CURRICULUM VITAE

**Prof. Dr.
Yousif Abd El-Aziz Elhassaneen**

Prof. and Head Department of Nutrition and Food Science, Ex-Dean (2009-2015) Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt

Name:

Yousif Abd El-Aziz Abdou Elhassaneen

Born:

November 24, 1962

Passport number:

00012222 – Ministry of Foreign Affairs – Egypt (Special passport)

Present address:

Meet Khorab, Sinbellaween Center
 Dakhlia Governorate, Egypt
 P.O. Box: 32511 Telephone: +(2) 0100 502 3515 Fax: + (2) 048 2199768
 Email: yousif12@hotmail.com
 URL: <http://livedna.org/20.5016>
<http://www.google.com> (elhassaneen←)

Present Occupations:

- Professor and Head Department of Nutrition and Food Science (Food Technology, Human Nutrition & Dietitian, Food Chemistry, Biochemistry, Biotechnology, Food Analysis, Xenobiotic, Biotransformation and Food Toxicology), Department of Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
- Ex-Dean Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt
- Scientific Consultant & Chairman of the Counsultan Group, The Egyprian Saudi Food Industries Company (ESFIC) [In Construction and implementation], ElMotawreen ElGanoben Zone, Sadat City, Egypt.

- Scientific Consultant & Chairman of the Counsultan Group, The American Eyprian For Frozen Food (AEFF) [In Construction and implementation], Alamria Free Zone, General Authority for Investment and Free Zones Alexandria, Egypt.
- Scientific Consultant, National Services Projects Organization (NSPO), Ministry of Defence, Josef Tito St., Hakisteb, Cairo, Egypt.
- Scientific Consultant, National Company for Refrigeration and Supplies, (NCRS) National Services Projects Organization, Ministry of Defence, Josef Tito St., Hakisteb, Cairo, Egypt.
- Principal of Scientific Research and Studies Committee and Member in Secretariat-General, Exporter and Importer Arab Union (International-Arab Authority)-Economical Arab Union Council, League of Arab States.
- Memeber of the Scientific Commmitte of Home Economics for Professor and Associate Professor Promotion, Supreme Council of Universities, Egypt (Ministerial Decision # 4444, 26/09/2019).

Formal Education:

- B.Sc. in Agricultural Science (Food Science and Technology), Faculty of Agriculture, Mansoura University, 1984.
- M.Sc. in Agricultural Science (Food Science and Technology), Faculty of Agriculture, Al-Azhar University, 1990.
- Ph.D. in Agricultural Science (Agricultural Biochemistry), Joint supervision between Department of Biochemistry, Faculty of Agriculture, Mansoura University, Egypt and Department of Environmental Science, Virginia Institute of Marine Science, The College of William and Mary, Virginia, VA, USA, 1996.
- Post-Doctoral studies in Applied Biochemistry, Department of Environmental Science, School of Earth, Ocean and Environmental Science, Faculty of Science, Plymouth University, Plymouth, United Kingdom, 2003.

Specification:

Human Nutrition and Food Science (Food Science and Technology, Human Nutrition, Functional Foods, Food Chemistry/Biochemistry, Food Analysis, Biotechnology, Xenobiotic Biotransformation and Food Toxicology)

Research fields interest:

1) Nutrition and Food Science: Food Technology, Therapeutic Nutrition & Dietitian, Phytochemicals and human nutrition, carcinogens and toxic compounds in foods, cancer and human nutrition, using of phytochemicals in food/drug industries applications (Functional foods), food industries development (dehydration, freezing,

snacks, meat, sugar etc.), Food Quality Control Systems (QCS) and Quality Assurance (QA) including ISO, HACCP, GAP etc., Food Safety, Sustainable solutions for agro and food processing waste/by-products management and therapeutic nutrition. **2) Biotechnology:** animal cell culture techniques development as *in vitro* biological model system, biosynthesis of macromolecules *in vitro*, cytotoxicity & genotoxicity assessment development *in vitro*, and bioremoval/ biodegradation of toxic and carcinogenic substances in food as affected by industrial process, and **3) Biochemistry:** Chromatography: HPLC system designer for separation and determination of the trace compounds in food, environmental and biological fluids samples up to subpicomole amount, novel techniques in food analysis (Chromatography, Spectrophotometry, etc.), polycyclic aromatic hydrocarbons: sources, toxicity, carcinogenicity, biotransformation in liver cells by using HPLC techniques, chromatographic determination in food, water & environmental samples.

Languages speaking:

1) Arabic (Excellent/Native Language), 2) English (Excellent)

Employment graduation (Academic/Consultation):

- 1987-1990, Research Technician, The Central Lab (Now, Institute) of Food Technology Research, Agricultural Research Center, Ministry of Agriculture, Giza, Egypt
- 1990-1991, Demonstrator (Food Science and Human Nutrition), Department of Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt
- 1991-1996, Assistant Lecturer (Food Science and Human Nutrition), Department of Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt
- 1996-2001, Lecturer (Food Science and Human Nutrition, Food analysis and Applied Biochemistry), Department of Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt
- 2001-2002, Associate Professor (Food Science and Human Nutrition, Food analysis and Applied Biochemistry), Department of Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt
- 2000- 2005, Scientific Consultant in Egyptian Consultant Office, ECO, Scientific Consultations and lab equipment's, El-Maadi, Cairo, Egypt.
- 2001-2003, Scientific Consultant of DextroMisr Company, S.A.E. for drugs manufacture (Medical sorbitol and glucose), 10th of Ramadan City, Cairo, Egypt.

- 2003-2004, Professor (Applied Biochemistry), Department of Environmental Science, Faculty of Science, Plymouth University, PL4 8AA Plymouth, United Kingdom.
- 2004-2005, Scientific Consultant and Progressing Affairs, SALAMA Co. for Food Manufacture (Slaughter House and Meat processing) Tamo, Giza, Egypt.
- 2005-2006, Scientific Consultant for Industrial Progress, The United Company for Food Industries (Montana), Km 20 Cairo- Alex Agricultural Road, Qaluob, Cairo, Egypt.
- 2005-2006, Scientific Consultant for Industrial Progress, The United Company for Poultry (Roasty), Km 24 Cairo- Alex Agricultural Road, Qaluob, Cairo, Egypt.
- 2007-present, Professor of Nutrition and Food Science (Food Science, Human Nutrition, Functional Foods, Food Chemistry/Biochemistry, Food Analysis, Biotechnology, Xenobiotic Biotransformation and Food Toxicology), Department of Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt
- 2001-2007, Scientific Consultant/ Labs, Research and Developing Manager, Shinnawy Companies Group for Preservation, dehydration and Industrialization of Vegetables, (Port Said Factory, Port said, Light Industries Zone and New Beni Suef company, Beni Suef Elgudida City, Nile East, Beni Suef), Egypt.
- 2005-2006, Scientific Consultant & Labs, QMS and Research Development Manager, The Arabian For Preserving and Manufacturing Agricultural Crops (APMAC), Industries Zone, El Matahra, Nile's East, ElMenya, "1st Industrial Cell for Food Industries" , Egypt.
- 2005-2007, Scientific Consultant, Quality Managing Systems (QMS) and Labs, Research & developing Manager, International Union for Integrated Food Industries (LAZHA), (Factories: 1st Industrial Zone, El-Sadat City, Shebin El-Kom, Main Office: 34 St. of 26 July, Lebanon Square, El-Mohandseen, Cairo, Egypt).
- 2005-2007 Scientific/Technical Consultant, Agricultural and Food Industries Sector, Shortcuts for Consultancy and Integrated Systems, Adaan St. branched from Shehab street, El-Mohandseen, Giza.
- 2006-present Prominent Scientist and Credible Referee, Arab Science & Technology Foundation, Arab Science &Technology Foundation. P.O. Box 27272- Sharjah, United Arab Emirates.
- 2006-present Scientific Consultant, Arab Authority for Agricultural Investment and Development (A.A.A.I.D), P.O. Box 51250- Dubai, United Arab Emirates (Regional Office), P.O. Box 2102- Khartoum, Sudan (Main Office).

- 2007-2008, Scientific Consultant and Research & developing Manager, The Arabian Company for Integrated Food Industries (Golden Chips), (Factories: 2nd Industrial Zone, El-Fatah Industrial City, El-Fayoum, Egypt).
- 2008-2009, Scientific Consultant, El-Nour Group for Commercial and Food Industries, (Delta Foods), Km 90, Cairo-Alexandria Agricultural Road, Tanta, Egypt.
- 2009- (March) 2011, Charge d'affaires, Head Department of Textile and Clothes, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
- 2007- (July) 2009, Vice-Dean for Post Graduate Studies and Research, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
- 2009- (August)- 2013 (January), Charge d'affaires, Head Department of Home Economics and Education, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
- 2011- (October)- Present, Scientific and technical Consultant, SAVANNA Companies Group (Processing Gums, Juices and Confectionery), P.O. Box 3914- Khartoum, Sudan.
- 2012 (October) - Present, Chirman, Menoufia W El-Nas Academy for Press and Media, Shebin El-Kom, Egypt. [www.almenofiawelnas.com]
- 2009 (August) - 2012 (July), Dean Faculty of Home Economics (First period by appointment), Minoufiya University, Shebin El-Kom, Egypt.
- 2013 (February) – 2016 (August), Member of the Scientific Commmitte of Home Economics for Professor and Associate Professor Promotion, Supreme Council of Universities, Egypt (Ministerial Decision # 521, 28/02/2013).
- 2012 (August) – 2015 (August), Dean Faculty of Home Economics (Second period by voting), Minoufiya University, Shebin El-Kom, Egypt.
- 2007-present, Professor of Nutrition and Food science, Department of Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt
- 2015-present, Head Department of Nutrition and Food science, Department of Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt
- 2017-present, Manager of the Food Safety and Quality Control, Board Member of the General Services Center, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (Decision of the Minoufiya University Vice-Chancellor No.#125-12/1/2017).

- 2016-2019, Secretary-General of the Scientific Committee of Home Economics for Professor and Associate Professor Promotion, Supreme Council of Universities, Egypt (Ministerial Decision # 3927, 24/08/2016).
- 2017-present, Scientific Consultant & Chairman of the Consultants Group, The Egyptian Saudi Food Industries Company (ESFIC) [In Construction and implementation], ElMotawreen ElGanobein Zone, Sadat City, Egypt.
- 2018-present, Scientific Consultant & Chairman of the Consultants Group, The American Egyptian For Frozen Food (AEFF) [In Construction and implementation], Alamia Free Zone, General Authority for Investment and Free Zones Alexandria, Egypt.
- 2019-present, Scientific Consultant, National Services Projects Organization (NSPO), Ministry of Defence, Josef Tito St., Hakiesteb, Cairo, Egypt.
- 2019-present, Member of the Scientific Committee of Home Economics for Professor and Associate Professor Promotion, Supreme Council of Universities, Egypt (Ministerial Decision # 4444, 26/09/2019).

Training Courses

1. “ Radiobiology/Radiation Safety ” February, 1994, Virginia Institute of marine Science, The College of William and Mary, Virginia, VA, **USA**
2. “ Developing Skills in English Language ” April - June, 1995, Rita Welsh Adult Skills Program, The College of William and Mary, Virginia, VA, **USA**
3. “ Tissue Culture of Aquatic Organisms ” May, 1995, Virginia Institute of marine Science, The College of William and Mary, Virginia, VA, **USA**
4. “Phytoplankton culture & HPLC determination of phytochelators” March, 2004, Department of Environmental Science, School of Earth, Ocean and Environmental Science, Faculty of Science, Plymouth University, Plymouth, United Kingdom, **UK**.
5. “ Evaluation of Biological Fluids using of Electrophoresis ” March, 1998, Training Center, Biochemistry Department, The International Research Center, Dokki, **Egypt**.
6. “Qualification of Collage Stuff ” April, 1998, Faculty of Education, Minoufiya University, Shebin El-Kom, **Egypt**
7. “ Waste-Water Treatment ” March, 1998, Training Center, Water Department, The International Research Center, Dokki, **Egypt**.
8. “ Leadership and Cultural Skills” November 19-25, 2003, Leaders Preparation Institute, Helwan, , Ministry of Higher Education, **Egypt**

9. “ New Techniques in Separation by HPLC and Related Topics ” January 2000, Arab Consulting Engineers/ Minoufiya University, Shebin El-Kom, Egypt
10. “ Protective Maintenance of HPLC ” April, 2002 , Arab Consulting Engineers / Faculty of Science (Beni Suief, Cairo University, Beni Suief, **Egypt**.
11. “ Techniques/Applications of Samples Preparation and Extraction in Planar Chromatography, Super Critical Fluid Extraction, Flash Chromatography and HPLC Consumable” April, 2002 , ChromaTech / Faculty of Science (Beni Suief, Cairo University, Beni Suief, **Egypt**.
12. “ Chromatography and its application in Home Economics Science ” November, 2002 , Faculty of Home economics, Minoufiya University, Shebin El-Kom, **Egypt**.
13. “ Cultural Aspects Required for the Scientific Mission candidates” March 14-19, 2003, Leaders Preparation Institute, Helwan, , Ministry of Higher Education, **Egypt**.
14. “Industrial-effluent Treatment ” November, 2003, Department of Environmental Science, Faculty of Science, Plymouth University, PL4 8AA Plymouth, **United Kingdom**.
15. “Teaching Evaluation - Developing Skills in Student Union Activities - Research Evaluation etc.” 2005-2006, Faculty and Leadership Development Project (FLDP), Minoufiya University, Shebin El-Kom, **Egypt**.
16. “Internal Audit Qualification – Quality, Environment and Food Security, ISO 9001, ISO 14001 and HACCP ” January 21-23, 2006, Q.S.H.E. SYSTEMS (TOTAL), **Egypt**.
17. “ Awareness in ISO 14001: 2004” Quality & Management Experts (QME), May, 2006, **Egypt**.
18. “HACCP, Internal audit ” Under the auspicious of New Beni Suef Co. for Preservation, Dehydration and Industrization of Vegetables, Beni Suef, 18-20 July, 2006, **Egypt**.
19. "Internal Audit, ISO 14001: 2004” Quality & Management Experts (QME), November, 2006, **Egypt**.
20. "External Review (Comprehensive Course), National Authority for Quality Assurance and accreditation of Education Certifies, Cairo, 16-19, February, Egypt.
21. “Handle operation and maintenance of newly supplied ammonia refrigeration system: Applications in Food Preservation ” March , 2019, Jhonson Control Johnson Controls, Air Conditioning and Refrigeration Research Center (Waynesboro, pennsylvania PA, USA

National Scientific Research Projects

1. Technician member for the Research Project “ **Reducing losses in horticultural crops, citrus, potatoes and onions**”, Code number of the project 336 funded by Ministry of International Relations, For Faculty of Agriculture, Minoufiya University, Shebin El-Kom, Egypt, (1993-1996).
2. Technician member for the Research Project “ **New Trends in Nematodes Combating**”, Code number of the project 339 funded by Ministry of International Relations, For Faculty of Agriculture, Minoufiya University, Shebin El-Kom, Egypt, (1995-2000).
3. Co-principal Investigator for the Research Project “**Biogenic amines in Dairy Products Distributed in Dakhlia Governorate, Egypt**” , Financially support by the Environmental Affairs Agency of Mansoura University and Dakhlia Governorate, **Egypt**, (2000-2002).
4. Consultant and Principal Member for the Research Project “**Water quality in the Nile River**”, Financially support by British Council/ Department for International Development Link Project, **United Kingdom** (2000-2004).

Scientific Research Projects for Modernization of Food Industrial

1. Studying, Preparing and Designing the Project " **Onion Dehydration Industry development and Production Optimization**", New Beni Suef company for Preservation, Dehydration and Industrialization of Vegetables, Beni Suef Elgudida City, Nile East, Beni Suef, Egypt (2002-2005).
2. Studying, Preparing and Designing the Project " **By-Products Magnification study of Onion Dehydration Industry**", New Beni Suef company for Preservation, Dehydration and Industrialization of Vegetables, Beni Suef Elgudida City, Nile East, Beni Suef, Egypt (2003-present).
3. Studying, Preparing and Designing the Project "**Management and Utilization of Freezing Industry & Agricultural By-products**" The United Company for Food Industries (Montana), Km 20 Cairo- Alex Agricultural Road, Qaluob, Cairo, Egypt (2005-2006).
4. Studying, Preparing and Designing the Project " **Developing new products based on existing raw material including the experimental component**" The Arabian For Preserving and Manufacturing Agricultural Crops (APMAC), Industries Zone, El Matahra, Nile's East, ElMenya, "1st Industrial Cell for Food Industries" , Egypt (2005-2006).

5. A Feasibility Study of the Project " **International Union for Integrated Food Industries (LAZA)- Industrization, Freezing, Canning, Dehydration and Preservation of Food**" 1st Industrial Zone, El-Sadat City, Shebin El-Kom, Egypt (2006).
6. Environmental Study of the Project " **International Union for Integrated Food Industries (LAZA)- Industrization, Freezing, Canning, Dehydration and Preservation of Food**" 1st Industrial Zone, El-Sadat City, Shebin El-Kom, Egypt (2005-2006).
7. A marketing Study of the Project " **International Union for Integrated Food Industries (LAZA)- Industrization, Freezing, Canning, Dehydration and Preservation of Food**" 1st Industrial Zone, El-Sadaat City, Shebin El-Kom, Egypt (2006).
8. Scientific Consultant, Chairman of the Research Team and Main research for the Project " **Modernization and Innovation of New Products - Snacks, Crispy and Chips**" The Arabian Company for Integrated Food Industries (Golden Chips). 2nd Industrial Zone, El-Fatah Industrial City- Kom Oshim, El-Fayoum, Egypt (2007-2008).
9. Principal Member for the Research Project "**Developpe and raise the quality standards for food products, canned_**", Egyptian European Co. For Food Industries (Euro Food), 239 5th Industrial Zone- Al-Sadat City, **Egypt** (2011-2013).
10. Chairman of the working team for the project (Technical and financial evaluation of assets and components of the company, Misrico for preparation and packing of agricultural crops (Farm Fresh), Awayed Deif - Kafr ElDawar - Egypt.
11. Preparation and design of the Economic feasibility studies (Technical, Financial and Marketing) for the project of the Egyptian Saudi Company for Food Industries [ESFIC, manufacturing and storage of frozen vegetables and fruits, during the years of 2017 - 2018, which was implemented by Al-Muhanna Group, (Saudi Arabia) on an area of 30,000 square meters, Site - ElMotawreen ElGanobeen Zone - Sadat City- Egypt.
12. Preparation and design of the Environmental studies for the project of the Egyptian Saudi Company for Food Industries [ESFIC, manufacturing and storage of frozen vegetables and fruits, during the year of 2018, which was implemented by Al-Muhanna Group, (Saudi Arabia) on an area of 30,000 square meters, Site - ElMotawreen ElGanobeen Zone - Sadat City- Egypt.
13. Peperation and design of the Economic feasibility studies (Technical, Financial and Marketing) for the project of the The American Eyprian For Frozen Food (AEFF), manufacturing and storage of frozen vegetables and fruits, during the years of 2018 - 2019, which was implemented by Farm Fresh Group on an area of 11,000 square meters, in Alamria Free Zone, General Authority for Investment and Free Zones Alexandria, Egypt.

