

MU_FSCI_PHYS_DATA_Hossam.Donia

Name: Hossam ElSyed Ibrahim Donya.

Data of Birth: September 7, 1976.

Place of Birth: Sirs Elian, Menoufiya, Egypt

Permanent address: Menoufiya, Shebin El koom, El-gazel Street, New building #3 of El-gazel workers co-op, Tenement #4.

Postal code: 32511

Gender: Male

Nationality: Egyptian

Marital Status: Married

Military Status: Exempted

Tel No.: (002048) 2333538 - (0020 10) 127184186 – (0020 10) 4164148

E-mail: donyavip@yahoo.com , donyavip@gmail.com and donyavip@hotmail.com

site: <http://www.nanomaterials.mysite.com/index.html>

Work address (for correspondence): Radiation physics department, Physics department, faculty of science, Menoufiya University, Egypt.

Postal code: 32511

Fax :) 002048) 2235689

Education :

- M. Sc. Of radiation physics in Dec. 2007

Thesis topic: *A Study of Dosimetric Properties of Some Irradiated Borate Glasses*

- 2001/2002 Pre-master in Nuclear Physics, University of Menoufiya, Shebin El koom, Egypt
- B. Sc in Physics May, 1998 with Grade very good. Teaching system is credit hours
- Undergraduate research essay: Radiation physics with Grade very good

University: Menoufiya, Faculty: Science Department : Physics

MU_FSCI_PHYS_LINK_Hossam.Donia

Experience

- Lecturer assistant of physics from Jan. 2008 till now at Faculty of Science at Menoufiya university (www.menofia.edu.eg)
- Instructor of physics at MUST University, faculty of basic science from April 2001 till September. 2006 (www.must.edu.eg)
- Instructor of physics at Menoufiya University from November 2000 till Jan 2008.
- Scientific copy editor at Hindwai Publishing House for 2 years (1999-2001) in JHEP (Journal of High Energy Physics), CIMENTO (Italian Journal) and a lot of special Journals in physics and mathematics.(www.hindawi.com)

Language:

- **English** (spoken and written) very good .
- **German**

Computer Skills:

- Editing programming (LaTeX, TeX, scientific word) and M.S office (word, excel, etc.) XP to 2007.
- All versions of LUNIX and Windows.
- HTML, XML, VBSCRIPT and JAVASCRIPT.
- FLASH, PowerPoint, Photoshop and Illustrator
- Teaching simulation program by Authorware.
- FORTRAN and MATHEMATICA programming.
- Monte Carlo simulation programs specially its MCNP codes.

Conferences

- Attending (Orally presented) 10 th International Symposium on Radiation Physics (<http://www.rpcandirpaegypt.com>) and be awarded A PRIZE "The best junior researcher" and the awarded paper: *Thermoluminescence dosimetric properties of undoped and Ag-doped Li 2 O-B 2 O 3 glasses* (<http://www.rphysp.com>)
- The second all African IRPA regional radiation protection congress 22-26 April 2007, Ismailia, Egypt (<http://www.irpa-egypt.com>)
- Attending 7 th SESAME Users' Meeting (Lectures, talks and posters) November 20-21, 2008, Cairo, Egypt (www.sesame.asrt.sci.eg)
