

# **CURRICULUM VITAE**

**Dr. Naser Mohamed AbdElBary, MD**

**Vice-Dean for Students' Affairs**

**Professor of Clinical Oncology and Nuclear Medicine**

**Faculty of Medicine – Menoufia University**

**2019**

**NAME:**

| First name   | Middle name    | Family name      |
|--------------|----------------|------------------|
| <b>NASER</b> | <b>MOHAMED</b> | <b>ABDELBARY</b> |

**PERSONAL INFORMATIONS:**

- Nationality Egyptian
- Date of birth 12/02/1971
- Place of birth Elsalta-ShebinElkom-Menoufia
- Marital status Married& has two offspring
- Phone number +2 048 2086071
- Mobile phone +201154477233- +201287572696
- Address Abd El Rahman Sharkawy St.-ShebinElkom-  
Menoufia, Egypt
- E-Mail [nbary11@yahoo.com](mailto:nbary11@yahoo.com)  
[naser.elegazi@med.menoufia.edu.eg](mailto:naser.elegazi@med.menoufia.edu.eg)
- Military status Passed

**Languages:**

- Mother tongue: Arabic
- Foreign languages: English

**Education:**

- Diploma in hospital administration from faculty of commerce, Menoufia University 2008.

- MD in Clinical Oncology (Radiotherapy & Nuclear Medicine) (April, 2005) from Faculty of Medicine- Menoufia University.
- Master Degree in Clinical Oncology (October, 2000) from Faculty of Medicine- Menoufia University.
- M.B, B.CH (September, 1995) from Faculty of Medicine Menoufia University.

### **Summary of experience:**

- **CURRENT POSITIONS:**

- Vice-Dean for Students' Affairs at Faculty of Medicine, Menoufia University since August 2019
  - Head of Oncology department of Al Bajour General Hospital (MOH) since April 2017.
  - Head of Oncology unit at Menouf General Hospital (MOH) since 2009.
  - Professor of Clinical Oncology and Nuclear Medicine at Faculty of Medicine, Menoufia University since January 2016.
- Head of Clinical Oncology and Nuclear Medicine Department at Faculty of Medicine, Menoufia University from August 2017 till August 2019
  - Head of Central Administration of Menoufia University Hospitals since September 2015 till May 2016.
  - General Manager of Menoufia University Hospitals since December 2013 till September 2015.
  - From January 2011 till January 2016 work as Assistant Professor of Clinical Oncology at faculty of Medicine Menoufia University.

- From September, 2005 till January 2011 work as a Lecturer of Clinical Oncology at faculty of Medicine Menoufia University.
- From June, 2001 till September, 2005: work as Assistant Lecturer of Clinical Oncology at Menoufia faculty of Medicine.
- From October, 1997 till October, 2000: work as resident of clinical oncology at faculty of Medicine Menoufia University.
- Consultant of Clinical Oncology at Al-Hada Military Hospital, Taif, KSA from August 2011 to July 2013.
- Have good experience along more than 20 years with modern radiotherapy and simulation machines, 3D planning and IMRT systems as well as Gama camera.
- Have good experience along more than 20 years with chemotherapeutics as regard their indication, mode of action and toxicity profiles.
- Have good experience along more than 20 years in how to deal with cancer patients.
- Shared in many campaigns against cancer.

### **Academic and Scientific Activities:**

- Supervisor on more than 20 MD and Master thesis on different subjects in oncology and related issues.
- Author and co-author of more than 30 local, regional and international publications.

### **International activities:**

- ASCO (American Society of Clinical Oncology) member (membership ID: 71485)
- ESMO (European Society of Medical Oncology) member (membership ID: 5477).
- Member of the Egyptian national Cancer Society.