14. Preparation and design of the Environmental studies for the project of the The American Egyptian For Frozen Food (AEFF), manufacturing and storage of frozen vegetables and fruits, during the years of 2018 - 2019, which was implemented by Farm Fresh Group on an area of 11,000 square meters, in Alamria Free Zone, General Authority for Investment and Free Zones Alexandria, Egypt.
15. Scientific Consultant and Chairman of the Consultant Group to implement the project of the Egyptian Saudi Company for Food Industries [ESFIC, manufacturing and storage of frozen vegetables and fruits, during the years of 2017 – 2019, which was implemented by Al-Muhanna Group, (Saudi Arabia) on an area of 30,000 square meters, Site - ElMotawreen ElGanobeen Zone - Sadat City- Egypt.
16. Scientific Consultant and Chairman of the Consultant Group to implement the project of the project of the The American Egyptian For Frozen Food (AEFF), manufacturing and storage of frozen vegetables and fruits, during the years of 2018 - 2020, which was implemented by Farm Fresh Group on an area of 11,000 square meters, in Alamria Free Zone, General Authority for Investment and Free Zones Alexandria, Egypt.

Principal Investigator (PI) in GAP analysis Projects / Agricultural & Food Industrial Companies.

1. New Beni Suef company for Preservation, Dehydration and Industrialization of Vegetables, Beni Suef Elgudida City, Nile East, Beni Suef, Egypt (2004).
2. The Arabian For Preserving and Manufacturing Agricultural Crops (APMAC), Industries Zone, El Matahra, Nile's East, ElMenya, "1st Industrial Cell for Food Industries" , Egypt (2005).
3. International Union for Integrated Food Industries (LAZA)- Industrization, Freezing, Canning, Dehydration and Preservation of Food" 1st Industrial Zone, El-Sadat City, Shebin El-Kom, Egypt (2006).
4. Nubaria Company For Agriculture Development (Ragab Farms), Ragab Group Companies, Nubaria 9km, Ganaklis Road From 71 Km, Aleandria-Cairo Desert Road, Egypt (2006).
5. Sahara Formanufacturing & Filling Beverages SAE (Sahara), Bani Salama, 92 km Cairo-Alexandria Desert Rd, Wadi El-Natroon, Egypt (2006).
6. SFCO For Manufacturing & Export Agricultural Products (SFCO), El Negila, Kom Hamada, Behira (2006)
7. Easterna for Agricultural and Industrial Development (EASTERNA), Pelbais Desert Road, Km 11, Cairo, Egypt (2007).

8. AM Advanced Industries, Area 29/3, 2nd Industrial Zone. 10th of Ramadan City, Cairo, Egypt (2007).
9. The Arabian Company for Integrated Food Industries (Golden Chips). 2nd Industrial Zone, El-Fatah Industrial City- Kom Oshim, El-Fayoum, Egypt (2007).

Main Referee for the following International Research Projects:

- 1- Project Code Number: FS06109/ 2006
Title of Research Project: Extraction of carnosine as a bioactive compound from chicken and its application in functional foods.
Country: Arab Science & Technology Foundation, Sharjah, UAE
 Tel:+ 971 6 5584330, Fax:+ 971 6 5584331, www.astf.net
- 2- Project Code Number: AGO61190/ 2006
Title of Research Project: Studies on Medicinal Mushroom: A-Hypocholesterolemic activity.
Country: Arab Science & Technology Foundation, Sharjah, UAE
 Tel:+ 971 6 5584330, Fax:+ 971 6 5584331, www.astf.net
- 3- Project Code Number: FS071284P/ 2007
Title of Research Project: Bio-Control of food-borne pathogens by natural preservatives and nonthermal processes .
Country: Arab Science & Technology Foundation, Sharjah, UAE
 Tel:+ 971 6 5584330, Fax:+ 971 6 5584331, www.astf.net
- 4- Project Code Number: FS072258P/ 2008
Title of Research Project: Clean and appropriate technologies in dairy processing enterprises for rural women.
Country: Arab Science & Technology Foundation, Sharjah, UAE
 Tel:+ 971 6 5584330, Fax:+ 971 6 5584331, www.astf.net
- 5- Project Code Number: FS072404P/ 2008
Title of Research Project: Development of natural meat products using novel protective and probiotic cultures.
Country: Arab Science & Technology Foundation, Sharjah, UAE
 Tel:+ 971 6 5584330, Fax:+ 971 6 5584331, www.astf.net
- 6- Project Code Number: MHMGC-87/2010
Title of Research Project: Management of Nitrogen Fertilizer in Salt Affected Soils Irrigated by Saline ground Water.
Country: Iraq Scientist Engagement Program (ISEP) In Cooperation with the U.S. Civilian Research & Development Foundation and the Arab Science & Technology Foundation (ASTF), Sharjah, UAE.

Tel:+ 971 6 5584330, Fax:+ 971 6 5584331, www.astf.net

- 7- Project Code Number: **IRDI Round 4 – 2011 / Project Code Number: PH05**
Title of Research Project: Detection of the bacterial contamination and heavy metals concentrations in some artificial fruit juices.
Country: Iraq Research And Development Initiative, Arab Science & Technology Foundation, P.O. Box: 27272
Sharjah, UAE
Tel:+ 971 6 5584330, Fax:+ 971 6 5584331, www.astf.net
- 8- Project Code Number: **IRDI Round 4 – 2011 / Project Code Number: EN68**
Title of Research Project: Quality Control of Some Water, Food, and Drug Samples in Erbil City
Country: Iraq Research And Development Initiative, Arab Science & Technology Foundation, P.O. Box: 27272
Sharjah, UAE
Tel:+ 971 6 5584330, Fax:+ 971 6 5584331, www.astf.net
- 9- Project Code Number: **IRDI Round 4 – 2011 / Project Code Number: PH78**
Title of Research Project: Proposed public health Approach for the control and elimination of Brucellosis in Iraq
Country: Iraq Research And Development Initiative, Arab Science & Technology Foundation, P.O. Box: 27272
Sharjah, UAE
Tel:+ 971 6 5584330, Fax:+ 971 6 5584331, www.astf.net

Higher Education Enhancement & Quality Projects

1. External referee in the project "Quality Assurance and Accreditation Project - QAAP2, Faculty of Home Economics, Helwan University, Cairo" Projects Management Unit, Ministry of Higher Education, ARE, [2006].
2. Member in the Executive team in the project " Quality Assurance and Accreditation Project - QAAP2, Faculty of Home Economics, Minoufiya University, Shebin El-Kom" Projects Management Unit, Ministry of Higher Education, ARE, [December, 2008- July, 2009].
3. Chairman of the project " Quality Assurance and Accreditation Project - QAAP2 , Faculty of Home Economics, Minoufiya University, Shebin El-Kom" Projects Management Unit, Ministry of Higher Education, ARE, [August, 2009- January, 2010 (End of the Project)].
4. Member, Establishment the strategic Plan for the Minoufiya university for the Academic year 2009-2010. Shebin El-Kom, Egypt.

5. Member, Preparation of the University performance measurement for the Academic year 2009-2010, Minoufiya University, Shebin El-Kom, Egypt.
6. Participating in the **University committee regarding the modernization** of Post graduate sector and Research by the recommendation of by the Post graduate and Research council as follow:
 - Member in the committee of modernization of the University library sector (Post graduate and Research council, date 5/8/2008)
 - Member in the evaluation committee of the University proposals submitting to the Scientific Academy Research in Rome, Italy (Post graduate and Research council, date 5/8/2008)
 - Member in the committee assigned by the Minoufiya University to prepare the executive rules of the Scientific Research Projects Unit (SRPU) in a trying to budget the Scientific Research Projects in Minoufiya university (Post graduate and Research council, date 1/12/2008).
 - Member in the committee assigned by the Minoufiya University to update the rules of internal and external scientific missions (Post graduate and Research council, date 3/3/2009).
 - Member in the committee assigned by the Minoufiya University to study the equivalence of the MBA of Academy Arab Science and Marine Transportation with the M.Sc. of Commerce (Post graduate and Research council, date 7/4/2009).
 - Chairman, the committee assigned by the Minoufiya University to study the fees of registration for the post graduate external students (Diploma, M.Sc. and Ph.D.) for attracting more students to increase the financial resources of the University (Post graduate and Research council, date 7/4/2009).
 - Chairman, the committee assigned by the Minoufiya University to study the suggestions for developing the university libraries through updating the services submitting by their staff and facilities. (University Libraries Council, date 1/9/2009).
 - Member in the committee assigned by the Minoufiya University to study the suggestions for developing the Scientific Publication Journals in Minoufiya University by sign an agreement with the leader publishers such ELSEVIR to be available online and have IMPACT FACTOR. (University Libraries Council, date 5/10/2009).
 - Member in the committee assigned by the Minoufiya University to study the suggestions for supporting the Menofia Journals of Agricultural Research to submit in Initiative of the Ministry of the Scientific Research for establishing Scientific Publishing Unit (STMPU) by sign an agreement with the leader publisher "ELSEVIR" (University Libraries Council, date 3/11/2009).

- Member in the committee assigned by the Minoufiya University to study possibility of establishing a co-operation between the Minoufiya University and Property Universities (University President decision, date 22/4/2010).
 - Member in the committee assigned by the Minoufiya University to study possibility of establishing a co-operation between the Minoufiya University and Mubarak Academy of Security (Vice-President for Graduate and Research decision, date 23/5/2010).
7. Member in List Review Committee "List of Professional Diploma in the Garment Industry - Faculty of Home Economics - Helwan University,", The Triple Committees for the Final Years Examinations in Specific Education and Home Economics Faculties, Higher Supreme Council of Universities, Egypt. [Meeting held in June, 2012].
 8. Member in List Review Committee "List of Studying Program in Clothing and Textile Industry - Faculty of Specific Education- Minia University", Sector Committees of Specific Education and Home Economics Faculties, Higher Supreme Council of Universities, Egypt. [Meeting held in September, 2012].
 9. Member in List Review Committee "New List of Post-Graduate Studies-Gredit Hours System- Faculty of Specific Education- Zagazig University", Sector Committees of Specific Education and Home Economics Faculties, Higher Supreme Council of Universities, Egypt. [Meeting held in January, 2012].
 10. Member in List Review Committee "New List of Post-Graduate Studies in Leatherware- Faculty of Home Economics- Helwan University", Sector Committees of Specific Education and Home Economics Faculties, Higher Supreme Council of Universities, Egypt. [Meeting held in April, 2013].
 11. Member in List Review Committee " Open Education Programs - Faculty of Home Economics- Helwan University", Sector Committees of Specific Education and Home Economics Faculties, Higher Supreme Council of Universities, Egypt. [Meeting held in June, 2013].
 12. Member in List Review Committee "Teacher Preparation Programs of Agricultural Education - Open Education Programs", Faculty of Home Economics- Helwan University", Sector Committees of Specific Education and Home Economics Faculties, Higher Supreme Council of Universities, Egypt. [Meeting held in September, 2013].
 13. Member in List Review Committee "Teacher Preparation Programs of Tourism and Hotels ", Faculty of Specific Education- Benha University", Sector Committees of Specific Education and Home Economics Faculties, Higher Supreme Council of Universities, Egypt. [Meeting held in May, 2015].

Membership of Scientific Societies and Civil Society Organizations

1. Member, The Egyptian Society of Food Science and Technology, 1989-present
2. Member, The Egyptian Society of Home Economics, 1992-present
3. Member, The Egyptian Society of Analytical Chemistry, 2000-2002
4. Member and Scientific Consultant, Community Development Association in Met Khorab, Sinbellaween Center, Dakhlia Governorate (Registered in Ministry Solidarity and Social Equity), Egypt, 1995- present.
5. Member, The Egyptian Society of Organic Chemistry of Heterocyclic Compounds, 2000-present
6. Member, The Union of Arab Biologists, Cairo, 2000-present
7. Member, The Egyptian Society of Nutrition, Cairo, 2000-present
8. Member, The Gold Triangle Society (Egypt-Sudan- Libyan), 2002-present
9. Member, The Arab Society of Management, Cairo, 2010-present
10. Bored member, Tourism and Environment Society, Cairo and Minoufiya Branch, Ministry of Social reforming, Egypt, March 2009 – Present.
11. Journalist and Scientific Consultant, El-Menofia Welnas Journal (Monthly Journal - Cultural- Social), Minoufiya, Shebin El-Kom, Kasr El-Thakafa Buildings, (License No., 6746641-London, UK), 2010- present.
12. Member, The Supervision Committee of Women Club, Red Cross Association, Minoufiya Governorate, Shebin El-Kom, Egypt, 2011 (June) - present.
13. Vice-President and Scientific Consultant, The Egyptian Association for Women and Kid Raising, (Libeled No. 1435/ 2010- Ministry Solidarity and Social Equity), Minoufiya Governorate, Shebin El-Kom, Egypt, 2011 (June) - present.
14. Member, Board of Directors, Club Staff of Minoufiya University, Shebin El-Kom, Egypt, 2011 (June) - present.
15. Member, Exporter and Importer Arab Union (International-Arab Authority)- Economical Arab Union Council, League of Arab States, Central Caldor, 6th of October City, Egypt, 2011 (June) - present.
16. Member, Clinical Nutritionist Association (CAN), Membership No. 8-2012-0050, Cairo, Egypt, 2012 (August) - present.
17. Member, Board of Directors, Care Graduates Minoufiya University, (Libeled No. 867/1996- Ministry Solidarity and Social Equity), Minoufiya Governorate, Shebin El-Kom, Egypt, 2013 - present.

Membership of Scientific and University committees

1. Chairman, The Central Lab of Microanalysis, Faculty of Home Economics, Minoufiya University, 1997-2002 and 2009-present.
2. Co-Chairman, The Central Lab of Microanalysis, Faculty of Home Economics, Minoufiya University, 2002-2005.
3. Member, The Post-Graduate Studies Committee, Faculty of Home Economics, Minoufiya University, 1997-2002.
4. Member, The Cultural Relationship Committee, Faculty of Home Economics, Minoufiya University, 2005-present.
5. Member, The Labs Committee, Faculty of Home Economics, Minoufiya University, 1997- 2001 and 2004 –2006.
6. Chairman, The Libraries Committee, Faculty of Home Economics, Minoufiya University, 2007- Now.
7. Chairman, The Post-Graduate Studies Committee, Faculty of Home Economics, Minoufiya University, 2007- 2010.
8. Member, The Quality and Guarantee Committee, Faculty of Home Economics, Minoufiya University, 2007 –present
9. Member, The Libraries Committee, Minoufiya University, 2007- .
10. Member, The Post-Graduate Studies Congress, Minoufiya University, 2007- 2009.
11. Chairman, The computer and Information Committee, Faculty of Home Economics, Minoufiya University, August, 2009- present.
12. Chairman, The Scientific Research Ethics Committee, Faculty of Home Economics, Minoufiya University, September, 2009- present.
13. Chairman, The Practical Education Committee, Faculty of Home Economics, Minoufiya University, August, 2009- present.
14. Chairman, The Production Unit (Food and Clothes Sectors), Faculty of Home Economics, Minoufiya University, August, 2009- present.
15. Chairman, The Scientific Publication Council, Faculty of Home Economics, Minoufiya University, August, 2009- present.
16. Chairman, The General Services Center in Faculty of Home Economics, Minoufiya University, August, 2009- 2015.
17. Chairman, The Faculty Council, Faculty of Home Economics, Minoufiya University, August, 2009- 2015.
18. Member, The Labs Committee, Minoufiya University, August, 2009- 2015.
19. Chairman, The Agreements Committee, Minoufiya University, July, 2009- present.
20. Chairman of the Board of Directors "Fund Educational Services", Faculty of Home Economics, Minoufiya University, May, 2009- present.

21. Member, The Committee Sector of Specific Education and Home Economics, Higher Supreme Council of Universities, Egypt, 2009- present.
22. Reporter, The Triple Committees for the Final Years Examinations in Specific Education and Home Economics Faculties, Higher Supreme Council of Universities, Egypt, 2009- present.
23. Member, The Dean's Council, Minoufiya University, Shebin El-Kom, Egypt, August, 2009- present.
24. Chairman, The Committee of Electronic Gate in Faculty of Home Economics, Minoufiya University, Branch of the National Project, Higher Supreme Council of Universities, Egypt, 2010- present.
25. Reporter, The Triple Committees for the Final Years Examinations in Specific Education and Home Economics Faculties, Higher Supreme Council of Universities, Egypt, 2009- present.
26. Member, the Scientific Committee for Associate Prof and Prof Promotion, Higher Supreme Council of Universities, 2012- present
27. Member in the Board of "Center of University Services Marketing", Minoufiya University, Shebin El-Kom, Egypt, May, 2012- 2015.
28. Member in the Awards Committee, Minoufiya University, Shebin El-Kom, Egypt, October, 2013- 2015.
29. Vice- Chairman and Director of the unit of "Account of Scientific Research", Minoufiya University, Shebin El-Kom, Egypt, October, 2013- 2015.
30. Member in the Board of "Public Service Center", Minoufiya University, Shebin El-Kom, Egypt, December, 2013- 2015.
31. Chairman, the Equipments and Laboratories Committee, Faculty of Home Economics, Minoufiya University, September, 2015- present. [Faculty Council Decision, August 2015]
32. Member/Expert, the Faculty Council, Faculty of Home Economics, Minoufiya University, August, 2015].
33. Member, The Faculty of Home Economics Council, Minoufiya University, Shebin El-Kom, Egypt, August, 2015- present.
34. Member, The Post-Graduate Studies Committee, Faculty of Home Economics, Minoufiya University, August, 2018-present.

