activities:

- Coordinating and conducting **Medical Microbiology**(Bacteriology, Virology, Mycology) and **Immunology** lectures, tutorials, and practical sections for **M.D, M.Sc& diploma postgraduates** (Academic and Clinical).

List of Attended Conferences:

- 1- **Title : Role of stem cells in medical fields (2009)**
16th scientific annual conference of Menoufia Faculty of Medicine
- 2- **Title : Stem Cells & Organ Transplantation (2016)**
23rd Annual conference of Faculty of Medicine - Menoufia University
- 3-**Title : Clinical Microbiology and Infections (2016)**
22ndConference of the Egyptian Society for Medical Microbiology (ESMM)
- 4- **Title : Fight Against Cancer (2017)**
24thAnnual conference of Faculty of Medicine - Menoufia University

Courses and Certificates:

- University teacher preparation program at Faculty of Education, Menoufia University, Egypt.
- Computer skills (IT – Windows - Word – Excel – Access -PowerPoint - Internet) at Center for Information Systems and Technology of Menoufia University, Egypt.
- Effective Communication Skills course at Institute of skills development to Menoufia university teaching members, Menoufia University, Egypt.

- Student evaluation and Examination techniques course at Institute of skills development to Menoufia university teaching members Menoufia University, Egypt.
- Effective Presentation Skills course at Institute of skills development to Menoufia university teaching members, Menoufia University, Egypt.
- Quality standards in teaching course at Institute of skills development to Menoufia university teaching members, Menoufia University, Egypt.
- International Publishing of Research course at Institute of skills development to Menoufia university teaching members, Menoufia University, Egypt.
- Conference Organization course at Institute of skills development to Menoufia university teaching members, Menoufia University, Egypt.
- Humans management in universities and institutions of higher education Course (Modern Human Resource Management) at Institute of skills development to Menoufia university teaching members, Menoufia University, Egypt.
- Decision-making and problem-solving course at Institute of skills development to Menoufia university teaching members, Menoufia University, Egypt.
- Strategic Planning course at Institute of skills development to Menoufia university teaching members, Menoufia University, Egypt.
- Problem based learning (PBL) Course for under and postgraduates at Medical Education & Human Resources Development Center, Faculty of Medicine, Menoufia University, Egypt.
- Development of Assessment Methods (for Written , Oral, Clinical and Practical exams) for under and postgraduates at Medical Education & Human Resources Development Center, Faculty of Medicine, Menoufia University, Egypt.

Skills

General skills

- Using new teaching methods depending on interaction
- Good experience in dealing with E-Learning
- Good experience in using effective power point
- Sticking to quality standards for achieving ILOs.
- Fluent in English(T-ELPP) course
- Good command in dealing with Microsoft Office, windows(IT – Windows - Word – Excel – Access -PowerPoint - Internet).
- Driving license

Practical skills

- Good knowledge about diagnosis of many hospital-acquired infections
- Good performance of different phenotypic tests
- Good experience in dealing with conventional and Real Time PCR instruments

Personal characters

- Work in groups
- Good communication skills
- Work under stress
- Leadership
- Scientific and creative thinking in solving problems

Memberships:

- The Egyptian Syndicate of Medicine.
- The Egyptian Society of Medical Microbiology (ESMM)

- Infection Control Committee of Menoufia University Hospitals, Egypt.

Education and Qualifications:

□ October 2007: M,B,B,ch. Degree in medicine from Faculty of medicine, Menoufia University, Egypt.

□ March 2008 - February 2009: Housemanship rotation in Menoufia University Hospitals including: Internal medicine, Pediatrics, Obs.& Gynae. , Surgery, Anesthesia, Cardiology, Emergency and Dermatology.

□ April 2009 – September 2009: General Practitioner in Ministry Health Hospitals in Menoufia Governorate.

2

□ October 2009– April 2013: Demonstrator of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.

□ March 2013: Master degree in Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.

□ May 2013- December 2017 : Assistant Lecturer of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt, conducting Medical Microbiology and Immunology tutorials, and practical sections for undergraduates.

□ October 2017: Medical doctorate (M.D) Degree in Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.

