Menoufia University

Menoufia University (MU) was founded in 1976. It started with four faculties with nearly 9500 students, 214 staff members and 372 assisting members. It has steadily and remarkably developed to be one of the largest universities in Egypt. Today the university includes 22 faculties & institutes with about 80000 students and 3500 teaching staff members. The university had two campuses. The main campus is located in Shebin EL-koum, the capital of Menoufia Governorate, which is 75 Km north of Cairo. The other branch was located in Sadat City, 60 Km from Shebin EL-koum, & 90 Km from Cairo.

This branch is now separated as an independent University called " Sadat city University"