Editor-In-Chief, Editorial Board Member and a certified Reviewer in National and International Scientific Journals

a- International/Leadership Scientific Journals

1. **Reviewer** in the Reviewing Board of **Food and Nutrition Sciences (FSN)**, Scientific Research Publishing, P. O. BOX 54821, Irvine CA 92619-4821, **USA** , Customer@scirp.org; ISSN Print: 2157-944X , ISSN Online: 2157-9458 ; Website: <http://www.scirp.org/journal/fns>.

 127. Mona Saad Ali Mahmoud Salman, "Immunomodulatory and mineral absorption improvement of some red mushroom ". **M.Sc. Thesis in Nutrition and Food**

- Science, Faculty of Home Economics, Minoufiya University, Egypt (March, 2016).
128. Khaled Anwar Tekram, "Technological and nutritional studies on some food formulae prepared for kidney and digestive system disease patients" **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (May, 2016).
 129. Reham El-Badry Abd El-Wahab Zahran, Thesis title: "Nutritional studies on Bipolar Affective Disorder" **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (May, 2016).
 130. Amal Abd El-Azeem Mahmoud Saleh, "Study the effect of nutritional antioxidant on liver injuries induced by carbon tetrachloride *in vitro*". **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (August, 2016).
 131. Mahmoud Ibrahim Khalil Ibrahim, "Assessing the nutritional status during bone marrow transplant". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (August, 2016).
 132. Nilly Talat Mostafa el-Gamal "Technological, nutritional and biological studies on Cape gooseberry (*Physalis peruviana*)". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (August, 2016).
 133. Salwa Ahmed Mohamed El-Sayed El-Agooze, "Evaluation and modification of courses of food for kidney patients" **M.Sc. Thesis in Food Science**, Faculty of Agriculture, Mansoura University, Egypt. (October, 2016).
 134. Mahmoud Moawed Abd Elgawad Elsapagh, "A study to measure the alimentary cultural awareness for trainers in Menofia Governorate clubs". **M.Sc. Thesis in Sports Health Science**, Faculty of Physical Education, University of Sadaat City, Egypt (October, 2016).
 135. Maiada Mohamed Badr Younis, "The effect of some plant parts extract on hyperglycemia in alloxan-induced Diabetic rats". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Specific Education, Port Saied University, Port Saied, Egypt (November, 2016).
 136. Samya Mohamed Abd El Ghany Abd Elaa, "Extracting Environmental Secure dyes from Beans by-products and its Application on Clothing Production Field ". **Ph.D. Thesis in Clothes and Textile**, Faculty of Home Economics, Minoufiya University, Egypt (February, 2017).
 137. Samah Ameen Ezz El-Din Mahmoud, "Study the effect of the consumption of certain mixtures of vegetable oils on some biomarkers in rats ". **M.Sc. Thesis in**

- Nutrition and Food Science**, Faculty of Specific Education, Port Saied University, Port Saied, Egypt (March, 2017).
138. Gehan Farahat Mohamed Faty, "The effect of some bakery products fortified with functional food consumption on rats suffered from liver cancer ". **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (April, 2017).
 139. Hemat Mostafa Mohamed Ali Mohamed "Increasing of frying oils stability by using vegetable and fruit wastes". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (May, 2017).
 140. Zeinab Mohamed Abd Eltwab Mansour, "Hepatoprotective activity and antioxidant effects of avocado (*Persea americana*) fruits on rat's hepatotoxicity induced by carbon tetrachloride". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (May, 2017).
 141. Reham Moselhy Helal Badawy, "The effect of phytochemical extracts of some plant parts in liver cancer initiation induced by benzo(a)pyrene ". **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (June, 2017).
 142. Eman Ahmed Ahmed Kotb "The effect of gum Arabic (*Acacia senegal*) on hypercholesteremic rats ". **M.Sc. Thesis in Food and Human Nutrition**, Faculty of Agriculture, Alexandria University, Egypt (April, 2018).
 143. Shaimaa Mohamed Ashraf Abd El-Aziz, "Studying the effect of fig and olive fruits extracts on the liver disorder induced by CCl₄ in rats ". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (June, 2018).
 144. Yasmien Ibrahim Abd El-Khader, " Production of some functional foods using gum arabic to ameliorate the complications arising from kidney disease in rats ". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (Juli, 2018).
 145. Hend Ahmed Yasin Kashaf, "Effect of bioactive phytochemicals on obesity and its complications in rats". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (Juli, 2018)
 146. Entsar Nyzal Abeed El-Harby, " Nutritional and Technological Studies on some Plant Parts and their effects on Obesity Complications Induced in Experimental Animals ". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Specific Education, Benha University, Benha, Egypt (January, 2019).
 147. Soha Ibrahim Abo El-Azm Saker, "Antioxidant activity of various carob (*Ceratonia siliqua* L.) pulp extracts and their potential roles in protecting the liver

- disorders induced by CCl₄ in rats". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Specific Education, Tanta University, Egypt (January, 2019).
148. Enas Mohamed El-Sayed Marzouk, "Antioxidant activities in some Egyptian herbs: technological and nutritional studies ". **PhD Thesis in Nutrition and Food Science**, Faculty of Specific Education, Port Saied University, Port Saied, Egypt (January, 2019).
 149. Mohamed Shabaan Mohamed Hassan Ahmed, "Utilization of by-products of food industries in biscuits production ". **M.Sc. Thesis in Food Science**, Faculty of Agriculture, Cairo University, Cairo, Egypt (January, 2019).
 150. Amira Kamal Mohamed Zohdi El-Barbary, " Evaluation of bioactive compounds of Stevia (*Stevia rebaudiana*) leaves and their antihyperglycemic effects in alloxan- induced diabetic rats". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (March, 2019).
 151. Eman Mahmoud Yousif Yousif " Using of rich phenolics extracts in different food processing applications ". **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (April, 2019).
 152. Heba Abd Elraof Zaki Omar, " Effect of pumpkin seeds oil on biological, biochemical and histopathological parameters on rats fed high fat diet". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Specific Education, Zagazig University, Zagazig, Egypt (October, 2019).
 153. Esraa Nasr Ali Mater, " Effect of papaya (leaves and seeds) on rat liver disorders induced by carbon tetrachloride". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (November, 2019).
 154. Samia Roshdy Hosny Tahoon " Hepatoprotective effect of Apricot and Plum kernel on carbon tetrachloride induced hepatic rats ". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (November, 2019).
 155. Hanaa Moustafa Abd El-Hameed El-Abasy, "Technological and nutritional studies on food industry by-products and their effects on obesity complications induced by high-fat diet in rats ". **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Specific Education, Tanta University, Tanta, Egypt (December, 2019).
 156. Amira Hamdy Abd El-Haleem Darwish Eman Mahmoud Yousif Yousif " Potential Therapeutic Applications of Persimmon (*Diospyros kaki-Virginiana*) fruits and Leaves as Evaluated on Diabetic and Hepatopathic Male Albino Rats.". **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (June, 2020).

157. Rasha Abd El-Magsoud Mohamed Hamza, "Effect of phytochemical combinations on liver disorders induced by carbon tetrachloride in rats ". **PhD Thesis in Nutrition and Food Science**, Faculty of Specific Education, Port Saied University, Port Saied, Egypt (Juli, 2020).
158. Mona Saad Ali Mahmoud Salman, " Technological and nutritional studies on the effect of some plan parts on obesity and its complication in ratds". **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (Juli, 2020).
159. Shaimaa El-Taher Ahmed Soliman, "Effect of flax, sesame and sunflower seeds and cakes for lowering serum glucose and cholesterol levels ". **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (Juli, 2020).
160. Ehdaa Ramadan Mashal, " Study the effect of ginger and flaxseed on rats". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (August, 2020).
161. Manal Zakaria Maghwary Mohamed, "Effect of diets containing evening primrose flower, brown algae and nabka plant parts on obese male albino rats". **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (September, 2020).
162. Nilly Talat moustafa El-Gamal, " Studies on the antioxidant activities of brown algae and their effects on obesity and osteoporosis in rats". **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (November, 2020).
163. Fatemah Mekhled Qtaim Almutairiu, " Potential effects of phyto-bioactive and aversive on obesity and its complications in rats". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Specific Education, Benha University, Benha, Egypt (November, 2020).
164. Dina Mohamed Abd El Hamied Mohamed, " Dietary pattern and quality of life among obese children". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (November, 2020).

Chairman/Member in Supervision Committee of the Following Dissertations (In progress):

1. Hany Mohamed Ahmed El-Ghazar, " New trends for using cherry fruits as functional food" **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home, Minoufiya University, Egypt. (April, 2011).

2. Enas Hassan Shaker Ali Mahmoud, "Effective use of the Internet in the simultaneous and asynchronous education to high school students in the subject of Home Economics" **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt. (September, 2012).
3. Doaa Abd-ElSamee Ismail Mosalem" Inhibitory effect of bacterial and fungal toxin-production by some marine algae located in Red sea coasts". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home, Minoufiya University, Egypt. (January, 2014).
4. Hepa Ahmed Ibrahim Ghoneem, Thesis title: "Nutritional studies on the relationship between performance of exercise and functional foods" **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (January, 2014).
5. Ghada Ibrahim Ramadan Baioumy Soliman, "Effect od date palm pith (*Phoenix dactylifera*) zaghoul cultivar on obese and hepatointoxicated of male albino rats". **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (February, 2017).
6. Hala Samy Abd El-Latif, "Electronic stories as an approach to developing kindergarteners nutritional literacy". **M.Sc. Thesis in Child Education**, Faculty of Education, Minoufiya University, Shebin El-Kom, Egypt (April, 2017).
7. Esraa Zaki Mohamed Badawy, " Effect of Sheya on obesity". **MSc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (August, 2018).
8. Samia Mahmoud Mohamed ElSamoty, "Potential biological effects of gum arabic on kidney disorders of rats induced by arginine ". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Specific Education, Port Saied University, Port Saied, Egypt (August, 2018).
9. Sabah Hassan Mohamed ElSamouny, " Potential protective effects of food industries by-products against liver disorders induced by carbon tetrachloride ". **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (November, 2018).
10. Neamaa Adel Abd El-Rahman " Potential effect of olive and mango leaves in diabetic rats induced by aloxane ". **MSc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (March, 2019).
11. Naglaa Mohamed Badawy, " Antioxidant activities of Milk Thistle (*Silybum marinum*) and its effects on liver disorders induced by carbontetrachloride ". **MSc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (March, 2019).

12. Nemat Ahmed Husein Yasin " Study the potential effects of Psyllium seeds and husk on some bioactive parameters in diabetic rats ". **MSc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (April, 2019).
13. Wesam Farag Mohamed Abd El-Wahab " Effect of low phosphorus, potassium diet and a specific drug on kidney disorders: comparative study ". **MSc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (May, 2019).
14. Alaa Mohamed Ibrahim ElKerdasy, " Studying the antioxidant activities of barley and their relationship with diabetes in rats ". **MSc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (July, 2019).
15. Genan Hameed Nagi El-Klaf," Effect of feeding fortified by some Brassicaceae family vegetables on biological changes of obesity rats induced". **Ph.D Thesis in Nutrition and Food Science**, Faculty of Specific Education, Benha University, Benha, Egypt (July, 2019).
16. Altaf Esam Mohamed Abo khzema, " Effect of fruits and milk of coconut on biological, chemical and histological changes of hypercholesterolemic rats ". **MSc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (September, 2019).

Scientific Referee on Defense Committee of M.Sc. & Ph.D. Dissertations

[265 Thesis in Faculties/Institutions of Medicine, Science, Agriculture, Home Economics, Specific Education, Education, Tourism and Hotels, Sports Education, Research of Desert Environment, Genetic Engineering and Molecular Biology]

1. Referee and defense committee member of the M.Sc. Thesis/ **Osama Anwar Mohamed El-Wakeel**, Thesis title: "Nutritional, Technological and Microbiological studies on soft cheese by using of Bavidobacteria as biocultures"
M. Sc. Thesis in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Egypt (2001).
2. Referee and defense committee member of the M.Sc. Thesis/ **Nagia El-Saied El-Sayed Dewan**, Thesis title: "Removal of some toxic, carcinogenic and mutagenic compounds from edible oils that affected by deep-fat frying "
M. Sc. Thesis in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Egypt (2001).
3. Referee and defense committee member of the M.Sc. Thesis/ **Ashraf Abd El-Satar Kandeel**, Thesis title: "Technological and nutritional studies on some

products processed from peanut (*arachis hypogae*) “ **M. Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2002)

4. Referee and defense committee member of the M.Sc. Thesis/ **Marwa Mohamed Shaker Ahmed**, Thesis title: “Nutritional and technological studies on the canning of Om El-Kholool “ **M. Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2003)
5. Referee and defense committee member of the Ph.D. thesis/ **Waheed Ahmed Ragab**, Thesis title: “ Nutritional, chemical and toxicological studies on Mish cheese “ **Ph.D. Thesis in Nutrition and Food science**, Faculty of Home Economics, Minoufiya University, Egypt (2003)
6. Referee and defense committee member of the M.Sc. Thesis/ **Nedaa Mohamed Abo El-Naga**, Thesis title: “ The effect of foodstuff types on the physical, chemical and toxicological characteristics of cotton seed oil during deep-fat frying process “ **M. Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2003).
7. Referee and defense committee member of the M.Sc. Thesis/ **Hewaida Mohamed Ali Ghaly**, Thesis title: “ Biochemical and microbiological studies on some spices distributed in Egyptian local markets “ **M. Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2004).
8. Referee and defense committee member of the M.Sc. Thesis/ **Ali Abd Allah Hassan**, A.A. “ The effect of antioxidants on the formation of toxic and carcinogenic substances in some smoked foods” **M. Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2005).
9. Referee and defense committee member of the Ph.D.. Thesis/ **Shehab El-Din Shabaan**, Thesis title: “The influence of some phytochemicals on the oxidative-stress and fertility of aged male rats ” **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2005).
10. Referee and defense committee member of the M.Sc. Thesis/ **Ayman Salah Ghoneim**, “ Technological and microbiological studies on some phytochemicals induced anticarcinogenic effect” **M. Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2005).
11. Referee and defense committee member of the M.Sc. Thesis/ **Hanady Gaber Sheha**, Thesis title: “Role of the pollen grains as a food supplement control of blood glucose and lipid levels and improvement of the immunity in hyperglycemic and hyperlipidemic rats “ **M. Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2005).
12. Referee and defense committee member of the M.Sc. Thesis/ **Eman S. Shma**, Thesis title: “Effect of probiotics as food supplements on minerals and vitamins absorption and immunological indices in male rats “ **M. Sc. Thesis in Nutrition**

- and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2005).
13. Referee and defense committee member of the M.Sc.Thesis/ **Mossa Mohamed Hussein**, Thesis title: “ Suggested diets for feeding the primary school students” **M. Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2006).
 14. Referee and defense committee member of the M.Sc. Thesis/ **Elham M. Goona**, Thesis title:“The role of lactoferrin supplementation of infant formulas on some physiological and biological parameters in rat“ **M. Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2006).
 15. Referee and defense committee member of the Ph.D. Thesis/ **Mohamed Abo El-Fetoh Abd El-Lateef**, Thesis title: “The effect of some physical, chemical and nutritional treatments on the phytochemical properties of green tea” **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2006).
 16. Referee and defense committee member of the M.Sc. Thesis/ **Fatma El-Saied El-Sayed Badawy**, Thesis title: " The influence of some chemical, physical and industrial treatments on the antioxidant activity of onion" **M. Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2008).
 17. Referee and defense committee member of the M.Sc. Thesis/**Azza El-Sayed Ibrahim Mostafa**, Thesis title: " Chemical, technological and nutritional studies on Marjoram (Majorana Hortensis) **M. Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2008).
 18. Referee and defense committee member of the M.Sc. Thesis/ **Ola Abo El-Abaas Bedawy**, Thesis title: " relationship between phyto-sulphur compounds and lipid of blood in experimental animals. **M. Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2008).
 19. Referee and defense committee member of the M.Sc. Thesis/ **Doaa El-Demerdash Abd El-Moniem Ibrahim**, "Chemical, Technological and Nutritional on medical plant extracts distributed in Egyptian markets". **M. Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2008).
 20. Referee and defense committee member of the Ph.D. Thesis/ **Doaa Hussein Bauomy Wagdy El-Safty**, Thesis title: “The role of phosphopeptides as food supplement in precipitation improvement of calcium salts in bones and increasing the absorption rate of minerals in blood of experimental rats ” **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2006).
 21. Referee and defense committee member of the Ph.D. Thesis/ **Rasha Mohamed Bahnasy Omar**, Thesis title: “Biological studies on the healthy effects of camel

- female milk by using white rats” **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2006).
22. Referee and defense committee member of the M.Sc. Thesis/ **Rabab Mhamed Abo El-Soud**, Thesis title: " Biological studies on the effect of Artichoke on lowering blood lipids in experimental animals". **M. Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2008).
 23. Referee and defense committee member of the M.Sc. Thesis/ **Zeinab Mohamed Ismail Essa**, Thesis title: " Nutritional and Chemical Studies on The Interactive Effects Between The Foodstuffs And The Package Used" **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (2009).
 24. Referee and defense committee member of the M.Sc. Thesis/ **Raghda Mohamed Mashaal**, Thesis title: " chemo preventive activity of cruciferous vegetables (Cauliflower) for suppression of hypercholesterolemia in rats " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (2009).
 25. Referee and defense committee member of the M.Sc. Thesis/ **Reham Moselhy Helal Badawy**, Thesis title: " Microbiological and Chemical Treatment Of Some Edible Oils Produced Be Deep-Fat Frying Process" **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2009).
 26. Referee and defense committee member of the M.Sc. Thesis/ **Abeer Emad Hassan**, " Technological, chemical and nutritional studies on by-products of frozen food companies " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2009).
 27. Referee and defense committee member of the M.Sc. Thesis/ **Mohamed Mahmoud** “ The effect of cooking by using Microwave” **M.Sc. Thesis in Food Science**, Faculty of Agriculture, Al-Azhar University, Egypt (2009).
 28. Referee and defense committee member of the M.Sc. Thesis/ **Abeer Shehataa Khoneem**, Thesis title: "Antioxidant activity of some vegetables, spices and herbs distributed in Egyptian local markets " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2009).
 29. Referee and defense committee member of the M.Sc. Thesis/ **Maha Ahmed Abd El-Aziz Ibrahim**, " Food safety as influenced by cooking in alluminium pans " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt.
 30. Referee and defense committee member of the M.Sc. Thesis/ **Walaa Hassan Reiad Hegazy**, Thesis title: " Antioxidant activity of pomegranate (punica granatum) fruits and its relationship with phenolic composition and processing technology " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2009).