□ December 2017 till now : Lecturer of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt, conducting Medical Microbiology and Immunology Lectures and tutorials for undergraduates and postgraduates

□ Grades and Year:

Graduation Year: 2007

Graduation Grade: Excellent with honors

Master degree Year: 2013

Master degree Grade: Excellent

Medical doctorate (M.D) degree: 2017

Current Degree:

Medical doctorate (M.D) degree of Medical Microbiology and Immunology, Faculty of Medicine, Menoufia University, Egypt.

Master Thesis Title (2013)

Infection with aerobic and anaerobic bacteria in diabetic foot
3

Medical doctorate Degree Thesis Title (2017):

Phenotypic and molecular characterization of clinical and environmental *Acinetobacter* isolates from Menoufia university hospitals

Current Job:

Lecturer of Medical Microbiology and Immunology at Faculty of Medicine, Menoufia University, Egypt.

Undergraduates' activities:

Coordinating and conducting Medical Microbiology (Bacteriology, Virology, Mycology) and Immunology lectures, tutorials, and practical sections for undergraduates of Faculty of Medicine, Menoufia University, Egypt.

Postgraduates' activities :

Coordinating and conducting Medical Microbiology (Bacteriology, Virology, Mycology) and Immunology lectures, tutorials, and practical sections for M.D, M.Sc & diploma postgraduates (Academic and Clinical).

List of Publications:

1- Mahmoud B. Ahmed, Al-Mallah I. Said, Eissa A. Naira, Asif J. Fatani, Eed M. Emad, Ajlan E. Soma (2013): Infection in diabetic foot.

Menoufia medical journal 26:49–53

2- Ahmed M. Baker, Amal F. Makled, Eman H. Salem, Ahmed A. Salama and Soma E. Ajlan (2017): Phenotypic and Molecular Characterization of Clinical *Acinetobacter* Isolates From Menoufia University Hospitals. Menoufia

medical journal (accepted 2017)

4

Courses and Certificates:

- Problem based learning (PBL) workshop. 21 February 2017 at Medical Education & Human Resources Development Center (MEHRD), Faculty of Medicine, Menoufia University.
- How to make a tutorial? 22 February 2017 at Medical Education & Human Resources Development Center (MEHRD), Faculty of Medicine, Menoufia University
- Essential teaching skills in medical education. 25, 27 September. 3 October 2017 at Medical Education & Human Resources Development Center (MEHRD), Faculty of Medicine, Menoufia University.
- Assessment development course 6, 18, 20, Dec. 2017. at Medical Education & Human Resources Development Center (MEHRD), Faculty of Medicine, Menoufia University
- Assessment development course (Advanced level) in the period from 25th December 2017 to 15th January 2018. At Assessment development committee Faculty of Medicine, Menoufia University.
- Student evaluation and Examination techniques course. 3, 4, 5 June 2012 at Institute of skills development to Menoufia University teaching members Menoufia University, Egypt.
- Quality standards in teaching course. 3, 4, 5 June 2012 at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt
- Scientific publishing 10,11,12 June 2012 at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt
- Behavior of the profession 18, 19, 20 June 2012 at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt

5

- Communication skills in the different education systems 24, 25, 26 June 2012 at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt
- Conference Organization course 27, 28, 29 May 2012 at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt
- Ethics of scientific research 19, 20 July 2016 at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt
- Human management 24, 25 July 2016 at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt.
- Local and international research projects 26, 27 July 2016 at

Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt

□ Decision-making and problem-solving course 31 July, 1 August 2016 at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt

□ Use of global databases 4, 5 September 2016 at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt

□ Use of technology in teaching 6, 7 September 2016 at Institute of skills development to Menoufia University teaching members, Menoufia University, Egypt

□ Implementation of electronic surveillance of surgical site infections in hospitals Workshop 12 November 2015. U.S Naval Medical Research Unit No.3 (U.S NAMRU-3) Cairo, Egypt.

6

□ Infection control in intensive care unit, training course 26 May, 2 June 2016 at Elaraby hospital training center

□ Computer skills (Windows - Word - Internet) Certificate 29 August 2016 at Public Service Center (P.S.C.) Menoufia University

Professional experience:

- Working in clinical Microbiology laboratory.
- Working in infection control unit in Menoufia University Hospitals

Memberships:

- The Egyptian Syndicate of Medicine.
- Infection Control Committee of Menoufia University Hospitals, Egypt.
