

Dr. Wail Mohamed El-Sayed Omran

Associate Professor of Soil Physics

Personal Data:

Date & place of birth: January, 12, 1968 – Cairo, Egypt

National : Egyptian

Sex : Male

Marital status: Married

Specialization : Soil Science (Soil Physics)

Present occupation : Associate Professor

Mailing address :

(Work) : Faculty of Agriculture, Minufiya University, Shibin el-Kom, Egypt

(Home) : 12 El-Hijaz St. (from Mahmoud Shahin St.), Shebin el-Kom, Egypt.

Tel. (Home) : 048 – 2261084

(Office): 048 – 2235694

Fax (Office) : 02 – 25769495

e-mail : womran@yahoo.com

ACADEMIC QUALIFICATIONS:

B.Sc., June, 1989 : Agricultural Science (Soil Science), Minufiya University

M.Sc., June, 1994 : Agricultural Science (Soil Science), Minufiya University

Ph.D., March, 2001: Agricultural Science (Soil Science), Minufiya University

PROFESSIONAL CAREER:

Demonstrator : Dept. of Soil Sci., Fac. of Agric., Minufiya Univ. (1989-1994)

Assistant Lecturer : Dept. of Soil Sci., Fac. of Agric., Minufiya Univ. {Visiting Scholar to Univ. of Hawaii (1997-1999), to collect scientific data for Ph.D. through internal mission program (1994-2001)}

Lecturer : Dept. of Soil Sci., Fac. of Agric., Minufiya Univ. (2001-2007)

Associate Professor: Dept. of Soil Sci., Fac. of Agric., Minufiya Univ. (2007-Now)

ACADEMIC ACTIVITIES:

Teaching many courses for both undergraduate and graduate students in faculty of Agric., faculty of Education and Desert Research Institute.

Published seven scientific papers in Egyptian J. and two in international J.

Advisor of one M.Sc. thesis and one Ph.D. thesis (under study).

Member of Egyptian Soil Science Society and Organic Agriculture Group.

Attends some conferences in the field of soil Science and Soil Mechanics.