31. Defense committee member of the M.Sc. Thesis/ **Alaa Fekry Hassan Yousif**, Thesis title: "Possible therapeutic effects of some vegetables roots " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2009).
32. Defense committee member of the M.Sc. Thesis/ **Eman Ahmed Mohamed El-Shora**, Thesis title: "Effect of gluten deficiency on some of physiological parameters in rats" **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2009).
33. Referee and defense committee member of the M.Sc. Thesis/ **Heba Anwar Abd El-Aziz Romeih**, Thesis title: " The effect of olive oil on the level of blood sugar in rats " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2009).
34. Referee and defense committee member of the M.Sc. Thesis/ **Shaimaa Kamal Mohamed Ahmed**, Thesis title: " Biological evaluation of some food additives distributed in Egyptian local markets" **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2009).
35. Referee and defense committee member of the M.Sc. Thesis/ **Amany Mohamed Abd El-Razek Mohamed**, Thesis title: "Studies on the anticarcinogenic effects of some plant extracts used in human nutrition in vitro " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2009).
36. Defense committee member of the M.Sc. Thesis/ **Rasha EL-Sheshtawy Zeyada**. "Study of the effect of different types of herbs in treatment of liver disorders by carbon tetrachloride in experimental animals" **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2010).
37. Defense committee member of the Ph.D. Thesis/ **Hanadi Gaber Mohamed Sheha**, Thesis title: "Evaluation the effectiveness of nutritional assessment for 7 days comparison with 24 hours food intake registration by the intuitionist in University students " **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2010).
38. Defense committee member of the M.Sc. Thesis/ **Rasha EL-Sheshtawy Zeyada**, Thesis title: "Study of the effect of different types of herbs in treatment of liver disorders by carbon tetrachloride in experimental animals" **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2010).
39. Defense committee member of the M.Sc. Thesis/ **Khaled Mohamed Ahmed El-Mokadem**, Thesis title: " The effect of technological treatments on phytochemical properties of some foods ". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2010).

40. Defense committee member of the M.Sc. Thesis/ **Amal Abd El-Azeem Mahmoud Saleh**, Thesis title: " The effect of some phytochemicals as natural food additives on the formation and detoxification of biogenic amines on cheese". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2010).
41. Defense committee member of the M.Sc. Thesis/ **Rania Fawzy Kamel Rezek**, Thesis title: " Biological evaluation of chicken sausage prepared with some herbs suggested in folk medicine for amelioration of diabetes ". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2010).
42. Defense committee member of the M.Sc. Thesis/ **Marwa Salah Ebrahim Sadaa** " Study satisfaction for Home Economics student teachers and its relation with academic achievement, teaching performance and attitudes towards teaching profession". **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (2010).
43. Defense committee member of the M.Sc. Thesis/ **Hepa Belal Abd El-Khani El-Ashry**, Thesis title: " Using of rice protein in production of food supplements with high nutritional values ". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2010).
44. Defense committee member of the M.Sc. Thesis/ **Hend Mostafa Faried Abo Aser**, Thesis title: " Effect of α -Lipolic acid on diabetic and aged rats". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2010).
45. Defense committee member of the M.Sc. Thesis/ **Somia Magdy Sabry Mohamed Abo Seleem**, Thesis title: " Comparative study on the quality of some imported and local baby foods ". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2010).
46. Defense committee member of the M.Sc. Thesis/ **Naema Hassan Bahbah Khalil**, Thesis title: "The effectiveness of the following program of Home Economic Developing of home management skill for preparatory pupils". **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (2010).
47. Defense committee member of the M.Sc. Thesis/ **Asmaa Mostafa Eid El-Khorab**, Thesis title: " Role of some herbal plants in improvement of fertility in experimental rats ". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2010).
48. Defense committee member of the M.Sc. Thesis/ **Amina El-Sayed Mohamed Tair El-bar**, Thesis title: " Chemical and bacteriological evaluation of some frozen foods distributed in Egyptian local markets". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2010).

49. Defense committee member of the M.Sc. Thesis/ **Wafaa Mostafa Refaat**, Thesis title: "Therapeutic effects of some food products supplemented with β -glucan ". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2010).
50. Defense committee member of the M.Sc. Thesis/ **Shefaa Mohammed Mohammed Abo Saida**, Thesis title: " Advanced trends in onion dehydration process and their effect on the quality proprieties of the final product ". **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2010).
51. Defense committee member of the M.Sc. Thesis/ **Eman Ahmed Fouad Mohy El-Din**, Thesis title: "Studies on bread fortification with sweet potato". **M.Sc. Thesis in Home Economics (Nutrition and Food Science)**, Faculty of Specific Education, Mansoura University, Mansoura, Egypt (2010).
52. Defense committee member of the M.Sc. Thesis/ **Marwa Hassan Hamam El Kredy**, Thesis title: " Developing the program of student teaching in the Faculty Home Economics- Menofiya University in the light of contemporary global trends". **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (2010).
53. Defense committee member of the Ph.D. Thesis/ **Faten Hassan Ali Hassan**, Thesis title: "Studies on microbiological and chemical characteristics of some meat products " **Ph.D. Thesis in Agricultural Science**, Faculty of Agriculture, Mansoura University, Mansoura, Egypt (2010).
54. Defense committee member of the M.Sc. Thesis/ **Wesam Mohamed Ahmed Abd El-Rahman Badr**, Thesis title: "Treatment of adult rats suffering from malnutrition using balanced diet and some antioxidants". **M.Sc. Thesis in Home Economics (Nutrition and Food Science)**, Faculty of Home Economics, Al-Azhar University, Nawag, Tanta, Egypt (2010).
55. Defense committee member of the Ph.D. Thesis/ **Sahar Ahmed Mahmoud Ibrahim**, Thesis title: " The effect of some plant extracts rich with phenolic compounds on tumars in vitro " **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (2010).
56. Defense committee member of the M.Sc. Thesis/ **Iman Mohamed Yousif Abo Zohda**, Thesis title: "Utilization of agricultural by-products on some applications of therapeutic nutrition and food science" **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (November, 2010)
57. Defense committee member of the M.Sc. Thesis/ **Maysa El-Sayed Saduq Shalaby**, Thesis title: "Using plant extracts of some food processing by-products in treatment and/or prevention of the cytotoxic and carcinogenic effects of food

- pollutants" **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (January, 2010).
58. Defense committee member of the Ph.D. Thesis/ **Noha Saied Mohamed El-Nagar**, Thesis title: " Effectiveness of some studying strategies on studying achievement and altitude of the secondary school blindness students towards Home economics Curriculum", **Ph.D. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (January, 2010).
 59. Defense committee member of the Ph.D. Thesis/ **Hoda Massoud Soliman El Gzery**, Thesis title: "Comparative study of herbal plants and dietary fiber in their hypoglycemic effects in experimental rats " **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (January, 2011).
 60. Defense committee member of the Ph.D. Thesis/ **Mona Mohamed Ali Othman**, Thesis title: " Role of shark cartilage supplementation in improvement of immunity and mineral profiles in experimental rats " **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (January, 2011).
 61. Defense committee member of the M.Sc. Thesis/ **Effat Helal Hawash Al Helbawy** , Thesis title: " Effectiveness of training program proposed for the development of supervisory skills of technical guidelines for the Home Economics in the light of training requirements ", **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (February, 2011).
 62. Defense committee member of the Ph.D. Thesis/**Dalia Ali Hussien Ali El-Tamany**, Thesis title: " Chemical and nutritional studies on the pomegranate", **Ph.D. Thesis in Home Economics "Nutrition and Food Science"**, Faculty of Specific Education, Port Said University, Egypt (February, 2011).
 63. Defense committee member of the M.Sc. Thesis/ **Wedad Abd El-Rahman Seif**, Thesis title: " Toxicological studies of some plant extracts rich with phenolic compounds in vitro " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (March, 2011).
 64. Defense committee member of the M.Sc. Thesis/ **Hanan Ahmed Ahmed Hashim**, Thesis title: " Studying the interactive effects of phytochemical extracts with drugs commonly used on diseases manipulation *in vitro*" **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (April, 2011).
 65. Defense committee member of the Ph.D. Thesis/ **Mona Kamel El-Basione Shams Eldin**, Thesis title: " The Effectiveness of programme based on virtual learning in teaching Home Economics in the light of standards of total quality and its effect on the attitudes of the students of the Faculty of Home Economics", **Ph.D. Thesis in**

Home Economics and Education, Faculty of Home Economics, Minoufiya University, Egypt (January, 2010).

66. Defense committee member of the M.Sc. Thesis/ **Ahmed Mohamed Ezz ElDeen Ali Abd Allh**, Thesis title: " Utilization of corn milling by-products " **M.Sc. Thesis in Agriculture Science** (Food science and technology), Faculty of Agriculture, Minoufiya University, Egypt. (April, 2011).
67. Defense committee member of the M.Sc. Thesis/ **Hepa Ahmed Ibrahim Khoneim**, Thesis title: " The effect of some technological treatments on the phytochemical properties of green tea " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (April, 2011).
68. Defense committee member of the M.Sc. Thesis/ **Nashwa Ali El-Geady**, Thesis title: " The effect of natural antioxidants on the formation of polycyclic aromatic hydrocarbons in smoked foods " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (May, 2011).
69. Defense committee member of the M.Sc. Thesis/ **Marwa Kamal Abd El-Kereem**, Thesis title: " The influence of some phytochemicals on oxidative stress *in vitro* " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (June, 2011).
70. Defense committee member of the Ph.D. Thesis/ **Ali Abdallah Hassan**, Thesis title: " The effect of phytochemicals on prevention and/or treatment of liver cancer induced by some food pollutants" **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (Juli, 2011).
71. Defense committee member of the M.Sc. Thesis/ **Sarah Mahmoud Mostafa Omar**, Thesis title: " Role of natural food supplement in improvement of osteoporosis in indices rat. " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (July, 2011).
72. Defense committee member of the M.Sc. Thesis/**Sarah Adel abd El-Hady**, Thesis title: " Study the activity of fenugreek (*Trigonell foenum spp. graecum*) seeds on some food spoilage microorganism", **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (July, 2011).
73. Defense committee member of the Ph.D. Thesis/ **AlSheimaa Kotp Awad Al-Sherief**, Thesis title: " The Effectiveness of Metamemory Program in Improving Self Efficacy and Learning Motivation among Home Economics Female Students ", **Ph.D. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (July, 2011).
74. Defense committee member of the M.Sc. Thesis/ **Rehab Mohamed Ebrahim Shoaib**, Thesis title: " Improvement of immunity markers in rats using extracts of

- some marine algae. " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (August, 2011).
75. Defense committee member of the Ph.D. Thesis/ **Heba Said Abdel-Halim Abdel-Sadik**, Thesis title: " Awareness of macrobiotic foods concept in Egypt and its relation with public health ", **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (August, 2011).
 76. Defense committee member of the M.Sc. Thesis/ **Heba Mohammed Mohammed ElSawaf** , Thesis title: " An Educational program to develop safety skills in Home Economics field amonge primary school pupils ", **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (August, 2011).
 77. Defense committee member of the M.Sc. Thesis/ **Heba Ahmed El-Sehamy El-Shafey**, Thesis title: " Effect of an educational package band on enrichment curriculum in Home Economics of activities skills tp develop the thinking scientific of preparatory stage students girls ", **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (August, 2011).
 78. Defense committee member of the M.Sc. Thesis/ **Al-Nabwya Abd El-Maboud Mohamed Atya Radwan**, Thesis title: " Effect of using cooperative learning strategy in developing life skills, achievement and primary stage students attitude towards the subject ", **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (August, 2011).
 79. Defense committee member of the Ph.D. Thesis/ **Mossa Mohamed Yousif Huosein**, Thesis title: " The effect of phytochemicals on toxic and/or carcinogenic substances formed during cooking and processing of meat " **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (August, 2011).
 80. Defense committee member of the M.Sc. Thesis/ **Hayam Mohamed Mohamed Aly**, Thesis title: " The effectiveness of a therapeutic nutrition program in developing achievement and nutrition awareness among the targets of non-governmental organization in Minoufiya Governorate", **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (September, 2011).
 81. Defense committee member of the Ph.D. Thesis/ **Rania Ibrahim El-Sharkay**, Thesis title: " Toxicological studies on some deep-fat frying oils treated with chemical and microbiological process " **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (October, 2011).

82. Defense committee member of the Ph.D. Thesis/ **Doaa Hamed El-Sabahawy**, " Technological, chemical and toxicological studies on some microbial pigments to extend their using in nutritional and therapeutic applications " **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (October, 2011).
83. Defense committee member of the Ph.D. Thesis/ **Magda Ramzy Kostanty**, Thesis title: "Active ingredients of celery in relationship with lipid of blood in experimental animals: biochemical therapeutic and histopathological studies" **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (October, 2011).
84. Defense committee member of the M.Sc. Thesis/ **Mona Farahat Ali El-Wazeer**, Thesis title: " Technological, chemical and nutritional studies on by-products of dehydrated food companies. " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (October, 2011).
85. Defense committee member of the Ph.D. Thesis/ **Nagwa Ebrahim Ahmed Ammar**, Thesis title: " Effect of low protein, phosphorus, potasium diets and high gum arabic content on rats suffering from chronic renal failure" **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, AlAzhar University, Nawag, Tanta, Egypt. (October, 2011).
86. Defense committee member of the Ph.D. Thesis/ **Farida Mohamed Abd El-Fatah El-Aser**, Thesis title: "The effectiveness of a suggested unit in Home Economics in developing life skills for prep-stage female students", **Ph.D. Thesis in Home Economics (Home Economics and Education)**, Faculty of Home Economics, Minoufiya University, Egypt (October, 2011).
87. Defense committee member of the M.Sc. Thesis/ **Sara Ahmed Mohamed Sayed Ahmed**, Thesis title: " Probiotics effect on nutritional status of rats suffering from liver toxicity " **M.Sc. Thesis in Home Economics (Nutrition and Food Science)**, Faculty of Specific Education, Port Said University, Egypt. (November, 2011).
88. Defense committee member of the Ph.D. Thesis/ **Amany Mohamed Ebrahim Mohamed**, Thesis title: "The effectiveness of extension educational program suggested in safety and professional health for developing protective awareness of university students", **Ph.D. Thesis in Home Economics (Home Economics and Education)**, Faculty of Home Economics, Minoufiya University, Egypt (November, 2011).
89. Defense committee member of the M.Sc. Thesis/ **Shohanda Hamed Saied Sewelam**, Thesis title: " Chemical and technological studies on by-products of dehydrated food companies", **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (December, 2011).

90. Defense committee member of the Ph.D. Thesis/ **Heba Ibraheem Ibraheem Ghamry**, Thesis title: " Effect of lactoperoxidase and lactoferrin on diabetic rats", **Ph.D. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (December, 2011).
91. Defense committee member of the Ph.D. Thesis/ **Maaly Yusef Gaber Abd Elmgeed**, Thesis title: " Effect of some common consumed herbs in Egypt on oxidative stress in experimental rats", **Ph.D. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (January, 2012).
92. Defense committee member of the M.Sc. Thesis/ **Mohamed Essam Eldeen Mohamed Ayad**, Thesis title: " Modification and evaluation of some commercial formulas as assigned for tube feeding diabetics using albino rats", **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (January, 2012).
93. Defense committee member of the Ph.D. Thesis/ **Anwar Ahmed Anwar El-Zahar**, Thesis title: "The adverse effects of some fast foods consumed by school children ", **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (January, 2012).
94. Defense committee member of the M.Sc. Thesis/ **Nagwa Ahmed Abd El-Haleem El-Sabagh**, Thesis title: " The effect of natural and artificial antioxidant doses on the health status of rat ", **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (Februray, 2012).
95. Defense committee member of the M.Sc. Thesis/ **Asmaa Abd El-Aziz El-Sayed Eisa**, Thesis title: " Effectiveness of learning cycle method in developing the academic achievement and attitudes towards the home economics curriculum for prep school female pupils", **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (March, 2012).
96. Defense committee member of the M.Sc. Thesis/ **Sherif Mousad Abd El-Aziz**, **Thesis** title: "Comparative of hyperlipidemic, hypoglycemic and antibacterial properties of basil, thyme and marjoram leaves ", **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (March, 2012).
97. Defense committee member of the Ph.D. Thesis/ **Heba Refaee Mahmoud Abd El-Kafee**, **Thesis title**: "Effect of low and high levels of some beverages on male albino rats" **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, AlAzhar University, Nawag, Tanta, Egypt. (March, 2012).
98. Defense committee member of the M.Sc. Thesis/ **Samar Mohamed Mohamed Montaser**, Thesis title: "Nutritional and biochemical studies of some oil plant using hypercholesterolemic albino rats ", **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (April, 2012).