- Attended and participated in the 2<sup>nd</sup> Euro-Mediterranean meeting on High Precision Radiotherapy; UICC-NCI- AMAAC joint conferences as well as the CARE program on international registration of cancer, 7<sup>th</sup> COMO at Lebanon, GIT congress in Barcelona, 2007, ESMO 2008 congress in Stockholm, Sweden, ASCO 2009 congress in Orlando, Florida, EHA (European Hematology Association), 2009 annual meeting; Berlin; Germany, ASCO 2010 annual meeting in Chicago; Illinois, ESMO 2010 congress in Milano; Italy, St. Gallen breast cancer congress 2011, Switzerland, ESMO annual meeting (2012), St. Gallen breast cancer congress 2013, Switzerland, ASCO 2013 Annual meeting in Chicago; Illinois, USA, ESMO annual meeting (2014) in Madrid, Spain, ECCO 2015, Vienna, Austria and others.

## **PUBLICATIONS:**

1. Influence of the time to adjuvant chemotherapy on survival in breast cancer patients. Accepted as oral and poster presentation in BGICC 2019.
2. Reirradiation of recurrent head and neck cancer: Local control and toxicity. Accepted for publication in Menoufia Medical Journal, February 2018.
3. Role of Primary Disease Resection of Breast Cancer in Metastatic Patients. Accepted for publication in Menoufia Medical Journal, May 2017.
4. Nodal ratio and number of dissected nodes in breast cancer patients with inadequate axillary dissection. Accepted for publication in Menoufia Medical Journal, Dec. 2016.
5. Incidence of MRSA infection in pneumonia in cancer patients with phenotyping & genotyping study. Egyptian Journal of Chest Diseases and Tuberculosis (2015) 64, 689–691.

- 6.** Efficacy of Progressive Relaxation Technique and Acupressure on Pain Management and Sleep Quality among Breast Cancer Patients. Accepted as Poster Presentation in the Global Breast Cancer Conference & 4th International Breast Cancer Symposium, South Korea; March 2015.
- 7.** CD38 and Interleukin 6 Gene Polymorphism in Egyptians with Diffuse Large B-Cell Lymphoma (DLBCL), Immunological Investigations, Early Online: 1–14, 2015.
- 8.** Anal sphincter and genitourinary dysfunction following pelvic irradiation for low rectal cancer. KASR AINI Journal for surgery (2014) 15, volume 2.
- 9.** Circulating Angiogenesis Factors in Patients with Non-Hodgkin's Lymphoma. British Journal of Medicine & Medical Research 4 (17): 3366-3383, 2014.
- 10.** Interleukin 10 gene promoter polymorphism and risk of DLBCL. The Egyptian journal of medical human genetics, 2014 (15): 7-13.
- 11.** Concurrent hyper-fractionated radiotherapy with weekly gemcitabine is safe in locally advanced Head & Neck Cancer. Accepted for ORAL presentation & as a Poster in UAE, Cancer Congress, 2014, accepted for publishing in Hematology Oncology and Stem Cell Therapy Journal.
- 12.** One Year of Maintenance Metronomic Cyclophosphamide, Methotrexate & Celecoxib in High Risk Diffuse Large B Cell Non Hodgkin Lymphoma After Complete Response. KASR-EL-AINI, Journal Of Clinical Oncology And Nuclear Medicine January, 2014, poster at 5th Emirates Haematology Conference to held in Dubai, United Arab Emirates.
- 13.** Study of the Risk Factors for Hepatocellular Carcinoma: Effect of Their Synergism. E-poster & Journal of American Science 2013; 9 (4)

