Postgraduate studies

First: - Upgrades and the Appointment of the Faculty Members of Teaching and Their Assistants

The Numbers of Faculty Members of Teaching and Their Assistants

Academic year 2012/2013		Academic year 2018/2019	
Faculty Members of Teaching and Their Assistants	Total	Faculty Members of Teaching and Their Assistants	Total
Professor	5	Professor	17
Assistant. Professor	18	Assistant. Professor	48
Lecture	62	Lecture	79
Assistant. Lecture	60	Assistant. Lecture	43
Clinical Instructor	38	Clinical Instructor	40
Total	183	Total	227

Second: - Number of published research internationally

From the beginning of the faculty to 2012	From 2012 to 2018
30 International research	342 International research

Community Services Activities:

Seminars attendance

- Protection against addiction 4-3-2018.
- Environment and its relation to cancer 3-12-2017.
- Dang fever 1-11-2017.
- Toward better reproductive health 29-10-2017.
- Safe drug use 24-4-2017.
- Environmental awareness and pollution risks on general health 26-3-2017.
- Corruption and national strategic plan for its management 28-2-2017.
- Citizenship is a right and duty 7-11-2016.
- Communication and interview skills 11-3-2015.
- The Local Session of the Higher Education Reviewers at the National Authority for Quality Assurance of Education and Accreditation at Cairo University, which was held on Wednesday 25-2-2015.
- Academic documentation to support the researchers to write and publish scientific studies 6/11/2014.
- Credit hour system application 20-6-2011.

Caravans Attendance

Sharing with Vice Dean of community services and environmental affairs in writing and supervising the annual plan for Caravans and follow-up the implementation

1. Nursing caravan to girls at titled "Shebin El koom girls home" about physical and psychological changes associated with adolescence (27 May 2015).

2. Nursing caravan to girls at "Shebin El koom girls home" about nutrition during adolescence and menstruation care 30-4-2018
3. Nursing caravan about infection control 22-1-2018.
4. Nursing caravan to females about reproductive health "Estanha health center" 13-12-2017.
5. Nursing caravan to females about reproductive health- self care and nutrition 7-9-2017.
6. Nursing caravan to females about safe life health 13-2-2017.
7. Nursing caravan to females about diabetes and hypertension prevention and early detection 9-1-2017.

Workshops Attendance:

- A workshop under the supervision of the National Authority for the Quality of Education and Accreditation in Aswan (Competent Learning) on Wednesday, 7/3/2018.
- A workshop entitled "Criteria of Exam Paper according To Accreditation: Requirements", Faculty of Nursing, Menoufia University, 30/10/2017.
- A workshop entitled: "Academic Advising and Scientific Leadership" in the Quality Unit at the Faculty of Nursing, Menoufia University on 29/10/2017.
- Workshop about "Self Evaluation For H.E. Faculties and Institutes" in the presence of an expert 8/10/2017
- A workshop entitled: "Education Programs and Courses Specifications and Evaluation of Learning Outcomes for H.E. Faculties and Institutes", Faculty of Nursing, Menoufia University, October 1, 2017.

- A workshop entitled: Academic Reference Standards on Sunday, 14/3/2015 at the Air Defense Center in Cairo.

Conferences Attendance:

- The International Annual Conference of the Faculty of Nursing, Tanta University, entitled "Education Based on Competencies", 26-27 / 3/2018.
- The Second International Conference of the Faculty of Nursing, Aswan University entitled "Nursing education based on efficiency: enhancing quality and safety in patient care" on 8/3/2018.
- The Fifth International Scientific Conference at the Faculty of Nursing, Cairo University (Development of Clinically Oriented Competency Based Nursing Specialties) on 20-19 / 12/2017.
- The 14th International Scientific Conference at the Faculty of Nursing, Alexandria University, in collaboration with Kenasawa University, entitled "Nursing Role in Leading and Advancing the Global Health" on 11.10-12.2017.
- The 13th International Conference at the Faculty of Nursing, Ain Shams University, entitled "Health Care Professional Innovations towards Excellence in Enhancing Quality Health Care" on 19:18 / 10/2017.
- The First International Scientific Conference at the Faculty of Nursing, Banha University (Nursing in Generation "Y" Challenges and Opportunities) on 19/7/2017.
- The Second International Scientific Conference at the Faculty of Nursing, Beni Suef University, entitled "The Role of Nursing in Governance and Improve Global Health" on 7/5/2017.

- The Seventh International Scientific Conference at the College of Nursing, University of Kena, USA (Evolution of Nursing; A pathway to Excellence) on 21: 20/4/2015.

Teaching Activities:

Undergraduate:

- Revising of the upgrading contents of study subjects related to maternal and newborn health nursing and critical of maternal and newborn health nursing.
- Supervising clinical maternal and newborn health nursing training for 3rd year students at the university hospital, Shebin El-koom teaching hospital, MCH centers (Shebin El koom "Kebly and Bahary" and Meleg) .
- Reproductive woman and maternity health course fourth year students.
- Developing and supervising the practical training plan for third-year students from 1998 until now.

Master Degree:

- Critical Maternal and Newborn Health Nursing 2004 till now.
- Maternal and Newborn Health Nursing 2004 till now.
- Woman and Reproductive Health 2004 till now.
- Woman Psychology 2004 till now.
- Computer Applications in Nursing 2014 till now.
- Teaching Strategy in Nursing 2018 till now.

Doctorate Degree

- Research in Nursing 2007 till now.

- New Trends in Maternity Nursing 2007 till now.
- Evidence Based Nursing 2016 till now.
- Critical Maternal and Newborn Health Nursing 2004 till now.
- Teaching Technology 2017 till now.
- New Trends in Family Planning 2015 till now.

General Doctorate degree

- Approval of the formation of the General Doctorate Examination Committee for the degree of Doctor of Nursing for the Maternal and Newborn Health Nursing Department 2011 until now.
- Participating in the General Doctorate exam for the degree of Doctor of Nursing for the Maternal and Newborn Health Nursing Department 2006 till now.

List of inventions and innovations:

- ❖ Application of the (OSCE) method in the training of maternal and newborn health students - third year from 2004 to now.
- ❖ Participate in transforming the critical care nursing of maternal and newborn health to E. Learning.