99. Defense committee member of the Ph.D. Thesis/ **Lobna Saad Mohamed Abd El-Mageed**, Thesis title: " Magnification of Using Berries (Leaves and Fruits) on Food in Food Technology and Therapeutic Nutrition ", **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (March, 2012).
100. Defense committee member of the Ph.D. Thesis/ **Azza El-Sayed Ibrahim El-Safty**, Thesis title: " Production of some important nutritional and functional compounds from the by-products of food processing companies ", **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (May, 2012).
101. Defense committee member of the Ph.D. Thesis/ **Elsayed Mahmoud Elsayed Hammad**, Thesis title: " Prevalance of insulin resistance syndrome among obese children& adolescencents and lifestyle intervention for high risk group ", **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (May, 2012).
102. Defense committee member of the M.Sc. Thesis/ **Hanan Salah Eldeen Abd-Elhakam Eldamatey**, Thesis title: " Study the effect of some functional foods contains some fruit peels on body weight, hypolipidemia, kidney and liver functions of experimental rats" **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, AlAzhar University, Nawag, Tanta, Egypt. (April, 2012).
103. Defense committee member of the M.Sc. Thesis/ **Mona Ibraheem Faheem Khaleel**, Thesis title: "Antibacterial and antimycotic effect of lactoferrin in comparison to antibiotics ", **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (May, 2012).
104. Defense committee member of the M.Sc. Thesis/ **Basma Ramadan Mohamed El-Kateeb**, Thesis title: " The effect of bees problies on the oxidative and antioxidative status of diabetic rats ", **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt June, 2012).
105. Defense committee member of the M.Sc. Thesis/ **Marwa Hatem Mohammed El-Bastawisy**, Thesis title: "Influence of diet, drugs and mesotherapy on the nutritional status and T4 level in obese women", **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Helwan University, Egypt (July, 2012).
106. Defense committee member of the M.Sc. Thesis/ **Fatma Ragab Sharaf**, Thesis title: "The effectvness of generative learning strategy in developing the practical skills and scholastic acquirement of the preparatory school girls ", **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (July, 2012).

107. Defense committee member of the Ph.D. Thesis/ **Ehab Mohamed Abd El-Hakem Azab**, Thesis title: "Some species as used for amelioration hyperglycemia and hypercholesterolemia ", **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (July, 2012).
108. Defense committee member of the M.Sc. Thesis/ **Eman Abd Allah Abd El-Sadek Ammar**, Thesis title: "Effect of proposed teaching strategy in the light of Understanding by Design Theory of Wiggins and Maktej in the development of understanding the concepts and practical skills and attitudes toward home economics for prep school students", **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (July, 2012).
109. Defense committee member of the Ph.D. Thesis/ **Tarek Sideek Abd Elahman Tantawy**, Thesis title: " Studies on improvement quality and stability of canola oil", **Ph.D. Thesis in Food Science and Technology**, Faculty of Agriculture, Mansoura University, Egypt (July, 2012).
110. Defense committee member of the Ph.D. Thesis/ **Samah Mohammed Abd El-Aziz Ibrahim ElSheikh**, Thesis title: " Biological effects of some foods and oils on liver disorder in experimental animals induced by carbon tetrachloride ", **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt (July, 2012).
111. Defense committee member of the M.Sc. Thesis/ **Shaimaa Mustafa Ahmed Al-Zoghby**, Thesis title: "The effect of using the laboratory method and the learning in preparatory students achievement and their learning time", **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (August, 2012).
112. Defense committee member of the M.Sc. Thesis/**Yasmin Sameer El-Sayed Gafer**, "The effect of plant extracts on the formation rate of polycyclic aromatic hydrocarbons in cooked foods " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (September, 2012).
113. Defense committee member of the M.Sc. Thesis/ **Hoda Afifi Ahmed Hekal**, "Nutritional, Biochemical and Microbiological studies on mulberry" **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (September, 2012).
114. Defense committee member of the Ph.D. Thesis/ **Sarah Fathalla Fathalla El-Shami**, Thesis title: "The effectiveness of a computer program for teaching home economics on knowledge acquisition to deaf and hard of hearing students and their attitudes towards the subject and the computer", **Ph.D. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (September, 2012).

115. Defense committee member of the Ph.D. Thesis/ **Yasmein Fouad Abd ElAziz Mohamed Othman**, Thesis title: "Effectiveness of an enrichment programme in e-learning in developing the cognitive, performance aspects and the attitude towards it among female student teachers in home economics at Minoufiya University", **Ph.D. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Egypt (September, 2012).
116. Defense committee member of the Ph.D. Thesis/ **Ayman Abd El-Hameed El-Sayed El-Aswad**, Thesis title: " Studies on milk fat ", **Ph.D. Thesis in Dairy Science**, Faculty of Agriculture, Mansoura University, Egypt (September, 2012).
117. Defense committee member of the Ph.D. Thesis/ **Hanan Abd El-Mageed Amin Sultan**, Thesis title: " Comparative studies of Curcuma, Ginger and Rosmary on DNA damage, cytogenicity and biochemical parameters in rats" **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, AlAzhar University, Nawag, Tanta, Egypt. (October, 2012).
118. Defense committee member of the Ph.D. Thesis/ **Olaa Abo El-Abass Bedewy**, Thesis title: Antioxidant activities of some phytochemicals and their affect on tumors *in vitro*" **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (December, 2012).
119. Defense committee member of the M.Sc. Thesis/ **Dawlat Daghsh Hassan Yaktieen**, "Adding nuts to some dairy products (Yoghurt) to boost its effectiveness for biological activity" **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (December, 2012).
120. Defense committee member of the M.Sc. Thesis/ **Hanaa Mostafa Abd El-Hameed El-Abasy**, " Technological and chemical studies on new methods of Onion Dehydration and Their Effects on the antioxidant properties " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (January, 2013).
121. Defense committee member of the Ph.D. Thesis/ **Mai Mahmoud Al-Hosiny Khafagy**, Thesis title: Therapeutic and immunological effects of some herbs as used for feeding albino rats inflicted with diabetes melitus" **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt. (January, 2012).
122. Defense committee member of the M.Sc. Thesis/ **Nagwa Ahmed Abd El Haleem Al Sabagh**, "Effect of natural and artificial antioxidant doses on the health status of rats " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (February, 2013).
123. Defense committee member of the M.Sc. Thesis/ **Shaimaa saied ahmed khatab**, "Study of antimicrobial, antitoxogenic and anticarcinogenic properties of active

- compounds of mushroom " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (February, 2013).
124. Defense committee member of the M.Sc. Thesis/ **Mona Mahmmoud Abd Elsalam Bashir**, "Technological studies on barley β -glucan" **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt. (March, 2013).
 125. Defense committee member of the Ph.D. Thesis/ **Walaa Ibrahim Mohammed Elrefai**, Thesis title: "A proposal plan to activate the use of electronic management for developing administrative work in Minoufiya University in the light of experiments international orientation-Faculty of Home Economics& some units of university", **Ph.D. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (April, 2013).
 126. Defense committee member of the M.Sc. Thesis/ **Amira Ebrahim Ahmed El-Kadeem** , Thesis title: "The effectiveness of a program based on the interaction between thinking styles and generative learning strategy in developing some science processes and school achievement in Home Economics among primary stage pupils", **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (April, 2013).
 127. Defense committee member of the Ph.D. Thesis/**Hanan Al Sadek Al Sadek**, Thesis title: Nutritional, technological and microbiological studies of Alfalfa seeds" **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt. (April, 2013).
 128. Defense committee member of the Ph.D. Thesis/ **Abeer Mohamed Abd El-gawad Abd El-Fatah**, Thesis title: Active ingredients in sweet violet and their relation with liver diseases in experimental animals: Biochemical, therapeutic and histopathological studies " **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt. (May, 2013).
 129. Defense committee member of the Ph.D. Thesis/ **Noura Ibrahim Gharib**, Thesis title: "The effectiveness of the constructivist learning model in developing deduction thinking and practical skills in Home Economics scholar subject", **Ph.D. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, **Shebin El-Kom**, Egypt, (June, 2013).
 130. Defense committee member of the M.Sc. Thesis/ **Amira Kamal Ahmed Nour Eldine**, " Role of oxidants and antioxidants in the pathogenesis and treatment of idiopathic neonatal hyperbilirubinemia" **M.Sc. Thesis in Medicine (Pediatrics)**, Faculty of Medicine, Suez Canal University, Ismalia, Egypt. (August, 2013).

131. Defense committee member of the M.Sc. Thesis/ **Khalid Mohamed Atya Mohamed**, Thesis title: "Studies on the browning reaction in some fig products", **M.Sc. Thesis in Food Industries**, Faculty of Agriculture, Mansoura University, Mansoura, Egypt (August, 2013).
132. Defense committee member of the Ph.D. Thesis/ **Nehal Amin El Fiky Mohamed**, Thesis title: "Effect of glucosamine on the healthy status of diabetic rats" **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Egypt. (August, 2013).
133. Defense committee member of the M.Sc. Thesis/ **Hoda Ahmed Mahmoud Ramadan** , Thesis title: "Effectiveness of teaching using analogies strategy on achievement and creative thinking in the subject of Home Economics for student in preparatory schools", **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (September, 2013).
134. Defense committee member of the Ph.D. Thesis/ **Elham Mahmoud Ramzy Gonna**, Thesis title: "Therapeutic effect of leaves and flowers of some fruits on Hypercholesterolemic rats" **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt. (September, 2013).
135. Defense committee member of the M.Sc. Thesis/ **Nihal Hamdy Mohammed**, "Chemical and technological studies on some food products supplemented with gum arabic " **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt. (September, 2013).
136. Defense committee member of the Ph.D. Thesis/ **Azza Sobaih Abd El-Ghany El-Sayed**, Thesis title: "Studies on milk fat ", **Ph.D. Thesis in Rural Home Economics**, Faculty of Agriculture, Zagazig University, Egypt (September, 2013).
137. Defense committee member of the Ph.D. Thesis/ **Marwa Salah Ibrahim Saada**, Thesis title: "Program for teaching home economics curriculum by using behavior maps in developing studying achievement and behavioral ethics and awareness of prep school student by contemporary issues" **Ph.D. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt. (November, 2013).
138. Defense committee member of the Ph.D. Thesis/ **Abeer Emad Hassan Huseain**, Thesis title "Technological studies on some vegetables and fruits peels and their utilization on raising the nutritional values of child foods" **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt. (December, 2013).

139. Defense committee member of the Ph.D. Thesis/ **Gehan Ahmed Ebrahim El-Shafie**, Thesis title: " Effect of low fat diets and some types of juices on rats suffering from chronic liver diseases " **Ph.D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, AlAzhar University, Nawag, Tanta, Egypt. (December, 2013).
140. Defense committee member of the M.Sc. Thesis/ **Hala Salah Abd El Azeem Ali**, Thesis title: "The effect of probiotics on children who suffering from food allergy" **M.Sc. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt. (December, 2013).
- 141- Defense committee member of the M.Sc. Thesis/ **Ansam Alsayed Hassan Mukhtar**, Thesis title: "Suggested conception for the community participation activation in Home Economics Faculties under comprehensive quality standards, - Faculty of Home Economics& some units of university", **M.Sc. Thesis in Home Economics and Education**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (January, 2014).
- 142- Defense committee member of the M.Sc. Thesis/ **Mahitab Mohamed Mohamed Youneis**, " The effect of using systematic interance in Home Economics tutoring on the study achievement and developing of thinking skills among students in middle school" **M.Sc. Thesis in Home Economics (Home Economics and Education)**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt. (January, 2014).
- 143- Defense committee member of the Ph.D. Thesis/ Hala Faramawy Mohamed Faramawy, "Effectivness of training program based on model learning in developing practical skills for the deaf and the dumb" **Ph.D. Thesis in Home Economics (Home Economics and Education)**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt. (January, 2014).
- 144- Defense committee member of the M.Sc. Thesis/ Lamiaa Abd El-Halim Sand Abdou Shaban, "Using electronic learning in supporting professional development as mean of developing the teaching performance for the student teacher of the Faculty of Home Economics in the light of the total quality standards" **M.Sc. Thesis in Home Economics (Home Economics and Education)**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt. (February, 2014).
- 145- Defense committee member of the Ph.D. Thesis/ Eman Ahmed Mohamed Ahmed El-Shouraa," Biological evaluation of infant foods fortified with lactoferrin " **Ph. D. Thesis in Nutrition and Food Science**, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt. (April, 2014).
- 146- Defense committee member of the M.Sc. Thesis/ Soha Ahmed Nabil Mohamed Hassan El-Sherif, " Assess the adequacy of the diet provided for the students of the

- university campus, Sadat City, Minoufiya University based on the diversity of requirements of calories which depending on the nature of daily activities" **M.Sc. Thesis in Health Science**, Faculty of Sports Education, Sadat City University, Sadat City, Egypt. (May, 2014).

- 241- Defense committee member of the M.Sc. Thesis/ Samia Roshdy Hosny Tahoon " Hepatoprotective effect of Apricot and Plum kernel on carbon tetrachloride induced hepatic rats ". M.Sc. Thesis in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Egypt (November, 2019).
- 242- Defense committee member of the M. Sc. Thesis/ Amira Kamal Mohamed Zohdi El-Barbary, " Evaluation of bioactive compounds of Stevia (*Stevia rebaudiana*) leaves and their antihyperglycemic effects in alloxan- induced diabetic rats". M.Sc. Thesis in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Egypt (March, 2019).
- 243- Defense committee member of the M. Sc. Thesis/ Heba Abd Elraof Zaki Omar, " Effect of pumpkin seeds oil on biological, biochemical and histopathological parameters on rats fed high fat diet". M.Sc. Thesis in Nutrition and Food **Science**, Faculty of Specific Education, Zagazig University, Zagazig, Egypt (October, 2019).
- 244- Defense committee member of the M. Sc. Thesis/ Esraa Nasr Ali Mater, " Effect of papaya (leaves and seeds) on rat liver disorders induced by carbon tetrachloride". M.Sc. Thesis in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Egypt (November, 2019).
- 245- Defense committee member of the Ph.D.. Thesis/ Hanaa Moustafa Abd El-Hameed El-Abasy, "Technological and nutritional studies on food industry by-products and their effects on obesity complications induced by high-fat diet in rats ". Ph.D. Thesis in Nutrition and Food Science, Faculty of Specific Eduction, Tanta University, Tanta, Egypt (December, 2019).
- 246- Defense committee member of the M. Sc. Thesis/ Basma Abd Elaty Mohamed Ahmed " Effect of Chestnut (*Castanea sativa*, Mill) fruits and its extracts on biological, biochemical and histopathological changes of induced obese rats ".

- M.Sc. Thesis in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Egypt (January, 2020).
- 247- Defense committee member of the PhD Thesis/ Zinab Ahmed Hassan Arrief " Nutritional and Biological Studies on some plants and their effect on the level of blood sugar and lipids ". PhD Thesis in Nutrition and Food Science, Faculty of Specific Education, Port Saied University, Port Saied, Egypt (January, 2020).
- 248- Defense committee member of the PhD Thesis/ Wafaa Alshhat Ahmed El-Bermawy " Effect of chia and quinoa seeds on biological, biochemical and histopathological changes induced diabetic obese rats". Ph.D. Thesis in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Egypt (January, 2020).
- 249- Defense committee member of the PhD. Thesis/ Maha Ahmed Abdel Aziz El ashry" Effect of Quinoa Seeds and oil on Hypercholesterolemia Rats and their application in food products ". PhD. Thesis in Nutrition and Food Science, Faculty of Specific Education, Benha University, Benha, Egypt (February, 2020).
- 250- Defense committee member of the PhD. Thesis/ Hoda Mohamed Hanafy Ahmed " Functional Properties for some gluten free products for people with celiac disease". PhD. Thesis in Nutrition and Food Science, Faculty of Specific Education, Ain Shams University, Cairo, Egypt (February, 2020).
- 251- Defense committee member of the M. Sc. Thesis/ Mona Mahmoud Ali Ali, " Effect of milk thistle (*Silybum marianum*) on hepatotoxic rats ". M.Sc. Thesis in **Nutrition**, Faculty of Home Economics, Helwan University, Cairo, Egypt (February, 2020).
- 252- Defense committee member of the PhD. Thesis/ Amira Hamdy Abd El-Haleem Darwish " Potential Therapeutic Applications of Persimmon (*Diospyros kaki-Virginiana*) fruits and Leaves as Evaluated on Diabetic and Hepatopathic Male Albino Rats.". Ph.D. Thesis in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Egypt (June, 2020).
- 253- Defense committee member of the PhD. Thesis/ Doaa Elsayed Abd Elrahaman Elmokdem" Biological, chemical and technological studies of some herbal and plants formula on the healthy status of obese female rats". Ph.D. Thesis in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Egypt (June, 2020).
- 254- Defense committee member of the PhD. Thesis/ Rasha Abd El-Magsoud Mohamed Hamza,"Effect of phytochemical combinations on liver disorders induced by carbon tetrachloride in rats ". PhD Thesis in Nutrition and Food Science, Faculty of Specific Education, Port Saied University, Port Saied, Egypt (Juli, 2020).
- 255- Defense committee member of the PhD. Thesis/ Mona Saad Ali Mahmoud Salman, " Technological and nutritional studies on the effect of some plan parts on obesity

- and its complication in rats". Ph.D. Thesis in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (Juli, 2020).
- 256- Defense committee member of the PhD. Thesis/ Shaimaa El-Taher Ahmed Soliman, "Effect of flax, sesame and sunflower seeds and cakes for lowering serum glucose and cholesterol levels ". Ph.D. Thesis in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Egypt (Juli, 2020).
- 257- Defense committee member of the M. Sc. Thesis / Ehdaa Ramadan Mashal, " Study the effect of ginger and flaxseed on rats". MSc. Thesis in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (August, 2020).
- 258- Defense committee member of the PhD. Thesis/ Manal Zakaria Maghawry Mohamed, "Effect of diets containing evening primrose flower, brown algae and nabka plant parts on obese male albino rats". Ph.D. Thesis in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (September, 2020).
- 259- Defense committee member of the PhD. Thesis/ Khadega Mohamed Sayed," Chemical and Technological Studies on some Food Products Suppmenting with Cortices Fruit ". PhD Thesis in Nutrition and Food Science, Faculty of Specific Education, Minia University, Minia, Egypt (September, 2020).
- 260- Defense committee member of the M.Sc., Thesis/ Mona Hegaze Esmeil Mohamed" Effect of Adding (Red Beet, Red Pepper and Peel Onion) Powder on Quality of Beef Burger during Freezing Storage ". M.Sc. Thesis in Nutrition and Food Science, Faculty of Specific Education, Minia University, Minia, Egypt (September, 2020).
- 261- Defense committee member of the MSc. Thesis/ Basma Tarek Rajab Mahmoud,"Evaluation of the possible microbiological risks in some nutritional products compared to home-made ". M.Sc. Thesis in Nutrition and Food Science, Faculty of Specific Education, Mansoura University, Mansoura, Egypt (October, 2020).
- 262- Defense committee member of the PhD. Thesis/ Nilly Talat moustafa El-Gamal, " Studies on the antioxidant activities of brown algae and their effects on obesity and osteoporosis in rats". Ph.D. Thesis in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (November, 2020).
- 263- Defense committee member of the MSc. Thesis/ Fatemah Mekhled Qtaim Almutairiu," Potential effects of phyto-bioactive and aversive on obesity and its complications in rats". M.Sc. Thesis in Nutrition and Food Science, Faculty of Specific Education, Benha University, Benha, Egypt (November, 2020).
- 264- Defense committee member of the MSc. Thesis/ Dina Mohamed Abd El Hamied Mohamed, "Dietary pattern and quality of life among obese children". M.Sc. Thesis

in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (November, 2020).