- 14.** Effect of Immune Enhancement on Clinical Outcomes of Breast Cancer Patients Receiving Chemotherapy. KASR-EL-AINI, Journal Of Clinical Oncology And Nuclear Medicine July, 2013.
- 15.** Evaluation of Bax and Bak gene mutations and expression as prognostic biomarkers in breast cancer” poster presentation at IASGO, 5-8 December 2012, Paper at BioMed Research International; 28-4-2013 submission.
- 16.** Assessment of concomitant versus sequential aromatase inhibitor with radiotherapy for postmenopausal women with early-stage breast cancer. Accepted as poster presentation at ASCO 2010 annual meeting in Chicago. Abstract published in *Journal of Clinical Oncology*, 2010 ASCO Annual Meeting Proceedings (Post-Meeting Edition). Vol 28, No 15\_suppl (May 20 Supplement), 2010: 667.
- 17.** Phase II study of 'high dose' celecoxib and metronomic 'low dose' cyclophosphamide and methotrexate in patients with relapsed and refractory lymphoma, published in *HematolOncol Stem Cell Ther* 2010; 3(1): 13-17.
- 18.** Glutathione MU1 (GSTM1) and cytochrome P450 (CYP1A1\*2A) genotype polymorphism in acute myeloid leukemia and relation to disease outcome. Published in *The Egyptian Journal of Hematology*, Vol. 35, No. 2, March 2010.
- 19.** Oncotherapeutic reduction mammoplasty in breast cancer patients with macromastia. Published in *Ain - Shams Journal of Surgery*, 2010.
- 20.** Cost effectiveness analysis of letrozole compared with tamoxifen as initial adjuvant therapy for postmenopausal women with endocrine responsive breast cancer. Published in KASR-EL-AINI, Journal Of Clinical Oncology And Nuclear Medicine, May 2009.

- 21.** Assessment of aesthetic outcome after radiotherapy on the reconstructed breast by transverse rectus abdominis myocutaneous flap versus implant based latissimusdorsi flap. Published in KASR-EL-AINI, Journal Of Clinical Oncology And Nuclear Medicine 2009.
- 22.** The preliminary results of three weekly docetaxel with prednisone for patients with hormone refractory metastatic prostate cancer. Published in KASR-EL-AINI, Journal Of Clinical Oncology And Nuclear Medicine, 2009.
- 23.** Evaluation of some biochemical markers as prognostic factors in non Hodgkin's lymphoma. Published in Abstract book of ESMO 2008, abstract ID No. 997.
- 24.** Surgical approach to intrabony salivary gland tumors of the jaws. Published. Tanta Dental Journal, Vol.5, No. 1, January 2008.
- 25.** Does neoadjuvant chemotherapy in operable breast cancer improve breast conservation? (Published in *Journal of Clinical Oncology*, 2008 ASCO Annual Meeting Proceedings (Post-Meeting Edition). Vol 26, No 15S (May 20 Supplement), 2008: 11572. This paper is fully published in *ecancer medical science journal* (10.3332/ecancer.2008.104).
- 26.** Evaluation of some biochemical markers as prognostic factors in NHL. Published in ESMO, 2008 abstract book, NO 766. Page viii238.
- 27.** Impact of CD40 expression by flowcytometry on outcome of patients with NHL. Accepted as poster presentation in ESMO 2008 congress in Stockholm, Published in ESMO, 2008 abstract book, NO 755p. Page viii236. Also published in *The Egyptian Journal Of Immunology*, Vol. 16 (1), 2009.

- 28.** Clinical and biological study of triple negative and HER 2 positive breast cancer, impact on clinical outcome. Published in KASR-EL-AINI, Journal Of Clinical Oncology And Nuclear Medicine, Vol.4, No. 1-2, April 2008.
- 29.** The role of total mesorectal excision for treatment of rectal cancer. Published in The Medical Journal of Cairo University, vol. 74, No. 4, December 2006.
- 30.** Evaluation of gemcitabine – de Gramont regimen in the treatment of hepatocellular carcinoma. Published in KASR-EL-AINI, Journal Of Clinical Oncology And Nuclear Medicine, Vol.2, No. 2, April 2006.
- 31.** Management of soft tissue sarcoma of extremities of adults. Published in The Medical Journal of Cairo University, vol. 74, No. 1, (suppl.) March 2006.
- 32.** Management of soft tissue sarcoma of extremities of adults. Published in The Medical Journal of Cairo University, vol. 74, No. 1, (suppl.) March 2006.
- 33.** Role of pegylated liposomal doxorubicin as a front line therapy in the management of intermediate and high grade Non Hodgkin's lymphomas. This paper was accepted as poster presentation in the ESEC (2-5 June, 2005 at Budapest).