- 265- Defense committee member of the MSc. Thesis/ Eman Khairat Saleh Abd Elhamed, " Chemical, Technological and Biological Studies of Kiwi Fruits". M.Sc. Thesis in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt (November, 2020).

Qualifying committee examination of Ph.D. Thesis in the Egyptian's Universities

1. Qualifying committee member of the Ph.D. Thesis/ Mostafa Abd El-Hameed Asal, Food Science and Technology Dept., Faculty of Agriculture, Minoufiya University, Egypt (2008).
2. Qualifying committee member of the Ph.D. Thesis/ Ragab Helal, Food Science and Technology Dept., Faculty of Agriculture, Minoufiya University, Egypt (2008).
3. Qualifying committee member of the Ph.D. Thesis Students/ Nutrition and Food Science Departments, Faculty of Home Economics, Al-Azhar University, Nawag, Tanta, Egypt (2010).
4. Qualifying committee member of the Ph.D. Thesis/ Manal mahmoud Sadek, Dept. of Home economics, Faculty of Agriculture, Cairo University, Egypt (2011).
5. Qualifying committee member of the Ph.D. Thesis Students/ Nutrition and Food Science Departments, Faculty of Home Economics, Al-Azhar University, Nawag, Tanta, Egypt (2011).
6. Qualifying committee member of the Ph.D. Thesis/ Reham Mohammed Taher Ibrahim Mohammed, Division of Home Economics, Faculty of Home Economics, Port Said University, Egypt (June-2013).
7. Qualifying committee member of the Ph.D. Thesis/ Sarah Ahmed Mohamed Sayed Ahmed, Division of Home Economics, Faculty of Home Economics, Port Said University, Egypt (November-2013).
8. Qualifying committee member of the Ph.D. Thesis/ Shaimaa Hassan Ahmed Negm, Division of Home Economics, Faculty of Home Economics, Port Said University, Egypt (November-2013).
9. Qualifying committee member of the Ph.D. Thesis/ Hamada Saied Hegazy, Thesis title: "Studies on some new products prepared from mixtures of grain and vegetables in a manner extrusion thermal", Food Science and Technology Dept., Faculty of Agriculture, Minoufiya University, Egypt (Juli, 2013).

10. Qualifying committee member of the Ph.D. Thesis/ Samah Ameen Ezz El-Din Mahmoud, Division of Home Economics, Faculty of Home Economics, Port Said University, Egypt (June-2019).
11. Qualifying committee member of the Ph.D. Thesis/ Mayada Mohamed Badr Younis Division of Home Economics, Faculty of Home Economics, Port Said University, Egypt (June-2019).
12. Qualifying committee member of the Ph.D. Thesis Students/ Nutrition and Food Science Departments, Faculty of Home Economics, Al-Azhar University, Nawag, Tanta, Egypt (September, 2019).
13. Qualifying committee member of the Ph.D. Thesis/ Mona Mahmoud Abd Elsalam Beshier, Dept. of Home economics, Faculty of Agriculture, Cairo University, Egypt (2020).

Committee Examination of Diploma, M.Sc. & Ph.D. Registration Degrees in the Egyptian's Universities

1. Member of the Qualifying committee examination, M.Sc. Degree registration, Autumn (September) Semester, 2008, Dept. of Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
2. Chairman of the Qualifying committee examination, M.Sc. Degree registration, Autumn (September) Semester, 2009, Dept. of Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
3. Chairman of the Qualifying committee examination, Ph.D. Degree registration, Autumn (September) Semester, 2009, Dept. of Nutrition and Food Science, Dept. of Home Economics and Education, and Dept. of Home Management and Institutions, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
4. Member of the Qualifying committee examination, Ph.D. Degree registration, Autumn (September) Semester, (2009), Dept. of Home Economics, Faculty of Specific Education, Minoufiya University, Shebin El-Kom, Egypt.
5. Chairman of the Qualifying committee examination, M.Sc. Degree registration, Winter (January) Semester, 2010, Dept. of Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
6. Chairman of the Qualifying committee examination, M.Sc. Degree registration, Winter (January) Semester, 2010, Dept. of Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
7. Chairman of the Qualifying committee examination, Ph.D. Degree registration, Autumn (September) Semester, 2010, Dept. of Nutrition and Food Science, Dept. of Home Economics and Education, and Dept. of Home Management and

Institutions, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.

8. Member of the Qualifying committee examination, Ph.D. Degree registration, Autumn (September) Semester, (2010), Home Economics Division, Faculty of Specific Education, Minoufiya University, Ashmoun, Egypt.
9. Member of the Qualifying committee examination, Ph.D. Degree registration, January Semester, (2010), Departments of Nutrition and Food Science, Faculty of Home Economics, Al-Azhar University, Nawag, Tanta, Egypt.
10. Chairman of the Qualifying committee examination, Ph.D. Degree registration, Autumn (September) Semester, 2011, Dept. of Nutrition and Food Science and Dept. of Home Economics and Education, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
11. Chairman of the Qualifying committee examination, M.Sc. Degree registration, Autumn (September) Semester, 2011, Dept. of Nutrition and Food Science and Dept. of Home Economics and Education, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
12. Member of the Qualifying committee examination, Ph.D. Degree registration, January Semester, (2010), Departments of Nutrition and Food Science, Faculty of Home Economics, Al-Azhar University, Nawag, Tanta, Egypt.
13. Chairman of the Qualifying committee examination, Post-Garduate Diploma Degree registration (Hospitals Nutrition), Autumn (September) Semester, 2012, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
14. Chairman of the Qualifying committee examination, Ph.D. Degree registration, Autumn (September) Semester, 2012, Dept. of Nutrition and Food Science and Dept. of Home Economics and Education, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
15. Chairman of the Qualifying committee examination, M.Sc. Degree registration, Autumn (September) Semester, 2012, Dept. of Nutrition and Food Science and Dept. of Home Economics and Education, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
16. Chairman of the Qualifying committee examination, Post-Garduate Diploma Degree registration (Hospitals Nutrition), Autumn (September) Semester, 2013, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
17. Chairman of the Qualifying committee examination, Ph.D. Degree registration, Autumn (September) Semester, 2013, Dept. of Nutrition and Food Science and Dept. of Home Economics and Education, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.

18. Chairman of the Qualifying committee examination, Post-Garduate Diploma Degree registration (Hospitals Nutrition), Autumn (September) Semester, 2014, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
19. Chairman of the Qualifying committee examination, Ph.D. Degree registration, Autumn (September) Semester, 2014, Dept. of Nutrition and Food Science and Dept. of Home Economics and Education, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
20. Member of the Qualifying committee examination, Ph.D. Degree registration, April, (2015), Departments of Nutrition and Food Science, Faculty of Home Economics, Al-Azhar University, Nawag, Tanta, Egypt.
21. Member of the Qualifying committee examination, Ph.D. Degree registration, April, (2015), Departments of Nutrition and Food Science, Faculty of Home Economics, Al-Azhar University, Nawag, Tanta, Egypt.
22. Chairman of the Qualifying committee examination, Ph.D. Degree registration, Autumn (September) Semester, 2019, Dept. of Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.

Referee of 467 papers/articles published in the peer-reviewed International & National Journals and Proceedings of the National Conferences

No.	Article Title	Journal Title	Specification	Year
1-	The effect of nutritional pattern on the PH of internal vagina medium.	J. Productivity and Development ISSN 1110-2643	Human Nutrition	2008
2-	The kernel date as untraditional functional food, high content in phytoestrogen for improvement the health of aged rat female.	J. Productivity and Development ISSN 1110-2643	Human Nutrition	2008
3-	Encouragement of <i>Saccahromyces cervisia</i> growth by herbal extracts for preparation of effective Kapoutsh tea formulae used for treatment of the liver diseases in human.	J. Productivity and Development ISSN 1110-2643	Human Nutrition	2008

4-	Assessment of food behavioral pattern and health awareness of obese women in Holy Makkah.	Journal of Home Economics ISSN 1110 – 2578	Human Nutrition	2009

Referee of the Scientific Activities and Thesis of the candidates for working as staff in the Egyptian Universities

1. Referee of the Ph.D. Thesis and the Scientific Activities of "Khada Mahmoud Mahmoud Bassiouny" Lecture in Faculty of Specific Education (Home Economics), Benha University, Benha, Egypt (August/2008). [The Thesis title "Nutrition of obesity and diabetic patients by using banana fiber"].
2. Referee of the Ph.D. Thesis and the Scientific Activities of "El-Sayed Hamed Ali El-Sayed Bakr" Lecture in Faculty of Home Economics (Nutrition and Food Science), Minoufiya University, Shebin El-Kom, Egypt (November/2008). [The Thesis title "Therapeutic and immunological impacts of some plant materials on feeding to albino rats inflicted with liver physiological disorders "].
3. Referee of the Ph.D. Thesis and the Scientific Activities of "Mohamed Abd El-Mageed Marwan El-Saadany" Lecture in Faculty of Home Economics (Nutrition and Food Science), Minoufiya University, Shebin El-Kom, Egypt (December/2009). [The Thesis title "Protective effect of dietary antioxidants and plant extracts on acute inflammation and hepatotoxicity *in vitro* "].

4. Referee of the Ph.D. Thesis and the Scientific Activities of "Naglaa Mohamed Abd El-Fattah Sallam" Lecture in Faculty of Home Economics (Home Economics Education), Minoufiya University, Shebin El-Kom, Egypt (February/2010). [The Thesis title "Cognitive preferences and its relationship to the higher cognitive processes, information processing styles of the two cerebral hemispheres and academic achievement for the female students of the Faculty of Home Economics"]].
5. Referee of the Ph.D. Thesis and the Scientific Activities of "Amany Kamal Yousif Abu El-Kheer" Lecture in Faculty of Home Economics (Home Economics Education), Minoufiya University, Shebin El-Kom, Egypt (February/2010). [The Thesis title "The activity of suggested programme in the field of ready-made garments for the pupils of the school in intellectual education and its effect in the development of the garments tasting for them "].
6. Referee of the Ph.D. Thesis and the Scientific Activities of "Wesam Mohamed Ahmed Bkr" Lecture in Faculty of Home Economics (Home Economics Education), Minoufiya University, Shebin El-Kom, Egypt (February/2010). [The Thesis title " Suggested program in Home Economics to develop the life skills and consumptive awareness in secondary technical school students "].
7. Referee of the Ph.D. Thesis and the Scientific Activities of "Lecture in Faculty of Home Economics" Sherif Mohamed Attia Horia" Faculty of Home Economics (Home Management and Institutions), Minoufiya University, Shebin El-Kom, Egypt (September/2010). [The Thesis title " The effectiveness of computer program based on multimedia for developing language of nursery child "].
8. Referee of the Ph.D. Thesis and the Scientific Activities of " Salwa Said Abd El-Gany Nasser" Lecture in Faculty of Home Economics (Home Economics Education), Minoufiya University, Shebin El-Kom, Egypt (December/2010). [The Thesis title " The effectiveness of using the information net in nutrition education of female adolescents "].
9. Referee of the Ph.D. Thesis and the Scientific Activities of " Mona Kamel El-Basione Shams Eldin " Lecture in Faculty of Home Economics (Home Economics Education), Minoufiya University, Shebin El-Kom, Egypt (January/2011). [The Thesis title " The Effectiveness of programme based on virtual learning in teaching Home Economics in the light of standards of total quality and its effect on the attitudes of the students of the Faculty of Home Economics"]].
10. Referee of the Ph.D. Thesis and the Scientific Activities of " Mai Abd El-Khaled Kareeb" Lecture in Faculty of Home Economics (Nutrition and Food Science), Minoufiya University, Shebin El-Kom, Egypt (March/2011). [The Thesis title " Study the therapeutic effect and immunity improvement of nutritional lactoferrin of colon and colorectum "].
11. Referee of the Ph.D. Thesis and the Scientific Activities of " Maha Galal Ali Shoab" Lecture in Faculty of Home Economics (Home Economics and Education),

- Minoufiya University, Shebin El-Kom, Egypt (February/2012). [The Thesis title " Effectiveness of proposed program in developing moral intelligence and its impact on some psychological variables "].
12. Referee of the Ph.D. Thesis and the Scientific Activities of " Rehab Ibrahim Tag Al-Deen Ibrahim" Lecture in Faculty of Specific Education (Home Economics Division), Zagazig University, Zagazig, Egypt (September/2012). [The Thesis title " Effect of *Tamarindus indica* Linn, *Glycyrrhiza glabra* Linn and their aqueous extracts on rats suffering from chronic liver disease "].
 13. Referee of the Ph.D. Thesis and the Scientific Activities of " Rasha Mohammad Bahnsy Omar" Lecture in Faculty of Home Economics (Dept. of Nutrition and Food Science, Al-Azhar University, Nawag, Tanta, Egypt (January/2013). [The Thesis title "The role of supplementation restricted diet with different types of oils on rats sufferenig from chronic liver disases"].
 14. Referee of the Ph.D. Thesis and the Scientific Activities of " Sarah Fathalla Fathalla El-Shami " Lecture in Faculty of Home Economics (Home Economics and Education), Minoufiya University, Shebin El-Kom, Egypt (January/2013). [The Thesis title "The effectivness of a computer program for teaching home economics on knowledge acquisition to deaf and hard of hearing students and their attitudes towards the subject and the computer "].
 15. Referee of the Ph.D. Thesis and the Scientific Activities of " Noura Ibrahim Gharib " Lecture in Faculty of Home Economics (Home Economics and Education), Minoufiya University, Shebin El-Kom, Egypt (June/2013). [The Thesis title "The effectiveness of the constructivist learning model in developing deduction thinking and practical skills in Home Economics scholar subject "].
 16. Referee of the Ph.D. Thesis and the Scientific Activities of " Marwa Salah Ibrahim Saada " Lecture in Faculty of Home Economics (Home Economics and Education), Minoufiya University, Shebin El-Kom, Egypt (December/2013). [The Thesis title "Program for teaching home economics curriculum by using behavior maps in developing studying achievement and behavioral ethics and awareness of prep school student by contemporary issues "].
 17. Referee of the Ph.D. Thesis "Soad Mahmoud Said Rizk " Colleague Nutition Minoufiya University Hospitals, Minoufiya University, Shebin El-Kom, Egypt (December/2013). [The Thesis title "Preparation and evaluation of some dietary therapeutic formulas as designed for tube feeding in experimental rats "].
 18. Referee of the Ph.D. Thesis "Ahmed Mohamed Rashad Goda Abo-Tabl " Colleague Nutition Minoufiya University Hospitals, Minoufiya University, Shebin El-Kom, Egypt (December/2013). [The relationship between obesity, physical health and some psychological variables for secondary school female students in Minoufiya Governorate].
 19. Referee of the Ph.D. Thesis "Lamiaa Abd- Ehameed Diab " Lectrue in Nutition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-

Kom, Egypt (January/2020). [Pineapple and Kumquat powders as used to combat the oxidation stress induced by potassium bromate in male albino rats].

Referee of the Scientific Activities by the Scientific Committees (Higher Supreme Universities of Egypt and Arab Countries) for promotion to Associate/Professor degree.

1. Referee of the Scientific Activities of Dr. Zeinab Atif Mostafa Khaled, Lecturer in Home Economics and Education, Faculty of Home Economics, Al-Azhar University, Nawag, Tanta, Egypt for promotion to Associate Professor in the same Department and Faculty [January, 2011], Scientific Committee for the Promotion of Professors and Associate Professors, Al-Azhar University, Cairo, **Egypt.**
2. Referee of the Scientific Activities of Dr. Lamiaa Ali Ahmed, Associate Professor in Nutrition and Food Science, Faculty of Home Economics, Helwan University, Cairo, Egypt for promotion to Professor in the same Department and Faculty [March, 2014]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The 11th session (2013-2015), Supreme Council of Universities, Cairo, **Egypt.**
3. Referee of the Scientific Activities of Dr. Hanan Mohamed Kamal Yousif, Associate Professor in Nutrition and Food Science, Faculty of Specific Education, Ain Shams University, Cairo, Egypt for promotion to Professor in the same Department and Faculty [June, 2014]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The 11th session (2013-2015), Supreme Council of Universities, Cairo, **Egypt.**
4. Referee of the Scientific Activities of Dr. Nizar Issa Saleem Alrabadi, Assistance Professor in Food Science and Nutrition, Faculty of Agriculture, Jerash University, Jerash, Jordan for promotion to Associate Professor in the same Department and Faculty [May, 2014]. Scientific Committee of Jerash University for the Promotion of Professors and Associate Professors, Jerash University Jerash, **Jordan.**
5. Referee of the Scientific Activities of Dr. Mohamed Farouk El-Sadek Badr, Lecturer in Nutrition and Food Science, Faculty of Home Economics, Helwan University, Cairo, Egypt for promotion to Associate Professor in the same Department and Faculty [May, 2015]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The 11th session (2013-2015), Supreme Council of Universities, Cairo, **Egypt.**
6. Referee of the Scientific Activities of Dr. Mohammed Khair Essa Abdallah Al-Shwaiyat Associate Professor in Applied Analytical Chemistry, Basic and Applied Sciences Department. Faculty of Zarqa, Al-Balqa' Applied University, Jordan for promotion to Associate Professor in the same Department and Faculty [August, 2015]. Scientific Committee of Al-Balqa' Applied University for the

- Promotion of Professors and Associate Professors, Al-Balqa' Applied University, Al-Salt, **Jordan**.
7. Referee of the Scientific Activities of Dr. Haneer Al-Damoor Professor in Department of Nutrition & Food Processing/food Technology, Agricultural Technology Faculty, Al-Balqa' Applied University, Jordan for promotion to Full Professor in the same Department and Faculty [September, 2015]. Scientific Committee of Al-Balqa' Applied University for the Promotion of Professors and Associate Professors, Al-Balqa' Applied University, Al-Salt, **Jordan**.
 8. Referee of the Scientific Activities of Dr. Abeer El-Sayed E-Kamisy, Lecturer in Home Economics (Nutrition and Food Science), Faculty of Specific Education, Port Said University, Port Said, Egypt for promotion to Associate Professor in the same Department and Faculty [January, 2016]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The eleventh session (2013-2015), Supreme Council of Universities, Cairo, **Egypt**.
 9. Referee of the Scientific Activities of Dr. Ibrahim Saied Salem El-Sayed Associate Professor in Nutrition and Food Science Department, Faculty of Home Economics, Helwan University, Cairo, Egypt for promotion to Professor in the same Department and Faculty [May, 2016]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The 11th session (2013-2015), Supreme Council of Universities, Cairo, **Egypt**.
 10. Referee of the scientific content of the e-Learning Course submitted by the Hotels and Tourism, Alexandria University [August, 2016] National e-Learning Center (NELC), Supreme Council of Universities, Ministry of Higher Education, Cairo, **Egypt**.
 11. Referee of the Scientific Activities of Dr. Hany Gaber El-Masry Lecturer in Nutrition and Food Science Department, Faculty of Home Economics, Helwan University, Cairo, Egypt for promotion to Associate Professor in the same Department and Faculty [August, 2016]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The 12th session (2016-2019), Supreme Council of Universities, Cairo, **Egypt**.
 12. Referee of the Scientific Activities of Dr. Hanaa Farouk El-Mehery, Associate Professor in Home Economics (Nutrition and Food Science), Faculty of Specific Education, Zagazig University, Zagazig, Egypt for promotion to Professor in the same Department and Faculty [January, 2018]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The eleventh session (2016-2019), Supreme Council of Universities, Cairo, **Egypt**.
 13. Referee of the Scientific Activities of Dr. Ola Talaat Sahloul, Lecturer in Home Economics (Nutrition and Food Science), Faculty of Specific Education, Dumiatta University, Dumiatta, Egypt for promotion to Associate Professor in the same Department and Faculty [April, 2018]. Scientific Committee of Home

- Economics for the Promotion of Professors and Associate Professors, The eleventh session (2016-2019), Supreme Council of Universities, Cairo, **Egypt.**
14. Referee of the Scientific Activities of Dr. Samah Mohamed Ismail, Associate Professor in Home Economics (Nutrition and Food Science), Faculty of Specific Education, Ain Shams University, Cairo, Egypt for promotion to Professor in the same Department and Faculty [October, 2018]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The eleventh session (2016-2019), Supreme Council of Universities, Cairo, **Egypt.**
 15. Referee of the Scientific Activities of Dr. Alaa Osama Abo Raya Lecturer in Nutrition and Food Science Department, Faculty of Home Economics, Helwan University, Cairo, Egypt for promotion to Associate Professor in the same Department and Faculty [January, 2018]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The 11th session (2013-2015), Supreme Council of Universities, Cairo, **Egypt.**
 16. Referee of the Scientific Activities of Dr. Dalia Hemdan, Lecturer in Nutrition and Food Science, Faculty of Home Economics, Al-Azhar University, Nawag, Tanta, Egypt for promotion to Associate Professor in the same Department and Faculty [February, 2019], Scientific Committee for the Promotion of Professors and Associate Professors, Al-Azhar University, Cairo, **Egypt.**
 17. Referee of the Scientific Activities of Dr. Reham Refaat Abd ElSamee, Lecturer in Home Economics (Nutrition and Food Science), Faculty of Specific Education, Kafr ElSheikh University, Kafr ElSheikh, Egypt for promotion to Associate Professor in the same Department and Faculty [February, 2019]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The twelve session (2016 - 2019), Supreme Council of Universities, Cairo, **Egypt.**
 18. Referee of the Scientific Activities of Dr. Ebtesam Fath Mohmoud Omer Associate Professor in Nutrition and Food Science Department, Faculty of Specific Education, Alexandria University, Alexandria, Egypt for promotion to Professor in the same Department and Faculty [March, 2019]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The 12th session (2016-2019), Supreme Council of Universities, Cairo, **Egypt.**
 19. Referee of the Scientific Activities of Dr. Walaa Saad Mohamed Ameen, Lecturer in Home Economics (Nutrition and Food Science), Faculty of Agriculture, Cairo University, Cairo, Egypt for promotion to Associate Professor in the same Department and Faculty [December, 2019]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The Thirteen session (2019 - 2022), Supreme Council of Universities, Cairo, **Egypt.**
 20. Referee of the Scientific Activities of Dr. Thanaa Mahmoud Hashim, Lecturer in Home Economics (Nutrition and Food Science), Faculty of Specific Education,

- Fayoum University, Fayoum, Egypt for promotion to Associate Professor in the same Department and Faculty [January, 2020]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The Thirteen session (2019 - 2022), Supreme Council of Universities, Cairo, **Egypt**.
21. Referee of the Scientific Activities of Dr. Doaa Kabeel Ibrahim, Lecturer in Home Economics (Nutrition and Food Science), Faculty of Specific Education, Tanta University, Fayoum, Egypt for promotion to Associate Professor in the same Department and Faculty [February, 2020]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The Thirteen session (2019 - 2022), Supreme Council of Universities, Cairo, **Egypt**.
 22. Referee of the Scientific Activities of Dr. Soheir Fawzy Mohamed Alaam, Lecturer in Home Economics (Nutrition and Food Science), Faculty of Agriculture, Cairo University, Cairo, Egypt for promotion to Associate Professor in the same Department and Faculty [March, 2020]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The Thirteen session (2019 - 2022), Supreme Council of Universities, Cairo, **Egypt**.
 23. Referee of the Scientific Activities of Dr. Neveen Seuofy Ismail Khairalla, Lecturer in Nutrition and Food Science Department, Faculty of Home Economics, Helwan University, Cairo, Egypt for promotion to Associate Professor in the same Department and Faculty [July, 2020]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The Thirteen session (2019 - 2022), Supreme Council of Universities, Cairo, **Egypt**.
 24. Referee of the Scientific Activities of Dr. Mohamed Kalil Youssef Habib, Lecturer in Nutrition and Food Science Department, Faculty of Home Economics, Helwan University, Cairo, Egypt for promotion to Associate Professor in the same Department and Faculty [July, 2020]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The Thirteen session (2019 - 2022), Supreme Council of Universities, Cairo, **Egypt**.
 25. Referee of the Scientific Activities of Dr. El-Sayed El-Sahar, Associate Professor in Home Economics Department, Faculty of Specific Education, Ain Shamas University, Cairo, Egypt for promotion to Professor in the same Department and Faculty [November, 2020]. Scientific Committee of Home Economics for the Promotion of Professors and Associate Professors, The Thirteen session (2019 - 2022), Supreme Council of Universities, Cairo, **Egypt**.

Referee of the scientific production to obtain the appreciation awards in Egyptian Universities

Examination of the scientific production submitted by Prof. Dr. Hamid Mohammed Emara, Professor at the Department of Home Economics - Faculty of Specific

Education - Damietta University, to win the University Appreciation Award in the field of Nutrition, Health and Agricultural Sciences for the year 2019/2020.

Referee of the M.Sc. and Ph.D. Theses to win the prize for best Theses in the Egyptian Universities

1. Arbitration of M.Sc. thesis for " Helwan University prize of the best theses"(Council of Scientific Research Awards - The Management of Scientific Research - The General Administration of Graduate Studies and Research, March, 2014): The name of the student / Fatma Mohamed Abdullah Ali, in title "Physio-chemical characteristics and features quality of dates products prepared from different strains of dates " M.Sc. in Home Economics (Nutrition and Food Science) - Faculty of Home Economics - Helwan University, Cairo, Egypt.
2. Arbitration of M.Sc. thesis for " Helwan University prize of the best theses"(Council of Scientific Research Awards - The Management of Scientific Research - The General Administration of Graduate Studies and Research-March, 2014): The name of the student / Shimaa Shaaban Mahmoud Abd El-Moniem, in title "The effect of grapes wastes and olive leaves on changes induced in rats exposed to stress " M.Sc. in Home Economics (Nutrition and Food Science) - Faculty of Home Economics - Helwan University, Cairo, Egypt.
3. Arbitration of M.Sc. thesis for " Banha University prize of the best theses"(Council of Scientific Research Awards - The General Administration of Graduate Studies and Research, April, 2014): The name of the student / Eman Badawy Mohamed Moharam, in title "Biological studies on antioxidants in potato peels: application study " M.Sc. in Specific Education (nutrition and Food Science) - Faculty of Specific Education - Banha University, Banha, Egypt.

Dissertations which I mentioned in their acknowledgements

Teaching and Preparation of the Syllabus for the Following Courses in the Egyptian Universities

For B.Sc. graduate students:

- | | | |
|----|-----------------------------------|--|
| 1- | Food processing | 3 rd grade of Home and Associations Management Dept., Fac of Home Economics, Minoufiya Univ. |
| 2- | Food analysis | 2 nd grade of Nutrition and Food Sci. Dept., Fac of Home Economics, Minoufiya Univ. |
| 3- | Fundamentals of organic chemistry | 1 st grade, Fac of Home Economics, Minoufiya Univ. |
| 4- | Fundamentals of Biochemistry | 2 nd grade of Nutrition and Food Sci. Dept.,
2 nd grade of Home Economics and Education Dept., Fac of Home Economics, Minoufiya Univ. |
| 5- | Biochemistry (Metabolism) | 2 nd grade of Nutrition and Food Sci. Dept., Fac of Home Economics, Minoufiya Univ. |
| 6- | Food healthy | 3 rd grade of Nutrition and Food Sci. Dept., Fac of Home Economics, Minoufiya Univ. |
| 7- | Physical chemistry | 1 st grade, Fac of Home Economics, Minoufiya Univ. |
| 8- | Physiological | 4 th grade of Nutrition and Food Sci. Dept., Fac of |

	biochemistry	Home Economics, Minoufiya Univ.
9-	English Language (Specific)	3 rd grade of Nutrition and Food Sci. Dept., Fac of Home Economics, Minoufiya Univ.
10-	Food Industry	3 rd grade of Nutrition and Food Sci. Dept., Fac of Home Economics, Minoufiya Univ.
11-	Agricultural Field -A	3 rd grade of Principal Education (Science, Mathematics, English language, Arabic Language and Social studies Departments, Faculties of Education in Shebin El-Kom and Sadat City, Minoufiya Univ.
12-	Agricultural Field -B	4 th grade of Principal Education (Science, Mathematics, English language, Arabic Language and Social studies Departments, Faculties of Education in Shebin El-Kom and Sadat City, Minoufiya Univ.
13-	Biochemical reactions control	3 rd grade of Biochemistry Dept., Fac. of Science, Beni Suef University, Cairo Univ.
14-	Histochemistry	3 rd grade of Biochemistry Dept., Fac. of Science, Beni Suef Univ.
15-	Fundamental of Biochemistry	3 rd grade of Elementary Education Dept., Fac of Education in Beni Suef Univ.
16-	Biological Industries	4 th grade of Biochemistry. Dept., Fac of Science in Beni Suef, Cairo Univ.
17-	Genetics & Molecular biology	4 th grade of Biochemistry. Dept., Fac of Science, Beni Suef Univ.
18-	Biochemistry (Metabolism)	4 th grade of Biology (Plant + Zoology) Dept., Fac of Science, Beni Suef Univ.
19-	Enzymology	4 th grade of Biology (Plant + Zoology) Dept., Fac of Science, Beni Suef Univ.
20-	Nutrition in Health and Disease	2 nd grade, Nursing Institute, Minoufiya University, Shebin El-Kom, Egypt.
21-	General and Therapeutic Nutrition	2 nd grade, Fac. of Nursing, Minoufiya University, Shebin El-Kom, Egypt.
22-	Therapeutic Nutrition	2 nd grade, Nursing Institute, Minoufiya University, Shebin El-Kom, Egypt.

For Post-graduate students:

- 1- Food Analysis 1st grade of M.Sc. in Home Economics and Education., Fac of Home Economics, Minoufiya Univ.
- 2- Quality Control 1st grade of Ph.D. in Home and Assoc. Admin., Fac. of Home Economics, Minoufiya Univ.
- 3- Advanced Biochemistry 1st grade of M.Sc. in Nutrition and Food Sci., Fac of Home Economics, Minoufiya Univ.
- 4- Advanced Food Processing 1st grade of M.Sc. in Nutrition and Food Sci., Fac of Home Economics, Minoufiya Univ.
- 5- Environment Healthy 1st grade of M.Sc. in Nutrition and Food Sci., Fac of Home Economics, Minoufiya Univ.

Awarded the Decoration of the Faculty of Specific Education, Zagazig University, due to the distinguished scientific, educational and service efforts he presented to the Faculty and the 2nd International Conference) " Specific education and map of future jobs", March 2-3, 2019, Faculty of Specific Education, Zagazig University, Zagazig, Egypt.
 24. Awarded the Decoration of the Faculty of Specific Education, Minia University, due to the distinguished scientific, educational and service efforts he presented to the Faculty and the 2nd International Conference) " Specific Education and a Map of Future Jobs" [Chairman of the Organizing Committee, Scientific Committee Member, Chairman of the Nutrition and Food Science Session, Recommendations Committee member], April 14-15, 2019, Faculty of Specific Education, Minia University, Minia, Egypt.

25. Cabinplant Food Processing Award 2018, for effective efforts and outstanding contributions in the development and innovation of technologies and manufacturing lines for the production of frozen vegetables and fruits. Cabimplant Co., Roesbjergve, DK 5683, Haarby, Denmark.
26. Best Design Award 2018 (Multipurpose Frozen Vegetable Production Line Design), Food Processing Machinery (PEGO), PEGO Street, Idlizia 142-36100, Vicenza, Italy
27. Project of the Year Prize– 2018 "Advanced applications in the industry of food preservation by refrigeration", Johnson Control International, Pennsylvania PA, USA.
28. Awarded the Decoration of the Faculty of Specific Education, Benha University, due to the distinguished scientific, educational and service efforts he presented to the Faculty and the The 1st International Conference of the Faculty of Specific Education, Benha University, “Qualitative educational creations from an Egyptian African and Arab point of view” , 29 November-2 December, 2019, Hurghada, Egypt.

Recognition and Appreciations Certificate

1. Candied by The Minoufiya University Council for the King Faisal Prize in Chemistry , Saudi Arabia , 1998.
2. Candied by The Minoufiya University Council for the Arab Youth Prize in Science, Jordan Chemistry, 1998.
3. Recognition and Appreciations Certificate from Faculty of Home economics, Minoufiya University, Shebin El-Kom, Egypt (2000) as a General Reporter and Member of the Organizing Committee, The 5th Egyptian Conference of Home Economics, **Egypt**.
4. Recognition and Appreciations Certificate from the Faculty of Science, Minoufiya University, Shebin El-Kom, Egypt) April, 2000, as a Reporter and Main professor in the Training Course (Training Course on HPLC), **Egypt**.
5. Recognition and Appreciations Certificate from the Arab Consulting Engineers / Faculty of Science (Beni Suief, Cairo University, Beni Suief) April, 2000 as a Reporter and Main professor in the Training Course (Protective Maintenance of HPLC), **Egypt**.
6. Recognition and Appreciations Certificate from Faculty of Home economics, Minoufiya University, Shebin El-Kom, Egypt (November, 2002) as a Reporter and Main professor in the Training Course (Chromatography and its application in Home Economics Science), **Egypt**.

7. Recognition and Appreciations Certificate (Development of production and quality systems), New Beni Suef company for Preservation, dehydration and Industrialization of Vegetables Beni Suef Elgudida City, Nile East, Beni Suef), Egypt, 2006.
8. Recognition and Appreciations Certificate (Feasibility Study), International Union for Integrated Food Industries (LAZHA), (Factories: 1st Industrial Zone, El-Sadat City, Shebin El-Kom, Main Office: 34 St. of 26 July, Lebanon Square, El-Mohandseen, Cairo, Egypt). 2006.
9. Recognition and Appreciations Certificate (Environmental study), International Union for Integrated Food Industries (LAZHA), (Factories: 1st Industrial Zone, El-Sadat City, Shebin El-Kom, Main Office: 34 St. of 26 July, Lebanon Square, El-Mohandseen, Cairo, Egypt). 2006.
10. Awarded the Published Recognition Research Prize of the Minoufiya University " S.E. Hassab El-Nabi and Y. A. Elhassaneen (2008). Detection of DNA damage, molecular apoptosis and production of home-made ladder by using simple techniques. *Biotechnology*. 7 (3): 514-522, 2009.
11. Awarded the Published Recognition Research Prize of the Minoufiya University " Y. A. Elhassaneen, S. A. Saleh, S. F. El-Abd, M. M. El-Sayed and N. N. El-Nashar (2010). DibutylNitrosamine Induces Histopathological Changes in Rat: Possible Protective Effects of Cinnamon Flavonoid Extract . *J. of Pharmacology and Toxicology*. 4 (2): 58-69".
12. Awarded the Published Recognition Research Prize of the Minoufiya University " Y. A. Elhassaneen and M.I. Sanad (2009). Phenolics, Selenium, Vitamin C, Amino Acids and Pungency Levels and Antioxidant Activities of Two Egyptian Onion Varieties. *American J. of Food Technology* 4(6): 241-254".
13. Appreciations Certificate (Minoufiya University Council), for the role and efforts as Secretary General, Chairmen of the Organizing Committee of the First Conference for Quality Improvement of Post-graduate Studies Programs in Higher Education Institutions (Facing Challenges and Direction to the Future and Development – Organized by Sections Post-Graduate Studies and Research & Social Service and Environment Development (25-26 February), Minoufiya Univ. Shebin El-Kom, Egypt, 2009.
14. Appreciations Certificate (Minoufiya University Council), for the role and efforts as Secretary General, Chairmen of the Organizing Committee of the First Scientific Conference for Marketing the Applied University Research "Academic Research for the Service of Industry ", [Abstract] pp. 445- 446, 7-8 October, Minoufiya University, Shebin El-Kom, Egypt, 2009.. [Web site: <http://www.menofia.edu.eg>].
15. Recognition and Appreciations Letters from the Vice-Chancellor of Minoufiya University for the great efforts have been done on "Score Card of Performance for

- the Academic Year 2009/2010", Minoufiya University, Shebin El-Kom, Egypt, 2010.
16. Recognition and Appreciations Certificate from the Social Fund for Development (SFD), Council of Ministries, Regional Office of Minoufiya, Shebin El-Kom, Egypt, 2010 [For effective participating in the SFD activities i.e. Training courses, Lectures, Meeting and Gap Studies].
 17. Recognition and Appreciations Certificate from the General Service Center, Faculty of Home Economics, 2011 [For effective participating in the training course, Therapeutic Nutrition-A, as a Chairman and Main Professor].
 18. Recognition and Appreciations Certificate from the Agriculture Administration, Quesna, Minoufiya Governorate, July, 2011 [For effective participating in the awareness caravan, Small Business is the Development].
 19. Recognition and Appreciations Certificate from the General Service Center, Faculty of Home Economics, 2011 [For effective participating in the training course for the Arab students "Sudanese", Therapeutic Nutrition-A and B, as a Chairman and Main Professor].
 20. Recognition and Appreciations Certificate from the Tala Center Presidency, Minoufiya Governorate, October, 2011 [For effective participating in the awareness caravan, Food between Health and disease].
 21. Recognition and Appreciations Certificate from Faculty of Home economics, Minoufiya University, Shebin El-Kom, Egypt, as a Chairman of the 1st International and 15th Arab Conference of Home Economics (27-28 March, 2012), and Chairman of the Planning and Scientific Committees, **Egypt**.
 22. Recognition and Appreciations Certificate from the Social Fund for Development (SFD), Council of Ministries, Regional Office of Minoufiya, Shebin El-Kom, Egypt, 2012 [For effective participating in the SFD activities i.e. Training courses, Lectures, Technical support].
 23. Recognition and Appreciations Certificate from the General Administration of Youth Charge, Minoufiya University, Shebin El-Kom, Egypt [The Faculty's Scout team achieving the first level on all activities and Ideal Couth in the 30th Scout festival of Minoufiya University 2011-2012].
 24. Recognition and Appreciations Certificate from Minoufiya Staff Club, 2012 [for winning the Arab Pioneer in the filed of Small Business for Youth in the Arab Countries, Exporter and Importer Arab Union, League of Arab States 2011] Shebin El-Kom, Egypt.
 25. Awarded the Published Recognition Research Prize of the Minoufiya University" Yousif Elhassaneen, Islam Hussein and Rasha Elgohary. (2012). Cytotoxicity/Genotoxicity of Natural Dyes in Comparison with Synthetic Extracted from Cotton Clothes Distributed in Egyptian Local Markets. The

- Journal of American Science, 8 (4): 487-498 [ISSN1545-1003] [<http://www.americanscience.org>. 65].
26. Certificate of Appreciation from Target Training Center and languages – Menoufiya Governorat, for effective participation in the Festival of Human Development (Secrets of excellence in life), 6-11 April 2013 - Conference Hall - Faculty of Arts – Menoufiya University, Shebin El-Kom, Egypt.
 27. Certificate of Appreciation from the Directorate of Agriculture, Menoufia Governorate, for the effective effort in the implementation of the program "Development and educate women in the area of food education" - May 2013 - Conference Hall, Directorate of Agriculture, Shebin El-Kom, Egypt
 28. Recognition and Appreciations Certificate from the Social Fund for Development (SFD), Council of Ministries, Regional Office of Minoufiya, Shebin El-Kom, Egypt, 2013 [For effective participating in the SFD activities i.e. Training courses, deep and spread a culture of self-employment] which has a great impact among the target groups of young people and those who want to self-employment in Menoufiya Governorate.
 29. Certificate of Appreciation from Husseinia Prep School, Shebin El-Kom, Minoufiya Governorate, for giving a lecture on "Proper nutrition for students" - December 2013.
 30. Awarded the Published Recognition Research Prize of the Minoufiya University " Islam Hussein and Yousif Elhassaneen, (2014). Protection of humans from ultraviolet radiation (UVR) through the use of cotton clothes dyed with aqueous extracts of onion skin as the natural colorant. *J Am Sci*, 9 (8): 16-24 [ISSN1545-1003] [<http://www.americanscience.org>.3]".
 31. Recognition and Appreciations Certificate from the Engineers Syndicate, Shebin El-Kom, Minoufiya University, 2014 [To actively participate in raising the degree of nutritional education for engineers by delivering many public lectures in Title "The road to a healthy diet and proper nutrition" at the syndicate main building , She bin El-Kom, December, 2013-January, 2014].
 32. Awarded the Published Recognition Research Prize of the Minoufiya University "Abdallah Hussein and Yousif Elhassaneen (2014). Natural Dye from Red Onion Skins and Applied In Dyeing Cotton Fabrics for the Production of Women's Headwear Resistance to Ultraviolet Radiation (UVR), *J Am Sci.*, 10(3):129-139]. (ISSN: 1545-1003). [[http:// www.jofamericanscience.org](http://www.jofamericanscience.org),17].
 33. Awarded the Published Recognition Research Prize of the Minoufiya University " Yousif A. Elhassaneen and Abdallah A. Hussein (2014), Treatment of Cotton Knitted Garments with Natural Silk Fibroin for Skin Care and Ultraviolet Radiation Protection. *J Am Sci.*, 10(4):115-124]. (ISSN: 1545-1003). <http://www.jofamericanscience.org>. 15]".

34. Recognition and Appreciations Certificate from the Exporter and Importer Arab Union (International-Arab Authority)- League of Arab States, Egypt 2014 [For In appreciation and recognition of its leading role in the rehabilitation of Arab youth on the mechanisms of the overall quality].
35. Recognition and Appreciations Certificate from National Council for Women, Coalition of NGOs Against Female Genital Mutilation, Society's Future Home, The Egyptian Association for the Advancement of Women and Child Shebin El-Kom, in appreciation of the contribution in the symposium " Proper nutrition and community health"- 11th June, 2014, Conference Room, Agricultural Syndicate – Shebin El-Kom, Egypt.
36. Recognition and Appreciations Certificate from Taqa Association, Shebin El-Kom, in appreciation of the contribution to the success of an effective training program for supervisors and Guides, "The basics of good nutrition to care for maternal and child health", funded by the Social Fund for Development (SFD) – 18th June, 2014, The Prime Minister - Arab Republic of Egypt.
37. Awarded the Published Recognition Research Prize of the Minoufiya University" Yousif A. Elhassaneen and Yahya A. Abd Elhady (2014). Relationship between antioxidant activity and total phenolics in selected vegetables, fruits, herbs and spices commonly consumed in Egypt. J Am Sci., 10(6):74-86]. (ISSN: 1545-1003). [http:// www.jofamericanscience.org](http://www.jofamericanscience.org). 10
38. Recognition and Appreciations Certificate from the Social Fund for Development (SFD), Council of Ministries, Regional Office of Minoufiya, Shebin El-Kom, Egypt, 2014 [For effective participating in the SFD activities i.e. Training Courses, Lectures, GAP Studies] Which has had a great impact on deepen and spread the concept of self-employment in all parts of the Menoufiya Governorate.
39. Recognition and Appreciations Certificate from The Association of Taking Care of Graduates of Minoufiya University, 9th December 2014, Minoufiya University Hotel, El-Bar ElSharky, Shebin El-Kom, Egypt [For effective participating and great efforts in "The First Forum for Qualifying Graduates to Keep up with the Labor Market Requirements" including chairman of the organizing committee, member of the scientific committee and chairperson of the recommendations session]
40. Recognition and Appreciations Certificate from the Minoufiya University, Shebin El-Kom, Egypt, 2014 [For submitting the superior the Scientific project: Bridge the food gap in the Arab world through the establishment of agro-industrial colonies integrative. Exporter and Importer Arab Union (International-Arab Authority) - Council of Arab Economic Unity, League of Arab States, 2014].
41. Recognition and Appreciations Certificate from The Strategic Planning and Policy Support Unit, Ministry of Higher Education, ARE, 22 February, 2015, Training and Education Development Center, Faculty of Medicine, Ain Shams

University, Cairo ARE [[For effective participating and great efforts in [The Workshop of " Preparation of the general framework of the Strategic Plan for Higher Education in Egypt"].

42. Recognition and Appreciations Certificate from the Social Fund for Development (SFD), Council of Ministries, Regional Office of Minoufiya, Shebin El-Kom, Egypt, 31 March, 2015 [For effective participating in the SFD activities and symposium: i Made yourself by true to the beginning of your life Made yourself by true to the beginning of your life].
43. Recognition and Appreciations Certificate from The Association of Taking Care of Graduates of Minoufiya University, 24 March, 2015, Conference Room, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt [For effective participating and great efforts in " The first meeting place of employment in tourism field " as the chairman of the organizing committee]
44. Recognition and Appreciations Certificate from The Association of Taking Care of Graduates of Minoufiya University, 2 April, 2015, Conference Room, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt [For effective participating and great efforts in " The second meeting place of employment in tourism field " as the chairman of the organizing committee]
45. Recognition and Appreciations Certificate from the Faculty of Home Economics, Minoufiya University, 5th April, 2016, Shebin El-Kom, Egypt [For the effective participating and great efforts in the 4th International-18th Arab Conference of Home Economics "Home Economics and Developmet Issues", including General Reporter, Member of the Planning and Preparation Committee, Member of the Scientific Committee and Chairman of the Recommendation Session].
46. Recognition and Appreciations Certificate from the Faculty of Specific Education, Zagazig University, 21st November, 2016, Zagazig, Egypt [For the effective participating and great efforts in Symposium of Home Economics Department [Main Professor/Speaker, Lecture Title: Home Economics in the service of national projects and development issues in Egypt], Faculty of Specific Education, Zagazig University, Zagazig, Egypt.
47. Recognition and Appreciations Certificate from from the Chemistry of flavor and aroma Department, National Research Center, [For the effective participating and great efforts inSymposium of Flavor technology: Current and Future, 28th December, 2016, [Main Speaker, Lecture Title: Development of biological systems for examination flavors/additives sanitation, safety and quality], National Research Center, Dokki, Cairo, Egypt.
48. Recognition and Appreciations Certificate from the Faculty of Specific Education, Mansoura University, 12th April, 2017, Mansoura, Egypt [For the Chairman of the Nutrition and Food Sciences Session in the Scientific Conference (12th Arab, 9th International Conference) " Developing the outputs

of higher quality education in Egypt and the Arab world in the light of global competitiveness"], Mansoura, Egypt.

49. Recognition and Appreciations Certificate from the Faculty of Specific Education, Port Said University, 24th April, 2017, Port Said, Egypt [For the effective participating and great efforts in the 2nd Scientific Conference of Home Economics Department "Home Economics in the service of the Environment and Civil Society", [Main Professor/Speaker, Lecture Title: Home Economics and its Role in Improving Quality of Life: Food Safety and Health] Faculty of Specific Education, Port Said University, Port Said, Egypt.
50. Recognition and Appreciations Certificate from the Peertechz Publications Pvt. Ltd. , #S2, 215, Kavuri Hills, Jubilee Hills, Hyderabad-500033, TS, India For the effective role and outstanding efforts in Editorial Board and Articles Reviewer.

Publications:

a- Books:

- 1- “ **Fundamentals of Biochemistry**” (In Arabic) Printed and Published by El-Shimmy Library for Printing and Publishing the Academic books, Egypt.
Central Library of Egypt Card Number: 19642 - 2000
ISBN 977 5840 17 1
- 2-“ **Physical Chemistry**” (In Arabic) Printed and Published by El-Shimmy Library for Printing and Publishing the Academic books, Egypt.
Central Library of Egypt Card Number: 19641 - 2000
ISBN 977 5840 16 3
- 3- “ **Food analysis**” (In Arabic) Printed and Published by El-Shimmy Library for Printing and Publishing the Academic books, Egypt.
Central Library of Egypt Card Number: 7051 - 1999
- 4- “ **Food and Nutrition problems in the World**” (In Arabic) Printed and Published by Dar El-Nashr El-Dawlli , PO Box: 220515, EL-Riyadh, Saudi Arabia Kingdom.
- 5- “ **Laboratory methods in Biology**” (In Arabic) Printed and Published by Kenoze Ashbilia Lelnasher, EL-Riyadh, Saudi Arabia Kingdom.
ISBN: 9960-9460-4-5 (2003).
- 6- “ **Scientific Research and Laboratory Techniques**” (In Arabic) Printed and Published by Kenoze Ashbilia Lelnasher, EL-Riyadh, Saudi Arabia Kingdom.
ISBN: 9960-9460-3-7 (2003).

- 7- “ **New trends in liver cell cultures**” (In Arabic) Printed by Minoufiya University Press, Published by El-Shimmy Library for Printing and Publishing the Academic books, Egypt.
Central Library of Egypt Card Number: 8873 - 2000
ISBN 977 5840 10 4
- 8- “**Food Sanitary**” (In Arabic) Printed and Published by Dar El-Hussein, Shebin El-Kom, Egypt,
Central Library of Egypt Card Number: 23210 / 2009
ISBN 977 6067 93 9
- 9- “**Food Preparation and Analysis**” (In Arabic) Printed and Published by Dar El-Hussein, Shebin El-Kom, Egypt,
Central Library of Egypt Card Number: 23211 / 2009
ISBN 977 6067 95 4
- 10- “Food Industries-B” (In Arabic),. Dar Al-Hussein for printing and publishing, Shebin El-Kom, Egypt,
Central Library of Egypt Card Number: XXXX / 2009
ISBN 977 6067 96 XX
- 11- “**Agricultural Field**” (In Arabic) with Sherif Sabry Printed and Published by Dar El-Hussein, Shebin El-Kom, Egypt,
Central Library of Egypt Card Number: 23212 / 2009
ISBN 977 6067 96 7
- 12- “**Economical Plant**” (In Arabic) Printed and Published by Academic Library, Dokki, Cairo, Egypt.
Central Library of Egypt Card Number: 4769 / 2009
ISBN 977 281 408 0
- 13- “**The Road to a Healthy Food and Proper Nutrition**” (In Arabic) Dar Al-Hussein for printing and publishing, Shebin El-Kom, Egypt,
Central Library of Egypt Card Number: 19268 / 2014
ISBN 978-977-90-0485

b- Universities' Lecture Books:

1. “ **Organic Chemistry**” (In Arabic), 1st grade, B.Sc. Programme, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.

2. “ **Food Science and Analysis**” (In Arabic), 2nd grade, B.Sc. Programme in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
3. “ **Biochemistry-B Metabolism**” (In Arabic), 2nd grade, B.Sc. Programme in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
4. “**General and Therapeutic Nutrition**” (In English), 2nd grade, B.Sc. Programme in Nursing, Faculty of Nursing, Minoufiya University, Shebin El-Kom, Egypt.
5. “ **English Languish- Specific**”, 3rd grade, B.Sc. Programme in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
6. “**Biochemistry**”, Post Graduate Diploma Program in Hospitals & Institutions Nutrition, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
7. “**Advanced Biochemistry**”, M.Sc. Program in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
8. “**Advanced Food Industries**”, M.Sc. Program in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
9. “**Environment Health**”, M.Sc. Program in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
10. “ **Wasfat Lazah- Frozen Vegetables**”, International Union for Integrated Food Industries Co., IMC, Ministry of Industry and External Commerce, ARE (2007).
11. “**Instrumentals and Food Analysis**”, M.Sc. Program in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
12. “**Planning and Valuation of the Political International of Nutrition**”, Ph.D. Program in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.
13. “**Health, Social and Cultural Aspects in Nutrition**”, Ph.D. Program in Nutrition and Food Science, Faculty of Home Economics, Minoufiya University, Shebin El-Kom, Egypt.

c- E-Learning Courses:

- 1- “**Agricultural Field**”, National E-learning Center [NELC], Supreme Council of the Universities, ARE.
- 2- “**Food Preparation and Analysis**”, National E-learning Center [NELC], Supreme Council of the Universities, ARE.
- 3- “**Food Safety**”, National E-learning Center [NELC], Supreme Council of the Universities, ARE.
